HEADQUARTERS 1ST PENN SYLVANIA CAVALRY—SPECIAL NOTICE.

All officers having authority to recruit for this Regiment will report daily at 10 A. M. and 3 P. M. at Headquarters. By order of
JOS. C. HESS,
1t Colonel Commanding.

THE INVALID CORPS.

BY GENERAL ORDERS No. 105, from the War Department, authority is given for creating a military organization, to be composed of such worthy officers and soldiers as may have become disabled from wounds received in service, or from disease contracted in the line of duty, and to be called the INVALID CORPS.

As it is to be composed of VETERANS who have become more or less crippled in the service of their country, and have produced evidence of *worthiness*, this will be emphatically a CORPS OF HONOR, reckoning among its numbers many of the noblest and most gallant sons of America, brave relics from every battle-field of the war, gathered under the fostering protection of a grateful Government.

It is to be NATIONAL in its character, having no reference to States; hence an applicant, furnishing the necessary qualifications, may be received by any provost marshal appointed under the enrolment act, whether in his own or in another State.

Its officers and men will be designated, as a mark of distinction, by a uniform peculiar to themselves, and their duties will be such home service as they may be capable of performing, thus relieving many thousands of able-bodied troops whose services are needed in the field.

One office has been open for a few weeks, for the enlistment of invalid discharged soldiers, at No 808 Lombard street, Philadelphia. This is now closed, and another opened at No. 2343 South THIRD Street, Philadelphia, adjoining the office of Captain LEIPER, Provost Marshal of the First Congressional District.

A camp has been opened near Harrisburg for the reception of all recruits for invalids from this State, where comfortable quarters are furnished, and the recruits informed, armed, and equipped. The following information concerning this corps is published by the War Department:

"The term of enlistment in the Invalid Corps shall be three years, unless sooner discharged. It is further announced that no officer or soldier can be entitled to or receive any pension, premium, or bounty, for enlistment, or re-enlistment, or service in the Invalid Corps. Claims for pensions, or bounties, which may be due for previous service, will not be invalidated by enlistment in the Invalid Corps; but no pensions can be drawn, or accrue to the benefit of any man, during his service in said corps. The officers and men will be organized into companies of infantry, of the same strength as is now authorized by law for the United States infantry.

"The officers and enlisted men will receive the same pay and allowances now or hereafter allowed by law for the United States infantry, and will be paid in the same manner.

"Men enlisted in, or transferred to, the Invalid Corps will be subject to the Articles of War, Army Regulations, &c., the same as other soldiers, but will be required to perform all duties within the limit of their physical capacity, as laid down in the Rules and Regulations for the Corps; but for the capacity of which they will be selected for three grades of duty. Those who are most efficient and able bodied, will be capable of using the musket and performing guard duty, light marches, &c., &c., will be assigned to companies of the 1st Battalion. Those of the next degree of physical efficiency, including all who have lost a hand or an arm, to the companies of the 2d Battalion. Those who are the least effective, and including all who have lost a foot or a leg, to the companies of the 3d Battalion.

"Companies of the 1st Battalion will be employed mainly as provost guards and garrisons for cities, but may be assigned to forts, field works, and railroads near the cities and other important points. They will be armed with musket and rifle, and will not be liable to active campaigns with the field armies.

"Companies of the 2d Battalion will be armed with side-arms only, and will be employed as guards of buildings, hospitals, &c., and will have companies of the 1st Battalion on duty with them when the use of firearms may be necessary.

"The companies of the 3d Battalion will be armed with side-arms, like the 2d Battalion, and will be employed in hospitals as cooks, nurses, ward masters, clerks, orderlies, &c., &c.; the officers of these companies doing the duties of military assistants at the hospitals."

For further information, discharged soldiers are invited to call at 2343 South THIRD Street, or at the office of any provost marshal acting under authority of the enrolment act. E. W. MATTHEWS,
je25-6t&tu1f Major 1st Penn's Artillery and Supt. S. Invalid Corps for Pa.

COMPANY A, SECOND REGIMENT RESERVE BRIGADE—This Company has been mustered into the service of the United States, along with the rest of the Regiment, and is now under the Department of the Susquehanna during the present emergency. A few RECRUITS will be received, upon application at the Armory, No. 503 CHESTNUT Street, THIS DAY, before 2 o'clock P. M.
1t* S. B. DAVIS, Captain.

TO THE CAPTAINS OF COMPANIES OF VOLUNTEERS, RECRUITING FOR THE PRESENT EMERGENCY.—Having been appointed QUARTERMASTER to the disbursing agency of the CITIZENS' BOUNTY FUND COMMITTEE, of the TEN DOLLARS, for each officer and private from Philadelphia, you will please furnish me with a certified copy of the MUSTER ROLL of your Company as early as possible, so that arrangements may be made to pay the said sum to each man going to Harrisburg under the late call for troops.
