SPECIAL NOTICES.

SCROFULA, CANCER, EPILEPSY, AND ALL Disorders and Diseases originating from a *depraved or impurefect state of the Blood*, are permanently cured by DR. D. JAYNE'S ALTERATIVE. In proof of this thousands of testimonials have been received from persons restored to health by its use, a few of which are here subjoined:

SCROFULA ENTIRELY CURED.

MISS O. A COVELL, of Prattsburg, New York writes:

"About two years ago, a swelling made its appearance on the left side of my neck, which at first we thought to proceed from cold. It increased in size, and became very painful and sore. A physician pronounced it Scrofula, or King's Evil, and for a year various remedies were used to scatter it, but without avail. I commenced taking Dr. D. JAYNE'S ALTERATIVE, which at first made the disease grow worse. It was lanced, and then it became a painful, eating sore, with deep places in it, half a finger deep. I continued to take the Alterative, and used poultices of flaxseed and slippery elm, and in five months from commencing the use of the Alterative the sore was healed, and became entirely well, and has continued so until now—seven months since."

SCROFULA FROM INFANCY.

MR. ENOCH CLEM, of Main Locust, near Scottsville, Missouri, writes:

"My little daughter was, from infancy, afflicted with what my physician termed Scrofula. I tried JAYNE'S ALTERATIVE, which performed a perfect cure, in less than three months."

CANCER ON THE BREAST.

MRS. P. L. BOUTON, of Altona, Louisa county, Iowa, writes:

"I was suffering for two years with a cancer on my breast. The different physicians to whom I had applied advised me to submit to a surgical operation, which I could not summon fortitude enough to undergo. I used four bottles of Dr. D. JAYNE'S ALTERATIVE, which cured me."

CANCEROUS TUMOR.

MR. HENRY H. SMOKE, of Woodland, Barry county, Michigan, writes:

"I had a small tumor near my right shoulder blade for years. Last season this tumor began to enlarge and inflame, troubling me very much. My physician pronounced it a scirrhous tumor. Other physicians had previously called it a cancerous tumor, and advised me to have it cut out, which I refused. By using twelve bottles of Dr. D. JAYNE'S ALTERATIVE, and moistening the tumor night and morning, with a solution of Iodine and hydriodate of potassa, it has disappeared."

EPILEPTIC FITS THOROUGHLY ERADICATED.

MR. ISAAC HERSHEY, of Lincoln, Lancaster county, Pennsylvania, writes, under date of September 11, 1862:

"For two years, my son was troubled with Epileptic Fits, which dreadful affliction continued to grow worse, the fits getting gradually more severe, with shorter intervals between them, notwithstanding constant efforts were made for his relief. A trial was given all medicines which were properly recommended, but with no beneficial result. At length I was handed, by your agent, Mr. S. P. A. Weidman, a copy of your 'Medical Almanac,' and reading there the certificates of cures effected by your medicines, I was induced to give them also, a trial. My son commenced to use your ALTERATIVE, January 29, 1861, and until the 1st of May continuing had taken twelve bottles Alterative, three of Vermifuge, and six boxes of Sanative Pills, the result being all that could be desired. For sixteen months he has been entirely free from the complaint, and, in all thankfulness, I attribute his cure solely to the use of your medicines."

SALT RHEUM ENTIRELY CURED.

Mr. ALFRED STEWART, of Columbus, St. Clair county, Michigan, writes:

"I was for several years afflicted with Salt Rheum. I had applied frequently to physicians for relief, but received but little from their treatment. I was cured by using six bottles of JAYNE'S ALTERATIVE and three boxes Sanative Pills."

TERRIBLE CASE OF DROPSY.

Mr. DAVID BROOKS, of Potter township, Centre county, Pennsylvania, writes:

"I, David Brooks, aged fifty-seven, do certify that I have been terribly afflicted with dropsy. My case was considered hopeless, having been twice tapped, and wishing to undergo the operation again, the doctor refused my consent. Thus I was induced to try your medicines, and eighteen bottles of JAYNE'S ALTERATIVE, and one box of JAYNE'S SANATIVE PILLS, have cured me entirely cured, and am in the enjoyment of good health."

GOITRE FOR MORE THAN TWENTY YEARS.

CATHARINE SHERLER, of Sheshequin, Bradford county, Pa., writes:

"For more than twenty years I have been afflicted with Goitre, or Swelled Neck, and it had increased so much that I was in danger of suffocation. The disease baffled the skill of physicians, and about a year ago I was induced to try your Alterative. In one week the circumference of my neck was reduced three inches. I continued its use for about six months, when I considered myself cured. I have no hesitation in saying that my life has been saved by the use of your medicines."

RESTORED TO PERFECT HEALTH.

Mr. A. S. ADAMS, of Fentonville, Mich., writes, September 10, 1862:

"I feel it my duty to express to you my gratitude for the cure your Alterative and Sanative Pills have wrought on me. I was troubled for a long time with PAINS IN MY BACK, SHOULDERS, AND SIDES, which gave me a great deal of annoyance, and led me to consult several good doctors. Experiencing no relief from their treatment, I was in doubt what to do next, when I accidentally picked up a leaf of your Almanac, and finding my case fully explained therein, was induced to try your ALTERATIVE. I speedily found great benefit from its use, and in a short time was as well and hearty as ever, and I cheerfully recommend it to the public."

The ALTERATIVE is prepared only by Dr. D. JAYNE & SON, 242 CHESTNUT Street. jy9-thsm3t

THE INVALID CORPS.

BY GENERAL ORDERS No. 105, from the War Department, authority is given for creating a military organization, to be composed of such worthy officers and soldiers as may have become disabled from wounds received in service, or from disease contracted in the line of duty, and to be called the INVALID CORPS.

As it is to be composed of VETERANS who have become more or less crippled in the service of their country, and have produced evidence of *worthiness*, this will be emphatically a CORPS OF HONOR, reckoning among its numbers many of the noblest and most gallant men of America, brave relics from every battle-field of the war, gathered under the fostering protection of a grateful Government.

It is to be NATIONAL in its character, having no reference to States; nor to applicant, further than the necessary qualifications, may be received by any provost marshal appointed under the enrolment act, whether in his own or in another State.

Its officers and men will be designated, as a mark of distinction, by a uniform badge, thereon, showing that their duties will be such home service as they may be capable of performing, thus relieving many thousands of able-bodied troops whose services are needed in the field.

One office has been open for a few weeks, for the enlistment of invalid discharged soldiers, at No. 833 Lombard street, Philadelphia. This is now closed, and another opened at No. 243 South THIRD Street, Philadelphia, adjoining the office of Captain LEHMAN, Provost Marshal of the First Congressional District.

A camp has been opened near Harrisburg, for the reception of all recruits for this corps enlisted in this State, where comfortable quarters are furnished, and the recruits uniformed, armed, and equipped. The following information concerning this corps is published by the War Department, viz:

"The term of enlistment in the Invalid Corps shall be three years, unless sooner discharged. It is further announced that no officer or enlisted man shall be entitled to or receive any pension, premium, or bounty, for enlistment or re-enlistment, or service in the Invalid Corps. Claims for pensions or bounties, which may be due for previous service, will not be invalidated by enlistment in the Invalid Corps; but no pensions can be drawn, or accrue to the benefit of any man, during his service in said corps. The officers and men will be organized into companies of infantry, of the same strength as is now authorized by law for the United States infantry.

"The officers and enlisted men will receive the same pay and allowances now authorized by law for the United States infantry, and will be paid in the same manner.

"Men enlisted in, or transferred to, the Invalid Corps will be subject to the Articles of War, Army Regulations, &c., the same as other soldiers, and will be required to perform all duties within the limit of their physical capacity, as laid down in the Rules and Regulations for that corps; but for the convenience of service they will be selected for three grades of duty. Those who are most efficient and able bodied, capable of using the musket and performing guard duty, light marches, &c., &c., will be assigned to companies of the 1st Battalion. Those of the next degree of physical efficiency, including all who have lost a hand or an arm, to the companies of the 2d Battalion. Those who are the least effective, and including all who have lost a foot or a leg, to the companies of the 3d Battalion.

"Companies of the 1st Battalion will be employed mainly as provost guards and garrisons for cities, but may be assigned to forts, field works, and railroads near the cities and other important points. They will be armed with rifles or muskets, and will not be liable to active campaigns with the field armies.

"Companies of the 2d Battalion will be armed with side-arms only, and will be employed as guards of buildings, hospitals, &c., and will have companies of the 1st Battalion on duty with them when the use of firearms may be necessary.

"The companies of the 3d Battalion will be armed with side-arms, like the 2d Battalion, and will be employed in hospitals as cooks, nurses, ward masters, clerks, orderlies, &c., &c.; the officers of these companies doing the duties of military assistants at the hospitals."

For further information, discharged soldiers are invited to call at 243 South THIRD Street, or at the office of any provost marshal acting under authority of the enrolment act. E. M. MATTHEWS,
Major 1st Penn's Art
