DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

THE GREAT REMEDY

FOR

CONSUMPTION

COLDS, COUGHS, SPITTING OF BLOOD, BRONCHITIS, DIFFICULTY OF BREATHING, ASTHMA, PAIN IN THE SIDE AND BREAST, WHOOPING COUGH, CROUP AND ALL DISEASE OF THE LIVER AND LUNGS, BROKEN CONSTITUTION, &c.

THE above is the *original* and only *genuine* preparation from this valuable tree, and has won its way to public favor by its unparalled success in curing all diseases of the *Lungs*, notwithstanding the many articles prepared by persons who have no knowledge of the science of Medicine in theory or practice, and some more readily to deceive the unsuspecting, use a part of the name of the original preparation, such as "*Balsam of Wild Cherry*," "*Pectoral Balsam of Wild Cherry*," "*Balsam of Wild Cherry and Tar*," &c. all springing up with a mercenary view after "Dr Swayne's Compound Syrup of Wild Cherry" had won a reputation in the healing art, never to be forgotten by many a once cheerless fireside. Therefore the public should be on their guard and purchase none but the original preparation, which is daily performing such astonishing cures in Pulmonary complaints, after all remedies had failed and the patients given up as hopeless. Thousands of certificates might be published which would astonish credulity itself, but it is deemed unnecessary here to publish a few of the names of persons who have been cured by this "wonderful remedy."—

ROBERT GLASS, Steward of the Alms House, near Frankford, testifies to the efficacy of Dr. Swayne's Compound Syrup of Wild Cherry in curing Valentine Chapman one of the most aggravated cases of diseased Lungs, which has ever been placed upon record, and every other remedy had failed and his Physician had given him up as incurable.

Miss S. Lewis, of West Philadelphia, cured of bleeding at the Lungs of five years standing, her symptoms were spitting of blood, attended with a hacking cough pain in the side, breast and back, which fin ally brought on a confirmed Consumption; entirely cured by the use of Dr. Swayne's Compound Syrup of Wild Cherry.

Mrs. Brown, corner of Second street and Germantown road Philadelphia, effectually cured of diseased Lungs and the symptoms of incipient Consumption, by using four bottles of Dr. Swayne's Compound Syrup of Wild Cherry.

R. Jackson, D. D., formerly Pastor of the first Presbyterian Church N. Y. testifies to the efficacy of Dr. Swayne's Compound Syrup of Wild Cherry, and recommends it to the heads of families, having witnessed its wonderful effects in more than one hundred cases in relieving children of every obstinate complaint, such as coughing, wheezing, choking of phlegm, asthmatic attacks, &c.

ABRAHAM SEANER, Crawford county, Pa., cured of a protracted cough, pain in the side and breast, &c., otherwise reduced to a mere skeleton.

JAMES OSBURN, Washington, Pa., cured of Consumption and Bleeding of the Lungs, after being given up to several eminent Physicians, and having used most of the Patent Medicines.

This medicine in all cases gives immediate relief and is a safe, pleasant and effectual remedy, and worth a trial from the most sceptical.

☞ Prepared solely by Dr. SWAYNE, N. corner of EIGHTH and RACE streets, Philadelphia where all orders must be addressed.
