

# THE GAZETTE.

LEWISTOWN, PA.

Wednesday, January 20, 1864.

G. & G. R. FRYSDINGER, PUBLISHERS.

The Gazette is the only paper in this part of the State printed on a power press, and has facilities for doing work of all kinds equalled by few. We have three presses in operation—an Adams Power Press for the Paper, a double medium hand press for Jobs, and a Newbury Jobber for Blanks, Cards, &c. Our circulation needs no brilliant puffing, as advertisers can ascertain the quantity of printing paper we purchase and pay for on application to the agent of the paper mills in this town, or make inquiry at the different post-offices through the country. Our Jobbers, which are open to examination by any one, will show that we do two-thirds of this class of work.

### TERMS OF SUBSCRIPTION.

The GAZETTE is published every Wednesday by GEORGE FRYSDINGER & SON, at \$1.50 in advance, or \$2 at the end of the year. To our address, 4 copies will be sent for \$2.00 copies for \$10, or 20 copies for \$20. These terms will be rigidly adhered to.

### VOLUNTEERS WANTED.

SECOND ARMY CORPS.—Authority having been given Major Gen. Hancock to recruit the 2d Corps to fifty thousand men for such special service, under his command, as may be designated by the War Department, he appeals to the citizens of Pennsylvania to aid in filling up the regiments and batteries of his command which owe their origin to the State. They are as follows: 81st, 140th, 116th, (battalion) 145th, 53d, 145th, 71st, 72d, 69th, and 106th Regiments of Infantry, and Batteries F and G, 1st Penna. Artillery, and C and F, Independent Penna. Artillery. All volunteers enlisted for this organization will receive the following bounties paid by Government until the first of March, viz, to veterans \$402; to others, \$302. Any one desiring to enlist in either of these organizations may do so in any part of the State by making application to the District Provost Marshal, or any recruiting officer from the 2d Corps, no matter to which regiment said officers may belong.  
The General in his circular says:

"As this is a matter of interest to all citizens of this State—its quota being still nearly 30,000 deficient, I earnestly call upon you all to assist by exerting the influence in your power in this important matter. To adequately reinforce our armies in the field is to insure that the war will not reach your homes, and will be the means of bringing it to a speedy and happy conclusion, and of saving the lives of many of our brave soldiers who would otherwise be lost by the prolongation of the war and in decisive battles.  
It is only necessary to destroy the rebel armies now in the field to insure a speedy and permanent peace; let us all act with that fact in view; let it not be said that Pennsylvania which has already given so many of her citizens to this righteous cause, shall now, at the eleventh hour, be behind her sister States in furnishing her quota of the men deemed necessary to end the rebellion. Some States have filled their quotas; others will do so; a little exertion on our part will soon fill all the decimated regiments of the State and obviate the necessity of a draft."

### The Tonnage Tax

An amusing scene took place in the Senate on Thursday. It is well known that Senator Hopkins has labored hard the past two sessions of the Legislature to have the law relative to the release of certain tonnage duties repealed, and in order to test the sincerity of Mr. Hopkins on this subject, Mr. Graham, the able Senator from Allegheny, who is also in favor of the repeal, offered the following resolution, viz:

Resolved, That the Speaker be empowered to appoint a committee, whose duty it shall be to bring in a bill for the repeal of the act known as "An act for the commutation of tonnage duties," approved the 7th day of March, 1851, said committee to consist of three Senators, whose duty it shall be to report the same at the earliest possible day.

On the question, will the Senate proceed to a second reading of the same? the yeas and nays were as follows:

Yeas—Messrs. Champneys, Dunlap, Graham, Hoge, Householder, Johnson, McCandless, Terrell, Worthington and Penny, Speaker—10.

Nays—Messrs. Beardslee, Baker, Clymer, Connel, Flemming, Glatz, Hopkins, Kinsey, Lamberton, Latta, M'Sherry, Montgomery, Smith and Stein—14.

The vote looks rather queer in print for Hopkins, who has been such an ardent advocate of that measure, when a majority of his fellow members were opposed to it. We supposed that he would have rejoiced to vote for his darling measure at any time, but wise men will change their opinions sometimes.—Harrisburg Telegraph.

Bucher, the member from this district, is also against it—in short, it seems to have become a part of the democratic platform.

—The steamer America, from New York on October 30th, arrived at Panama on January 1st. The interior of the building being ornamented with light drapery, and other inflammable material, was soon in a blaze, and the flames spread rapidly throughout the whole building, and most of the people in it were either turned or crushed to death. Some one thousand nine hundred and fifty dead bodies, mostly of women and children, had been recovered from the ruins.

—Mrs. Partington's Ike goes a soldier. Mrs. Partington makes a farewell address: "Ike my son, stand up while I address you—hold my bonnet and specks. Fellow soldiers—It is the abandoned duty for all to be patriarchal in these times, and to hand down, unimpaired, the glorious flag of succeeding generations. (Here Ike commenced counting off the new fashioned cheer, swinging the old bonnet up and down as he went in one, two, three—tiger.) March hesitatingly into the contented field, and if a rebel demands your quarters, tell him you had but three and the last one is spent; then, if he won't quit and leave, quit yourself like a man, and may you have a glorious campaign of it."

### THE PRESIDENTIAL QUESTION.

The following circular letter, signed by all the Union men in the Pennsylvania Legislature, will be read with satisfaction by all the truly loyal Union men in the nation.

To His Excellency, ABRAHAM LINCOLN, President of the United States:

DEAR SIR:—The undersigned, members of the Legislature of Pennsylvania, thus early in the session of that body, hasten to congratulate you on the success of the policy of the National Administration, and the auspicious circumstances under which the second Congress of your term has been organized. When it is fairly considered that the policy of your Administration was made the issue in the late elections—when it was known that in the contest for the most important State, as well as the most insignificant municipal office, the issue involved all the essential principles of the policy of your Administration, the result must be the more highly appreciated by the friends of freedom abroad, and cheering to the defenders of freedom, the Union and the Constitution at home. We would be unmindful of the duty we owe our country, if we hesitated to acknowledge the force of that policy in the elections which placed us in our present legislative positions. When fearlessly advocated and set before the people, it won us victory in the face of the most persistent and bitter opposition from the foes of free government. You need not be reminded of the effect which the late election in Pennsylvania had on the destiny of the nation. The triumph at the ballotbox aroused the ardor, and seemed to breathe fresh valor into the hearts of our soldiers, for the achievement of victory on the battle field. And if the voice of Pennsylvania became thus potential in endorsing the policy of your Administration, we consider that, as the representatives of those who have so completely endorsed your official course, we are only responding to their demands when we thus publicly announce our unshaken preference for your re-election to the Presidency in 1864.

The hope and the life of the American people are now centered in the purpose and the effort of the Government to crush rebellion. In more than two years of struggle we have discovered that the rebellion is continued for an object more important than that of redressing even a real wrong. It is waged for the establishment of a dogma and the recognition of a barbarism. It is carried on against the Government for its absolute destruction. In such a struggle there can be no compromise devised to offer or considered for acceptance. One or the other of the contending parties must triumph. Justice must be vindicated by the full recognition and operation of the Government in all the States—or the claims of the traitors will be maintained, this magnificent structure of our Government destroyed, and the rights of men forever ignored. To make a change in the Administration, until its authority has been fully re-established in the revolted States, would be to give the enemies of the Government abroad the pretext for asserting that the Government had failed at home. To change the policy now in operation, to crush rebellion and to restore the land to peace, would be to afford the traitors arms time to gather new strength, if not for immediate victory, at least for ultimate success in their efforts permanently to dissolve the Union. Having a firm faith in the logic and the reason of these positions, we are frank in our endeavors thus to urge on you the acceptance of a re-election to the Presidency. We believe that the policy of your Administration rendered us victorious at our last election, and we now insist that that policy, if represented by yourself in all the States, would give a victory to the Government in November, and thus forever put an end to all hope of the success of treason.

We do not make this communication at this time to elicit from you any expression of opinion on this subject. Having confidence in your patriotism, we believe that you will abide the decision of the friends of the Union, and yield a consent to any honorable use which they may deem proper to make of your name, in order to secure the greatest good to the country, and the speediest success to our arms. Pennsylvania has always wielded a potent influence in the politics of the country. Her preferences have always been tantamount to the success of the statesman to whom she attaches herself—and her voice has never failed to give the victory to the right. And while we, the representatives of the great majority of the masses of the Commonwealth, thus avow our confidence and reliance in your official action and capacity, we feel that we are responding to the clearly expressed preferences of those masses, and that Pennsylvania would hail your re-election as the omen of complete victory to the Government. Expressing what we feel to be the language not only of our own constituents, but also of the people of all the loyal States, we claim to indulge the expectation that you will yield to the preference which has already made you the people's candidate for President in 1864.

Hoping, sir, that you may live to see the full triumph of your efforts to rescue your country from rebellion, and enjoy many years thereafter of its tranquil peace and prosperity, we remain your friends and fellow citizens. Respectfully,

### For the Gazette.

THE LADIES AID ASSOCIATION.—I desire to acknowledge through your columns the receipt of \$123.34, contributed by Pennsylvania residents of Denver City, Colorado Territory, through the intervention of Sarah C. Smith, lately of this place. It came most opportunely in aid of the work of the association, whose mission is to minister to the comfort of our brave Union soldiers. Our resources were about exhausted, and we were loth to appeal to our immediate citizens in view of past liberality to us, although we doubt not their generosity and patriotism were far from being exhausted. We tender to our far off friends our grateful thanks for their generous gift, and will so dispose their munificence as to effect their object in giving and ours in appropriating, the promotion of the comfort of those who are nobly battling for the restoration of the Union. A meeting of the ladies will be held at the residence of H. J. Walters, on Thursday (to-morrow) afternoon, at 2 o'clock. It is hoped all will attend. It is contemplated to forward some relief to our suffering soldiers at Libby Prison.

By order of the President.
