To Boat Owners.

THE undersigned is prepared to lengthen boats now in use, by building a new midship section, either to connect by parts or to build in permanently.

As there is no doubt of the completion of the enlarged locks by the first of May next persons owning good New York Boats, will see the necessity of additional length, as their cargoes will be increased thereby to some 100 or 120 tons.

For further information enquire of the subscriber by mail or otherwise.
