CITY ITEMS.

EASTERN MARKET CHEESE STAND.—The best medical authorities agree in placing Cheese among the most healthful articles of diet known to modern civilization; notwithstanding which, it is of the first importance to procure an article that is really pure, and free from all hurtful sophistication. Those who purchase from W. H. Slocumb's stand may be assured that they have a prime article, and the best to be had in the city. His ice cream is also rich and pure.

FINE GROCERIES.—Those of our readers who are particular in the use of Groceries will find the best assortment constantly on hand at the old stand of the late C. H. Mattson, Arch and Tenth streets. The proprietors of this establishment are now selling large quantities of goods to persons removing to their country residences for the season. We may mention in this connection that all goods purchased at this store are promptly delivered in any part of the city, or carefully packed and sent to any of the depôts, free of charge.

WE WERE among those who believed that Sewing Machines had attained their highest degree of utility and perfection. But we were destined to disappointment, at least so far as relates to the class of machines making the stitch, or so-called "Lock-Stitch." It appears that the Grover & Baker S. M. Co., not content with having brought to a point of perfection not yet approached by any other their celebrated machines making the well-known Grover & Baker stitch, have entered the domain of their competitors with a series of machines making the shuttle stitch, or stitch alike on both sides, which, for simplicity, beauty of design, and perfect mechanism, must take the palm over every other machine of this class. One other great advantage is gained, for ladies can now examine and test, side by side, the best machine making the rival stitches. The prices of these new machines are the same as those making the celebrated Grover & Baker stitch.

GROWING POPULARITY OF NEGRO REGIMENTS.—An officer of the 3d South Carolina Volunteers, writing from Hilton, says: "We have at present seventy-nine men in our company, and the other company has about the same number. No other company of this regiment has yet been organized; but, as every negro on the island is a soldier, we shall very soon have a full regiment. The latest order of General Hunter made every able-bodied black man liable to military duty, except officers' servants. They are better fitted for military life here than any white men I have seen yet. They learn the marchings quicker, and are more easily disciplined than white soldiers. The only fault I have to find with them is a restlessness of tongue, which cannot be controlled." No fault can be found with the garments, for gentlemen and youths, made at the Brown-Stone Clothing Hall of Rockhill & Wilson, Nos. 603 and 605 Chestnut street, above Sixth.

ARABIC PROVERBS.—1. If your friend be honey, do not eat him altogether.

2. When there are many captains, the ship sinks.

3. When things tire you at the head, take them by the tail.

4. When you have spoken the word, it reigns over you; but while it is yet unspoken, you reign over it.

5. He that passes through the onions or peel will smell of them.

6. Borrowed dresses give no warmth.

This latter proverb is hardly adapted to these times, when Clothing is sold so cheaply as at Charles Stokes & Co.'s, under the Continental.

BADY POULTICES.—Hyder Ali (Rajah or Sovereign of Mysore) had a great carbuncle in his back, and killed an infant every night; I mean ordered one to be killed, to make a poultice for it. The story (as it was told, was believed to be correct in every respect, and Hyder Ali was, therefore, called Herod. Even with this carbuncle, however, the sanguinary master would have succeeded in procuring neatly-fitting garments, and suitable for the climate, at the One-price Clothing Establishment of Granville Stokes, No. 609 Chestnut street, Philadelphia.

A MAGNIFICENT ROSEWOOD SEVEN OCTAVE PIANO FOR SALE—Richly carved case and legs; made to order by one of the best makers in this country. Five months ago cost $600. The owner, being in the army, will sell for less than half cost, cash. To be seen at No. 1418 Lombard street, a few doors above Broad. my27-4t*

SPECIAL NOTICES.

DR. D. JAYNE'S ALTERATIVE IS A STANDARD MEDICINE—a compound of those articles which long experience has proven to possess the most safe and efficient Alterative and deobstruent properties, and containing no concealed poisons, no mercurial or other metallic preparations. Having before us the testimonials of thousands of persons who have been restored to sound health from its use, it is recommended to the afflicted with entire confidence, in the belief that it will effectually eradicate from the human system, the diseases for whose cure it is designed.

FOR PURIFYING THE BLOOD, the Alterative will be found to be a most effective medicine. Acting directly on the circulation, it purifies the blood, and passes with it into every tissue and fibre of the body, removing every particle of disease from the system.

FOR SCROFULA, in all its forms, whether Ulcerations of the Flesh or Bones, Enlargement of the Joints, Glands, Swellings, Eruptions, Tumors, &c., the Alterative has been found pre-eminently successful. By its action on the blood it destroys the virus or poisonous principle from which these diseases originate.

FOR SKIN DISEASES, the immediate cause of which will always be found to be an obstructed state of the pores, *Jayne's Alterative* is a certain remedy. It not only removes the obstinate state of the pores, but it frees the blood and perspiration from all impurities and gross particles which are so liable to obstruct the small perspiratory vessels.

A MIDSUMMER MELODY.

'Twas a night in the dog days,
And all through the house
Night prowlers were stirring—
Fleas, bedbugs, and mouse.
The children, uneasy,
Squirmed this way and that—
The bedbugs preferred them
Because they were fat.
But at dawn, on each insect
Lyon's death powder fell;
And the rats and the mice, too,
Succumbed to his Pills.

Lyon's Powder will kill all insects. Lyon's Magnetic Pills are sure death to rats and mice. Sold everywhere my23-12t DEMAS S. BARNES, New York.

TO THE UNION AND LOYAL LEAGUES AND ASSOCIATIONS, AND LOYAL CITIZENS OF THE UNITED STATES:

PHILADELPHIA, May 25, 1863.

FELLOW-CITIZENS: By direction of the UNION LEAGUE of Philadelphia, the undersigned have the honor to invite your attention to the following Resolutions, to wit: *Resolved*,

"1. That the League will celebrate the approaching Anniversary of American Independence by appropriate ceremonies, at the Hall of Independence.

"2. That all the Union Leagues and Associations in the United States be invited to participate in the celebration, and that they be requested to send deputations from their respective bodies for that purpose.

"3. That it be recommended that the deputies be authorized to represent their respective constituents in any action that may be deemed necessary and expedient to perfect the organization of the friends of the American Union and Government throughout the United States.

"4. That the Committee of Correspondence be authorized to prepare a circular letter, communicating these Resolutions to the Union Leagues and Loyal Citizens of the respective States, and to adopt such measures as may be necessary to carry them into effect."

For the first time in the history of our Country, the masses of the American people are now invited to commemorate the birth of the UNION, at the place where it was born:

To re-assert the great principles of the Declaration, that "All men are created equal, and are endowed by their CREATOR, with the UNALIENABLE RIGHTS of life, liberty, and the pursuit of happiness:"

To acknowledge our obligations to mankind, to maintain those principles as our fathers did, "with a firm reliance on the protection of DIVINE PROVIDENCE:"

To declare the INDIVISIBILITY of the AMERICAN UNION:

To declare the inflexible purpose of the American people, as GOD shall give them strength, to subdue the enemies of the Union, and re-establish and perpetuate the NATIONAL AUTHORITY, wherever it has been overthrown by treason or rebellion:

To declare to foreign nations, that while we desire peace with them, we shall hold them responsible for any encouragement they may give to the rebellion against the Government of the United States:

To give to history an appropriate expression of our gratitude to the patriot-armies and navy of the Republic; and

To declare our determination to sustain the constituted authorities of the Government now and hereafter, in all measures adopted and prosecuted by them for the suppression of the rebellion WITHOUT COMPROMISE WITH TRAITORS, as the only means of securing an honorable and lasting peace.

The Committee are gratified to announce that the PRESIDENT OF THE UNITED STATES has accepted an invitation to participate in the proceedings.

Fellow-citizens of the United States, we call upon you to co-operate with us in this FIRST NATIONAL CELEBRATION, and to adopt such measures as you may deem proper, to make it worthy of a great people who have inherited, and now possess and appreciate, the blessings of liberty.
