A Desperado Shot Down.

CHARLESTON, S. C., May 15.—A special dispatch to the News and Courier from Cheraw says W. Bogan Cash, the fugitive murderer of Town Marshal Richards, was killed this morning about 4.30 o'clock while resisting arrest.

Danville Again. ANOTHER ROW THAT WILL PROBABLY CAUSE TROUBLE. RICHMOND, Va., May 19.—The following message from the mayor of Danville has been received at the executive mansion: "Four white men attacked Geo. Adams, colored, to-day and beat him so that he will probably die. This I believe to be the beginning of trouble here, which may cause much bloodshed, unless troops, at least a regiment, be sent here at once to preserve the peace. Please answer by telegraph." Governor Cameron is absent from the city but is expected home to-night. Nothing will be done until he returns.

township near Penna. Furnace, where he became acquainted with and married Miss Catharine Rhodes. The result of this union was seven children, four having died when quite young. His eldest son Gilbert, when our country called for help during the rebellion, responded to the call. He served out his time of enlistment and was honorably discharged, but died soon afterwards from disease contracted while in service. Thus from a once numerous family but two children survive, one daughter unmarried, and our fellow townsman, Mr. Samuel Dunlap. On him will fall the mantle of his father to support his bereaved mother. The remains of the deceased were interred in the Pine Grove cemetery on Sabbath afternoon at 4 o'clock, the 11th inst. The funeral services were conducted by Rev. Elliot of the M. E. church. The theme of his remarks are found in Job, 14th chapter and 14th verse, after which he paid a brief tribute to the departed. When we say farewell, husband, father and brother. W \*\*

EDITORIAL EXCURSION.—Several of the officers and members of the State Editorial Association—Mr. Thomas, the Secretary, of the Mechanicsburg Journal, Mr. Hensel, of the Lancaster Intelligencer, Mr. Rambo, of the Columbia Courier, Mr. Wagner, of the Shippensburg News, and Mr. Stofor, of the Middletown Journal—were here on Thursday and made arrangements for the annual excursion, which is to be to Gettysburg on the 17th of June and remain several days. The company will rendezvous at Harrisburg on Monday night; next morning a special train will take them to the Indian School at Carlisle, then to Pine Grove Park, and in the evening to Gettysburg; Wednesday morning by rail to Round-Top; Thursday morning to the Cemetery and Turley's Hill; Wednesday evening an address in the Court-house by Mr. W. U. Hensel and an original poem by Mr. Eugene H. Munday; Thursday evening a "hop" at the Springs Hotel; and Friday morning "homeward bound." The company may reach three hundred, and it is hoped the visit will prove pleasant to all—to the town's people as well as to the editorial people.—Gettysburg Compiler.

—About three thousand persons were at the Industrial hall in Philadelphia on Monday evening, May 19th, to witness the soft glove contest between Mike Cleary and William Sheriff, better known as "the Prussian." The fight was of short duration, Sheriff being knocked out of time in one minute and five seconds. Cleary's third or fourth blow in the first round felled Sheriff to the stage, and although he three times regained his feet he each time fell again through weakness, and not recovering at the end of ten seconds Cleary was declared the winner.

The "Prairie Farmer" Booming. The Old Friends of The Prairie Farmer and many farmers all over the West, and East, too, will be glad to learn of the good fortune that has come to this time-honored Journal, which for nearly half a century (43 years) has been doing good service to and for the agricultural interests of our country. The number of May 2d announces that, henceforth, The Prairie Farmer will be under the Editorial Direction and Business Management of Mr. Orange Judd, who, after more than a quarter century of service at the head of the American Agriculturist, has left his former field to other hands, and removed to near Chicago, a thousand miles nearer to hundreds of thousands of his older enterprising readers who have preceded him to the West. The number before us gives evidence of the vigor and experience he brings to his new field of work. All who want specimens of the papers as it is, and is to be, and to enjoy its advantages, can have The Prairie Farmer weekly, from May 1st, up to 1885, by sending a single dollar to Prairie Farmer Publishing Company, 150 Monroe St., Chicago, Ill.

The Brisbin Relief Fund. We learn that Bellefonte gave over five hundred dollars for the relief of the Brisbin sufferers. This is more than Lock Haven gave by over three hundred dollars, but it does not follow from this fact that our people are uncharitable. No one who knows them will accuse them of being so. The fact is Mayor Jeffries was under the weather and unable to leave the house when the dispatch asking for aid was received and being the proper officer to attend to such matters it was, of course, not very energetically taken hold of by others. Then, too, the Court house meetings were poorly advertised and hence poorly attended.—Clinton Democrat. Bellefonte can't hold a candle to Lock Haven when it comes to base ball matters or a race course or something like that, but for real genuine charity, we can knock our sister city out of time by a large majority. —Pure maplesugar, at Harper & Weakly's. —GREAT REDUCTION in Bartruff's celebrated Dexter Queen baggies. Additional Local. (Continued.) OBITUARY.—Once more we are called upon to chronicle death's doings in our midst. Mr. John Dunlap, a highly esteemed and much respected citizen of Pine Grove Mills, after some months of suffering with cancer of the stomach, died at his home on Friday morning, May 9th, 1884, at the age of 63 years.

CANCER CURED.

No disease has so thoroughly baffled the skill of the medical profession as cancerous affections and as they have always been considered incurable, it has been thought desirable to adopt their treatment as a specialty; and hence physicians have neglected their proper study. But of late years new and important discoveries have brought forth a course that now proves successful in any of its forms, with certainty, without the use of the knife or caustic plasters. We have a treatment that is comparatively mild. It is not poisonous, does not interfere with the healthy flesh, can be applied to any part of the body, even the tongue. We take nothing for our services until the cancer is cured. Address: D. J. HULBERT, Eagleville, Centre Co., Pa.
