SPECIAL NOTICES.

OFFICIAL.

TREASURY DEPARTMENT, May 11, 1861.

SEALED PROPOSALS will be received at this Department until twelve o'clock noon of Monday, the twenty-first day of May now current, for the remainder of stock of the United States, to be issued under the act of Congress approved 8th of February last, amounting to eight millions nine hundred and twenty-one thousand dollars. This 8t ck will bear interest at the rate of six per cent per annum, payable semi-annually on the first days of January and July, in each year, and will be reimbursable in twenty years from the first day of January last.

The proposals must state the sum offered for each hundred dollars of stock and must be for one or more thousands of dollars, without fractions. They must be addressed to the undersigned or be presented with the Treasurer of the United States at Washington, or with an assistant treasurer at Boston, Philadelphia, or New York, subject to the order of the Secretary of the Treasury; and the certificate showing such deposit must accompany the offer. The act reserves to the secretary the right to decline bids not regarded as advantageous to the United States.

The amount payable under the accepted offers for this loan must be deposited with the Treasurer of the United States, or an assistant treasurer at Boston, New York, or Philadelphia, on or before the twenty-fifth day of May, now current; but if any accepted bidder shall desire to deposit at any other point, his request will be considered.

On the receipt here of the proper certificates showing such deposit, certificates of inscribed stock will be issued to the successful bidders or their assignees for the amounts to which they may be entitled, in sums of one thousand, five thousand, ten thousand dollars each, as may be required. Inscribed stock will carry interest from the date of such deposit, and will be transferable on the books of the Treasury, agreeably to the regulations of the Department.

Should any accepted bidder desire certificates of stock with coupons of semi-annual interest attached to each certificate, he will be issued accordingly in sums of one thousand dollars each, with coupons attached for interest from the first day of July next. Such coupon stock, instead of being transferable on the books of the Treasury, may be assigned and transferred by the delivery of the certificates. The interest on such coupon stock, from the date of the deposit therefor until the first day of July next, will be paid on that day to the accepted bidder, or his assignee, by the depositary with whom the principal was deposited.

The proposals under this notice must be endorsed on the envelopes, "Proposals for Loan of 23 June, 1861," and addressed to the Secretary of the Treasury, Washington, D. C., or such proposals, so addressed, may be put under cover to the Assistant Treasurer, New York, who will forward them to this Department to be opened and decided. It is desired that each sealed proposal may be accompanied with a note, addressed to the Department, stating the name of the bidder, and the sum bid for, in order that the bids may be opened whenever the whole sum offered is subscribed for. The proposals may deposit of one per centum, required from all bidders will be included in the final deposit of the principal.

Secretary of the Treasury.

A WORD TO THE AGED.—In the decline of life the loss of vital force consequent upon physical decay, can only be safely supplied by some vivifying preparation which restores the strength and spirits without entailing the exhaustion which is always the final effect of ordinary stimulants. We tender to the aged HOSTETTER'S STOMACH BITTERS, as an invigorant and restorative, immediate in its beneficial action, and permanent in its effect. It tones the stomach, improves the appetite, acts like a charm upon the spirits, and tends not only to prolong life beyond its usual span, but to render it as enjoyable in its evening as in its prime. For dyspepsia, oppression after eating, bilious choice, wind choice, spasms of the stomach, sick or nervous headache, chills and fever, tremens, prostration, and all the complaints special to the feeble sex, the Bitters are earnestly recommended by thousands who have witnessed their superior efficacy in such cases. For sale everywhere.
