THORLEY'S FOOD FOR CATTLE,

(As Imported from England.)

For Horses, this food is indispensable in promoting and sustaining all the animal functions in health and vigor. For Milch Cows it is invaluable, increasing the quantity and improving the quality of milk. For Sheep and Pigs the effect produced in one month will exceed all expectation.

The addition of this food may be attended with a saving of other food, to the extent of one-third, thereby rendering its application one of economy, while at the same time it materially assists the digestive powers of every animal, in extracting a larger portion of nourishment from the ordinary food, which would otherwise be lost, consequent upon the impaired or defective action of those organs. WINES AND LIQUORS.

PRINCE IMPERIAL

CHAMPAGNE,

FROM

DE VENOGE & CO., EPERNAY, FRANCE.

THIS IS A PERFECTLY PURE AND DELICATE WINE, from the Vineyard of Messrs. De Venoge & Co., whose taste lies in the *centre of the far-famed Champagne District of France.* It has hitherto been confined to the best tables of England and the Continent, and has only very recently been introduced into this country, where its rare quality, combined with the moderate price at which it is offered, is already achieving a success and popularity unprecedented in the annals of the Wine Trade.

Sold in this city by REEVES & DEAL, No. 204 MARKET STREET, and at the Principal Hotels, and by all the leading dealers throughout the country.
