The Coal Trade for 1846.

The quantity sent this week is 27,419 13 tons, showing a diminution since last week of 920 tons, and a falling off since the reduction of the Tariff of nearly 10,000 tons in the weekly supply. This certainly does not look like the increased activity in the coal trade since the passage of the British Bill, which was predicted would take place by the writers in the Philada. Ledger.

Some of our largest White Ash Collieries continue in a state of suspension, and others have found it necessary to curtail at present. The wharves at Richmond are stocked with coal, a large portion of which is unsold, and vessels are very scarce for Eastern ports at present, owing to adverse winds and other difficulties. For Red Ash Coal there is a fair demand—and some kinds of prepared White Ash finds a market. Lump Coal is dull.

Vessels are scarce, and freights have advanced to Eastern ports. The prices are irregular and quotations are not to be relied on

A NATURAL REMEDY,

Suited to the Human Constitution, and equal to the cure of every curable disease, will be found in

WRIGHT'S INDIAN VEGETABLE PILLS,

Of the North American College of Health.

THESE extraordinary Pills are composed of plants which grow spontaneously on our own soil, and are, therefore, better adapted to our constitutions than Medicines concocted from foreign drugs, however well they may be compounded; and as WRIGHT'S INDIAN VEGETABLE PILLS are founded upon the principle that the human body is in truth

SUBJECT TO BUT ONE DISEASE,

namely, corrupt humors, and that said Medicine cures this disease on natural principles, by cleansing and purifying the body, it will be manifest that, if the constitution be not entirely exhausted, a perseverance in their use, according to directions, is absolutely certain to drive disease of every name from the body.

When we wish to restore a swamp or morass to fertility, we drain it of the superabundant water. In like manner, if we wish to restore the body to health, we must cleanse it of impurity.

WRIGHT'S INDIAN VEGETABLE PILLS, will be found one of the best, if not the very best medicine in the world for carrying out this GRAND PURIFYING PRINCIPLE, because they expel from the body all morbid and corrupt humor, the cause of the disease, in an easy and natural manner; and while they every day give ease and pleasure, disease of every name is rapidly driven from the body.

The following highly respectable storekeepers, have been appointed Agents for the sale of WRIGHT'S INDIAN VEGETABLE PILLS, in Schuylkill County:—
