MILTON STEAM MILL For Sale.

THE location is one of the best in the State, in the midst of a great wheat growing country, with a limited supply of water power. The mill building is 70 by 30 feet, with engine house attached, situate immediately on the bank of the canal. The engine was manufactured in Pittsburg—is one of the most approved kind, capable of driving three pair of Burrs, and is driven by coal as a fuel, which can be obtained cheap.

The whole is nearly new and in perfect order, and capable of manufacturing 40 barrels of flour per day, with two pair of Burrs.

A miller's house and garden are attached to the premises. The above property will be for sale until the 15th of March next. Terms will be made easy. Letters post paid, addressed to the subscriber in Milton, Pa., will be attended to.
