SPECIAL NOTICES.

THE GIFT TO MRS. GENERAL MEADE.
BY THE BARD OF TOWER HALL.

A noble gratitude did move
Our citizens, of favored lot,
When they to gallant Meade would prove
That Gettysburg was not forgot.
Upon the soil which he did save
From the ravages of rebel hate,
A mansion, well adorned, they gave
Unto the hero's gentle mate.

May Meade himself there come to dwell,
Through peaceful years, when strife is done,
And often of our conflicts tell,
And how the prize, at last, we won.
That house a priceless legacy
Shall be to those who bear his name,
For aye a monument 'twill be
Of their renowned forefather's fame.

And, *apropos* of this, I'll say,
Parents and guardians, unto you,
You should your sons and wards array
In well-made clothing, neat and new.
Whether the lad be yet a child,
Or grown to manly stature tall,
You'll find he fitting garments piled
In vast amount, at Tower Hall.

The *largest* and *best* assortment of Clothing in Philadelphia always on hand, which is kept full and fresh by large daily additions. TOWER HALL,

READ THIS CERTIFICATE.

I am happy to add my testimony to the great value of the "London Hair Color Restorer," which restored my hair to its original dark color, and the hue appears to be permanent. I am satisfied that the preparation is nothing like a dye, but operates upon the secretions. It is also a beautiful hair dressing, and promotes the growth. I purchased the first bottle from Edward B. Garrigues, Druggist, Tenth and Coates streets, who can also testify my hair was very gray when I commenced its use. No. 730 North Ninth street, Philada.

Such testimony is daily received from all sections of the country. One bottle will satisfy any one that it is entirely different and vastly superior to all other hair preparations. Price, 75 cents; a the half dozen. Sold by Dr. SWAYNE & SON, 330 N. SIXTH Street. It

G——1863——B.
NEW YORK, April 18, 1864.
We respectfully invite your attention to and consideration of the justly celebrated and reliable remedy for Dyspepsia, Heartburn, Debility, and Prostration. The proprietors are proud to acknowledge the unmeasured success which has attended the sale of their valuable preparation, known in nearly every portion of the civilized world as the "GOLDEN BITTERS."
We risk nothing when we tender our *valuable preparation*, for they are one of the few articles of the present day which are not a humbug; and we are willing and able to satisfy any person or persons who will call upon us, that the celebrated "Golden Bitters" are a genuine, *bona fide hygienic* article. It is the wish of the proprietors that the virtue of the article be tested before condemning. A decision of their merits by any one who has tried them is worth a million of purchased bogus testimonials. For creating a healthy APPETITE they are invaluable, and are conveniently a TONIC. They are mild in their action, and operate in giving *vigor* and *strength* to the system—not by any change they produce in the solids, but through the medium of the living principle. They are purely VEGETABLE, being composed of Gentian Root, Calamus, Sassafras, and many other remedial agents of the Vegetable world, all preserved in Jamaica Rum and Sherry Wine.
AS A BEVERAGE
they are the most *wholesome*, *tasteful*, *invigorating*, and *palatable* stimulant ever offered to the public. And the fact of their being prepared chemically and scientifically precludes the possibility of a bitter, unpleasant taste, common to Bitters generally offered for sale. We especially recommend them to LADIES, and particularly to those suffering from Debility, Weakness, and Prostration. Half a wine glass of these "Bitters" three or four times a day will produce a remarkable healthy change in persons greatly debilitated. The "Golden Bitters" have been tried and not found wanting. They are put up in our own *patent* quart bottles, and for sale by Druggists, Grocers, &c., throughout the world. Each bottle bears a *fac simile* of the signature of Hubbel & Co. GEO. C. HOYT'S HIAWATHA HAIR RESTORATIVE.
HOYT'S HIAWATHA HAIR RESTORATIVE.

In Longfellow's Poem Hiawatha was adjudged to have conferred the greatest boon on his tribe because he brought to its notice corn. Every one will admit that our preparation is worthy of its name, for the benefits it confers when it is known.
WHAT THE HIAWATHA DOES.
It restores faded and gray hair and whiskers to their original color. It brings up the natural shading of one hair with another, thus giving the hair a perfect life appearance, so that the most critical observer cannot detect its use. It makes harsh hair soft and silky, stops its falling out, cleanses it and the scalp from all impurities, is as readily applied and wiped from the skin as any hair dressing, and entirely overcomes the bad effects of previous use of preparations containing sulphur, sugar of lead, &c.
The proprietors of the Hiawatha published the following challenge to test in the New York dailies three weeks, which
WAS NEVER ACCEPTED:
Let some well known and disinterested persons appoint one to the proprietor of each preparation for the hair to bring up the color. Every proprietor to use nothing but his own preparation, and the person nothing also during the test. A certificate of the result to be widely published at the expense of the unsuccessful competitors. SOLD everywhere.
