# CITY ITEMS.

A MERCHANT TAILOR, whom *one* can recommend, is Mr. E. O. Thompson, northeast corner of Walnut and Seventh streets. By strict attention to business, excellent catering to the wants of the best class of citizens, more than ordinary scientific skill in the artistic department of his establishment, and his general facilities for presenting to his customers, at all times, a first-class stock, he has won a front-rank position in the important business which he represents. Always pleased ourselves with his workmanship, and so, too, with his exceedingly fine assortment of materials, in the way of cloths, coatings, cassimeres, stetters, we take pleasure in recommending to his establishment others, as we feel confident that those desiring clothing made well, a "good fit," and to their taste in every respect, will not be disappointed.

A UNION ESTABLISHMENT.—Amid the general wreck of matter and crush of worlds," now existing in our political orbit, figuratively speaking, of course, it is cheering to find that some of our most enterprising citizens are still pursuing the even tenor of their way. Messrs. E. G. Whitman & Co., Second street, below Chestnut, are daily receiving orders from all parts of the country, the North included, for their delicious sugar plums, and other choice confections, as usual, *accompanied with the cash* at that. Our community know this, that if our Southern brethren are troubled in any worse things, their chances of being treated to a fish of Uncle Sam's sugar plums would to-day be less eminent. We believe that such establishments as those of E. G. Whitman & Co.'s strengthen the bonds of the Union, and that the Union spirit of our people can in no way be better subserved than by the free use of their superior confectionery. We want everybody to try this advice.

COLDS, INFLUENZA.—The great and sudden changes of our climate are fruitful sources of *Pulmonary and Bronchial affections*. Experience having proved that simple remedies often act speedily and effectually when taken in the early stage of disease, everyone should at once be laid to "*Brown's Bronchial Troches*," or Lozenges, let the Influenza, Cough, or Irritation of the Throat be ever so slight, as by this precaution a more serious attack may be effectually warded off. ap13-stuth 3t

A MESSAGE FROM MAJOR ANDERSON.—It is rumored that a telegraph despatch was received in this city, by a certain responsible party, from Major Anderson. It is understood, however, that the despatch was sent with the knowledge and consent of the Charleston authorities, as it had no reference to the war question. The message was in the following words: "Please procure for me and ship to Fort Sumpter, Charleston, a full suit of citizens' apparel from the Brown Stone Clothing Hall of Rockhill & Wilson, Nos. 603 and 605 Chestnut street, above Sixth, Philadelphia."

A GREAT SANITARY MOVEMENT.—We have repeatedly called upon our people to abandon the use of the dangerous fluid lamp, from which so many serious accidents have resulted. In view of the latter we regard the introduction of the admirable Kerosene Oil Lamps, manufactured and sold by Messrs. Witney & Co., No. 35 North Eighth street, corner of Filbert, as a sanitary movement, and we are pleased to find that not only in this city, but all over the country, this safe, economical, and efficient lamp is taking the place of all others. It is in fact *the* portable lamp of the age.

AN EDITOR IN DISGUISE.—One of those useful members of society recently bought a suit of clothes at the popular store of GRANVILLE STOKES, No. 607 Chestnut street, and thus expands:

"We have lately got a new suit of clothes, and no one could be more effectually disguised. We looked like a gentleman. Upon first putting them on, we felt as a cat in a strange garret, and for a long time thought we were swapped off. We went to the house, and scared the baby into fits; our wife asked us if we wanted to see Mr. Jones, and told us that we would find us at the office; went there, and pretty soon one of our printers came in, with a strip of paper in his hand. Asked if the editor was in; told him we thought not; asked him if he wished to see him particularly; said he wanted him to pay that bill; told him we did not believe he would be in; business was bad. Started to the post-office: met a couple of young ladies: one of them asked the other 'what handsome stranger is that?' In this dilemma we met a friend, and told him who we were, and set him to introduce us to our wife, who is so improved of us as can be. The next time we get a new suit we shall let her know beforehand."

MERCHANTS can fill all orders for Curtains, Damask, Window Shades, Lace or Muslin Curtains, in satisfactory manner, at 19 Chestnut street, Philadelphia. W. H. Carryl & Bro. 2t

THE FOLLOWING is a sample of the numerous letters constantly receiving for Hostetter's Stomach Bitters:

CANANDAIGUA, July 15, 1859.

*Messrs. Hostetter & Smith*, Pittsburg, Pa.—Gentlemen: As we are strangers, I herewith enclose you twenty-eight dollars, for four dozen Hostetter's Stomach Bitters, which please forward via Michigan Southern Railroad, Toledo, Ohio, and Clayton Station. I have purchased several dozen bottles at Toledo this summer, but the sale is on the increase, so much that I wish to open a direct trade with you. I was induced to try your Bitters by my physician, for the Liver Complaint, and received such material aid that I have recommended it to others, and have sold about two dozen per week for some time. I have all kinds of medicine in my store, but there is none that I can so cheerfully and truthfully recommend as your Bitters, for I know they have helped me beyond my expectation. Respectfully PHILO WILSON.

BELLINGHAM'S

CELEBRATED STIMULATING

ONGUENT,

FOR THE WHISKERS AND HAIR.

The subscribers take pleasure in announcing to the citizens of the United States that they have obtained the Agency for, and are now enabled to offer to the American public the above justly-celebrated and world-renowned article.

THE STIMULATING ONGUENT

is prepared by Dr. G. P. BELLINGHAM, an eminent physician of London, and is warranted to bring out a thick set of

WHISKERS, OR A MOUSTACHE

in from three to six weeks. This article is the only one of the kind used by the French, and in London and Paris it is in universal use.

It is a beautiful, economical, soothing, yet stimulating compound, acting as if by magic upon the roots, causing a beautiful growth of luxuriant hair. If applied to the scalp it will cure baldness, and cause to spring up in the place of the bald spots a fine growth of new hair. Applied according to directions, it will turn red or rusty hair DARK, and restore gray hair to its original color, leaving it soft, smooth, and flexible. The "ONGUENT" is an indispensable article in every gentleman's toilet, and after one week's use they would not, for any consideration, be without it.

The subscribers are the only Agents for the article in the United States, to whom all orders must be addressed.

Price one dollar a box; for sale by all Druggists and Dealers; or a box of the "ONGUENT," warranted to have the desired effect, will be sent to any who desire it, by mail, direct, securely packed, on receipt of price and postage, $1.15. Apply to, or address

THE DOCTRINE AND POLICY OF PROTECTION, WITH THE HISTORY OF OUR TARIFFS,

FROM THE ORGANIZATION OF THE FEDERAL GOVERNMENT TO THE PRESENT TIME.

BY DR. WILLIAM ELDER.

Now that a desperate assault is being made upon the new Tariff to prejudice the public in advance against it, and, if possible, to have it repealed, it is important that its friends should be prepared to combat the specious arguments of its antagonists. Nothing will better serve this purpose than the circulation of the pamphlet whose title is quoted above, which is one of the ablest and most interesting documents that have ever appeared in support of the true American policy of protection to American industrial interests of our country. It will be forwarded by mail or express for 10 cents per single copy; 75 cents per dozen; $5 per hundred. Address
