SPECIAL NOTICES.

DR. SWEET'S INFALLIBLE LINIMENT is truly a "friend in need," and every family should hav it at hand.

THE SUMMER MOON WAS SHINING
All in the purple sky:
My wife and I, we tossed about,
And could not close an eye.
I cursed and swore, she scolded me,
All through the weary night:
But 'twas enough to vex a saint,
The bedbugs' savage bite.
You may be sure I certain went
Next morn to Lyon's store,
And home in joyful triumph I
Th' Magnetic Powder bore,
Which quickly slaughtered every bug,
Mosquito, roach, and flea.
Lyon's Powder kills all insects. Lyon's Magnetic Pills are sure death to rats and mice. Sold everywhere.

TO THE UNION AND LOYAL LEAGUES AND ASSOCIATIONS, AND LOYAL CITIZENS OF THE UNITED STATES:

PHILADELPHIA, May 25, 1863.

FELLOW-CITIZENS: By direction of the UNION LEAGUE of Philadelphia, the undersigned have the honor to invite your attention to the following Resolutions, to wit: *Resolved*,

"1. That the League will celebrate the approaching Anniversary of American Independence by appropriate ceremonies, at the Hall of Independence.

"2. That all the Union Leagues and Associations in the United States be invited to participate in the celebration, and that they be requested to send deputations from their respective bodies for that purpose.

"3. That it be recommended that the deputies be authorized to represent their respective constituents in any action that may be deemed necessary and expedient to perfect the organization of the friends of the American Union and government throughout the United States.

"4. That the Committee of Correspondence be authorized to prepare a circular letter, communicating these Resolutions to the Union Leagues and Loyal Citizens of the respective States, and to suggest such other measures as may be necessary to carry them into effect."

For the first time in the history of our Country, the masses of the American people are now invited to commemorate the birth of the UNION, at the place where it was born.

To re-assert the great principles of the Declaration, that "All men are created equal, and are endowed by their CREATOR, with the UNALIENABLE RIGHTS of life, liberty, and the pursuit of happiness."

To acknowledge our obligations to mankind, to maintain those principles as our fathers did, "with a firm reliance on the protection of DIVINE PROVIDENCE:"

To declare the INDIVISIBILITY of the AMERICAN UNION:

To declare the inflexible purpose of the American people, as GOD shall give them strength, to subdue the enemies of the Union, and re-establish and perpetuate the NATIONAL AUTHORITY, wherever it has been overthrown by treason or rebellion:

To declare to foreign nations, that while we desire peace with all the world, we shall hold ourselves responsible for any encouragement they may give to the rebellion against the Government of the United States:

To give to history an appropriate expression of our gratitude to the patriot-armies and navy of the Republic; and

To declare our determination to sustain the constituted authorities of the Government now and hereafter, in all measures adopted and prosecuted by them for the suppression of the existing rebellion WITHOUT COMPROMISE WITH TRAITORS, as the only means of securing an honorable and lasting peace.

The Committee are gratified to announce that the PRESIDENT OF THE UNITED STATES has accepted an invitation to participate in the proceedings.

Fellow-citizens of the United States, we call upon you to co-operate with us in this FIRST NATIONAL CELEBRATION, and to adopt such measures as you may deem proper, to make it worthy of a great people who have inherited, and now possess and appreciate, the blessings of liberty.

FIRE! FIRE! FIRE!
PHILADELPHIA, May 30, 1863.
M. C. Sadler, Esq., Agent for Lillie's Safes:
DEAR SIR: During the night of May 19, 1863, our Grocery and Provision Store, at Broad and Willow streets, took fire at about 2 o'clock A. M., and as the store was a very inflammatory wood building it burned rapidly, and before the fire engines could act upon the fire, our whole stock of goods, including much combustible material, and amounting to $3,000, was totally destroyed. We had one of your No. 11 Chilled-iron Safes, which was in the hottest part of the fire, and became red of the fire not in the least injured, except the melting off of the name, plate and paint. The contents inside were not affected in the least, and we consider the Safe just as good a protection against fire now as before, and shall use it hereafter with increased confidence. The lock works as perfectly as before the fire.
Yours truly,
McMANUS & CROFT,
Late 429 North SECOND Street.

Attention to the above certificate is particularly requested, as it is the first trial of LILLIE'S SAFES in an accidental fire in Philadelphia.

I would say to all parties who want a Fire and Burglar-proof Safe that LILLIE'S WROUGHT AND CHILLED IRON SAFES are much the best, and are the only real Fire and Burglar-proof Safes now made; and as these are the only Safes I keep or recommend, I say that LILLIE'S WROUGHT IRON SAFES is fully equal in all respects to any of the most-approved makers, and is sold at fully one-third less price.

I also am receiving daily in exchange for Lillie's Wrought and Chilled Iron Safes, such other
