IMPORTANT TO EVERY MAN WHO KEEPS A HORSE, COW, SHEEP, or PIG.
EGLEY'S FOOD FOR CATTLE.
Possessing, as it does, the bitter and medicinal properties contained in Spring Grass or Tares, or other nutritive herbage, is essential to herbivorous animals, as it operates in stimulating the stomach and digestive organs to healthy action. This compound or condiment for feeding Cattle or seasoning their food, is composed purely of vegetable matter, some of which is highly aromatic. For keeping horses in good condition it is unequalled. Cow keepers will find great advantage in the increased quantity and improved quality of the milk during its use. All animals are benefited by it.
This food can only be had genuine, in the State of Pennsylvania, by applying to the Sole Agent for that State. S. M. SAUNDERS,
s7-1m 1714 MARKET Street, Philadelphia.
