LOYT'S HIAWATHA HAIR RESTORATIVE.

Longfellow's Poem Hiawatha was adjudged to have rendered the greatest boon on his tribe because he gave it its native curls. Everyone will admit that a preparation is worthy of the name, for the benefits others when it is known.

WHAT THE HIAWATHA DOES.

Restores faded and gray hair and whiskers to their natural color. It brings up the natural shading of one fifth another, thus giving the hair a perfect life appearance, so that the most critical observer cannot detect the use. It makes harsh hair soft and silky, stops its falling out, cleanses it and the scalp from all impurities, and readily applied and wiped from the skin as any hair dressing, and entirely overcomes the bad effects of previous use of preparations containing sulphur, sugar of lead, &c.

The proprietors of the Hiawatha published the following challenge to test in the New York dailies therefor, which

WAS NEVER ACCEPTED:

"To any well known and disinterested persons appointed by the proprietor of such preparation for the purpose, we will bring up the color. Every proprietor is willing to do so, but his own preparation, and the person nothing during the test. A certificate of the result to be published at the expense of the unsuccessful competitor. OBITUARY.

[illegible]IBLEY.—On the 20th of February, A. D. 1864, in the 70th year of his age, at Cinatee, Florida, in battle, while leading his command, Colonel Charles W. Fribley, of the 8th U. S. Colored Troops.
Born and educated in Pennsylvania, he entered the 1st Regiment Pennsylvania Volunteers, as a sergeant, and by rose to a lieutenancy, was made adjutant to Colonel Bowman, and subsequently his assistant adjutant general, when in command of the 2d Brigade of the 1st Division of the 3d Corps.
With great administrative capacity, he was not less conspicuous for his courage, and distinguished himself at the second battle of Bull Run, at Fredericksburg, and Chancellorville. Sub-quently desiring to serve in the colored regiments, he received permission to appear before the Examining Board, where he displayed so much skill and proficiency that he was at once recommended for a colonelcy, a grade far above his expectations, and appointed to the command of the 8th Regiment U. S. Colored Troops, then forming in this State. In the organization, instruction, and discipline of this regiment he exhibited the same rare qualities which had gained him such rapid promotion, and it may be, in truth, affirmed that few regiments in any branch of our military service have been put into the field more thoroughly trained and fitted for the duties of the soldier.
All accounts represent Colonel Fribley and his brave soldiers as having exhibited high courage and discipline in the battle in which he and so many of them fell.
It is known that in seeking a command of colored troops he was actuated by the desire of aiding in the emancipation of an oppressed race, and of fighting the battles of freedom, as well as of Constitutional Government. His blood has been poured out, with that of his black compatriots, upon a rebellious soil. They rest together in a common grave. And when, hereafter, a free nation shall gather the commingled dust of these her brave defenders, no name shall be more honored than that of the gallant young soldier who believed that the cause of his country was the cause of Human Rights.
At a meeting of the Philadelphia Supervisory Committee for recruiting colored troops it was unanimously
Resolved, That the foregoing Obituary of the late Colonel CHARLES W. FRIBLEY be inscribed upon the minutes of the Supervisory Committee for Colored Regiments, be published in such of the newspapers in this city and Lycoming county, Pa., as the Chairman shall designate, and be furnished to the colonel commanding at Camp William Penn, with a request that it be read to the colored regiments now in camp.
Resolved, That copies of these proceedings be transmitted to the wife and parents of the late Colonel Fribley as an expression of the heartfelt sympathy of the members of this Committee with them in their bereavement.

THE GETTYSBURG BATTLE FIELD MEMORIAL.

AN APPEAL

TO LOYAL PENNSYLVANIANS.

The "GETTYSBURG BATTLE-FIELD MEMORIAL ASSOCIATION" was instituted for the purpose of securing forever the principal points upon the great battle-field of the war, in the exact condition in which they were left in July, 1863, when the rebel hordes of the invader LEE were driven back from the free soil of Pennsylvania, and when the the gallant soldiers of General MEADE remained in possession of the field which they had won by their valor. The Association have already secured the purchase of CEMETERY HILL, CULP'S HILL, GRANITE SPUR, and ROUND TOP, with the entrenchments thrown up just upon the eve of the great conflict which was the turning point in the career of the rebellion. The field, with its redoubts, wonderful stone defences, its timber breast-works, its forest heights, with the trees torn by shells and countless bullets, and its long lines of earthwork defences, have all been preserved intact, and to so continue to preserve them, as to be a monument forever of the greatest of American battle-fields; is the object of the formation of the Association. To enable a large number of persons to join in this patriotic work, the projectors of the plan placed the subscriptions at ten dollars each. The payment of this sum MAKES EACH SUBSCRIBER A MEMBER OF THE ASSOCIATION, AND PART OWNER OF THE GLORIOUS FIELD OF GETTYSBURG.
What Loyal and Patriotic Citizen of Pennsylvania would not gladly embrace the privilege of recording his name upon this roll of honor, and of linking himself directly with the field where the lofty heroism of his countrymen vindicated the integrity of the Union and the principles of Freedom? And who would not desire to hand down as a precious heir-loom to his children the evidence of his part in the good work, bearing, as the certificate will, a view of the field which will rank in history with THERMOPYLÆ, MARATHON, and WATERLOO?
There are no salaried officers in this Association, nor are there any objects in view in its creation other than those already stated. The grounds were purchased from their original owners at the exact price to be paid for them by the Association, and the points selected, and the prices to be paid for them, met the unqualified approval of a committee of the HISTORICAL SOCIETY OF PENNSYLVANIA, appointed for the purpose of visiting the field.
The following are the names of the general officers of the Association, and of the Local Committee in Philadelphia:

OFFICERS.

Hon. JOSEPH R. INGERSOLL, Chairman Provisional Committee.
