Wright's Indian Vegetable Pills being a cleanser of the stomach and bowels, and direct purifier of the blood, are certain not only to remove pain and distress of every kind from the body, but if used occasionally, so as to keep the body free from those humors which are the cause of every malady incident to man, they will most assuredly promote such a just and equal calculation of the blood that those who lead a sedentary life will be enabled to enjoy sound health, and disease of any kind will be absolutely impossible.

TRUTH IS POWERFUL AND WILL PREVAIL.—Its true that Dr. Sieeling's Pulmonary Syrup, has in thousands of instances proved itself invaluable in cases of Asthma, Influenza, Spitting of Blood Croup Measles, Bronchitis, Scarlet Fever, Sore, Throat, Whooping Cough, and other Pulmonary diseases. The remarkably increased demand for it, is undeniable evidence that it is appreciated by a discerning public. It should be borne in mind that the "*Pulmonary Syrup*" sell for only 50 cts per bottle, while similar medicines sell for a dollar and more.

Mr. Forsyth, Mcht. Marcus Hook, Pa. states that his mother, an aged lady, was cured of an alarming Cough, of considerable duration, by *Steeling's Pulmonary Syrup.*

THE COAL TRADE.

This week will nearly if not quite close the business by Canal. A few scattering boats, may yet obtain freight for the line of the Canal, but even this is doubtful.

The supply in the market from all quarters, amounts to about, 1,510,669 tons, as follows:

Schuylkill,	802,000
Lehigh,	370,000
Lackawana	235,000
Pinegrove,	34,000
Susquehanna,	60,000
Total,	1,511,000

About the quantity required to supply the market.—It will be observed that Schuylkill county has sent considerable more, than the half of the whole supply sent to market. Should the present Tariff be continued, the shipments next year, from this region, will reach ONE MILLION TONS. If it should be repealed or modified it is doubtful whether we will exceed the quantity of the present year.

For the week ending on Thursday Evening last.

THE PROOF POSITIVE.

MR. KIRBY—

My wife was afflicted with pain in the breast, and a severe Cough, for the period of five years. About the first of May last, she became so reduced, that she was confined to her bed for several weeks, entirely unable to move. I called in our family physician, who after some inquiry, &c., left her a few pills. The next day the Doctor paid her another visit, and then told me that medicine was entirely useless, as her recovery was impossible. I then procured a bottle of Dr. Swayne's Compound Syrup of Wild Cherry, which she commenced using according to the directions, and from which she derived considerable benefit. I continued the use of the Syrup until she had used 10 bottles. By this time she had recovered perfectly. She now enjoys good health, and attends to her household duties as usual. I would most cheerfully recommend this medicine to all similarly afflicted. What is the price of 10 or 15 bottles, compared to good health?

Yours respectfully,
JACOB HARE.

CAUTION—All preparations from this valuable tree, except the original, Doctor Swayne's Compound Syrup of Wild Cherry, are fictitious and counterfeit. Prepared only by Dr. Swayne, whose Office is now removed to N. W. corner of Eighth and Race streets, Philadelphia.

THE WONDERFUL CURES

Performed by this valuable medicine in Pulmonary Consumption, Coughs, Colds, Influenza, Asthma, Bronchitis, Pain in the Side and breast, Sore Throat, Whooping Cough, spitting Blood, Liver Complaint, &c., have excited the astonishment of all who have witnessed its marvellous effects. There is no account of a medicine, from the earliest ages, furnishing a parallel. The almost miraculous cures effected by this medicine, are unprecedented.

BE CAUTIOUS to ask for the *original* and only genuine preparation, Dr. SWAYNE'S Compound Syrup of Wild Cherry.
