CITY ITEMS.

IMPORTANT NOTICE BY WENDEROTH & TAYLOR, LATE BROADBENT & Co.—This well-known Photographic establishment, Nos. 912, 914, and 916 Chestnut street, has given notice that after the first of July next, all their negatives taken prior to July 1st, 1862, will be liable to be effaced. Persons wishing duplicates from them should, therefore, apply at once.

This firm has lately added a department to their business devoted exclusively to the photographing of rural scenery, and they now solicit orders for photographic views of country seats, horses, cattle, and out-door views generally. Their rates, for this extra branch, are quite moderate.

FINE GROCERIES FOR THE COUNTRY.—Messrs. Davis and Richards (formerly C. H. Mattson), dealers in fine family groceries, Arch and Tenth streets, are now supplying numerous orders for the country. Hotel keepers, proprietors of Summer Resorts, and private citizens, will find, at this celebrated old establishment, the choicest stock of Groceries in the city. All goods bought, are carefully packed, and delivered at any of the dépôts free of charge.

INTERCEPTED DESPATCHES FROM GENERAL LEE TO JEFF DAVIS—12 o'clock, Midnight.—My advance has entered Philadelphia. The Continental Hotel and Charles Stokes & Co.'s extensive Ready Made Clothing Store is in ashes! 3 o'clock A. M.—I have just learned that my advance has not reached Philadelphia, but is in Harrisburg. Governor Curtin is a prisoner. Still later.—The people of Harrisburg are in great consternation on account of the near approach of our troops. We have sacked Chambersburg. 6 o'clock A. M.—My command is all at Harper's Ferry preparatory to march northward. A great movement towards Chambersburg is now on foot. 10 o'clock A. M.—I shall move my headquarters from Fredericksburg to-morrow to join the main body of the army now near Harper's Ferry.

(Signed) R. E. LEE, *Major General.*

To his Excellency J. DAVIS, Esq., Richmond.

IMPORTANT TO THOSE ABOUT PURCHASING SEWING-MACHINES.—Experience proves there are two good sewing machine stitches—the Grover & Baker stitch and the shuttle or lock stitch. Now, neither of these stitches is best for all Kinds of work. Each has its peculiar merits and excellencies, and a machine making the one or the other stitch will be best in any given case according to the circumstances under which it is to be employed. Purchasers of machines should therefore be careful to visit those establishments where *perfect machines of both kinds* are sold—where there is no motive to recommend one above another at the expense of the buyer, but where both machines are recommended and sold each upon its actual merits, and with full explanation and understanding of their peculiar qualities. At such establishments the purchaser can select intelligently, after trial of both, the machine best suited to his or her wants, and much vexation and disappointment be saved. We are not informed as to other establishments, but there is one in this city—that of Grover & Baker S. M. Co., 730 Chestnut street, where both machines are sold, and where purchasers can select after trial the one best suited to their wants.

A GENERAL MOVEMENT ALONG THE BORDER.—The rebs seem to have concluded upon the expedient of making a regular series of raids along the border. Maryland, Western Virginia, Pennsylvania and Indiana have been invaded, and waste and plunder have been extensively practised. We have heard that the rebel Colonel Jenkins, the hero of the Chambersburg raid, boasted that he was coming to Philadelphia, and that he intended to procure a lot of new uniforms at the Brown Stone Clothing Hall of Rockhill & Wilson, Nos. 603 and 605 Chestnut street, above Sixth. To save Secesh the trouble of coming so far upon such an errand, the uniforms have been sent to him; but with a man in each of them, and a musket in the hands of the wearer, to make things as snug and comfortable as possible.

HOW TO DO GOOD.—Most people, from their reflective faculties not being brought into play, hardly understand what doing good means. Till, perchance, they stumble upon a good action, when the presiding judge, Conscience, gives in his verdict of "all right." We endeavor to do good in our humble way, by advising our readers to buy their clothing at the "Philadelphia Temple of Fashion," No. 609 Chestnut street, Granville Stokes.

THE SPIRITUALISTS will be accompanied by Willard's Grove's Band, on their pic-nic to Florence Heights, to-morrow. A few more tickets may be had. See advertisement, or at the boat in the morning.

LYON, our remorseless foe,
Lays us, by the thousands, low;
Touched by his magnetic dust,
Though unwilling, die we must.
If our power but matched our will,
We'd that insect-murderer kill;
For his Powder, sure as fate,
Will our race annihilate.

Lyon's Powder is harmless to mankind, but will kill all house insects, garden worms, vine-bugs, &c. Lyon's Magnetic Pills are sure death to rats and mice. Sold everywhere. DEMAS S. BARNES, New York.

HON. E. M. STANTON, SECRETARY OF WAR, WASHINGTON: On behalf of the citizens of Philadelphia, and its vicinity, the undersigned respectfully request you to issue the proper authorization for immediately raising three Regiments of Volunteers of COLORED MEN, from this part of Pennsylvania, for the war. The undersigned are happy to be able to state that, in their judgment, such action on your part would be gladly welcomed and earnestly sustained by a vast majority of their loyal fellow-citizens, and that the invitation to volunteer for the defence of the Union would be responded to with zeal and alacrity by the colored men of Pennsylvania.

The undersigned would respectfully suggest that, should you conclude to issue the instructions which they urge, that you order Fort Mifflin, or some other suitable place, to be prepared for the reception of the volunteers as fast as they may enlist; that none but colored non-commissioned officers be allowed to canvass for recruits, and that no individual, no clique, nor distinct set of politicians, be exclusively entrusted with this matter. It is the whole people who urge this action, and all classes should be charged with its support. Finally, the undersigned assure you that they are willing to undertake the collection of whatsoever funds may be necessary to defray extraordinary expenses for recruiting not allowed by the Government, and in every other honorable and disinterested way give their hearty efforts towards raising these regiments of Colored Men *for the war.*

Leaving the whole question of officering these recruits to you, with no suggestions whatever on that head, the undersigned solicit an early answer to this memorial.
