Exemption certificates are now ready (price $10), and may be had of any of the collecting committee; also, of the committee at the Lieutenant's room, in SPRING GARDEN HALL, who will be at their rooms every evening except Saturday. It has been decided that the whole fund thus raised shall be divided pro rata amongst each of the drafted men, so far as may be drafted should we fail to get the Ward. THE FINAL CAMPAIGN.—ALL the signs of the times combine to show that the struggle is the final campaign against the great rebellion. The success of our armies and navies, the spirit of our soldiers, the opinions of our officers, the divisions, demoralization, and financial difficulties of the enemy, assure us that the triumph of justice, liberty, and peace is at hand. Every energy should now be directed to prepare our armies for the last desperate struggle for the rebellion to die, as it has lived, in blood. Especially should all those noble patriots who shall be called to offer their lives on the altar of liberty, be prepared, so far as we can prepare them, for this solemn service, by Christian instruction and earnest prayer. And when they fall, let every soldier's grave be a monument of Christ and of country and God's word be read and be their relief, nor should any soldier be allowed to die without having the hope of eternal life through our Lord Jesus Christ presented to him, and without prayer to God for mercy in his name. This is only the delegate of the Christian Commission to perform.

In one hundred and forty chapel tents our soldiers now assemble daily to read the publications furnished by the Commission, or to write letters to loved ones at home, and every night in the week, and three times on the Sabbath, most of them being crowded with earnest worshippers, many of whom rise to ask prayer, and profess their design to lead Christian lives. Sixty additional tents are urgently demanded. The leading preachers from our cities are offering their services, and with one voice attest the presence of the spirit of God in these assemblies.

The saving campaign has already opened. The delegates of the Commission are even now nursing the wounded from Dabney's Mill and Hatcher's Run; and any moment we must be prepared for a general engagement, and an outlay of a hundred thousand dollars in battle field stores.

In this emergency *the treasury is empty.* The Christian Commission has no funds in bank, no investments of capital. Its only reliance has ever been faith in God, and in God's people. This is God's work. He will provide means for it. Every Christian is his agent. To all we now appeal for immediate help.

In every returned soldier we now appoint and address meetings in his own locality, tell what he has seen and heard in the army, and receive and forward the offerings of Christian patriotism!

The Ladies' Aid Societies and Christian Commissions we confidently appeal, that they unite with us in not soliciting individual subscriptions from their friends, and, without waiting to make up large sums, forward them as fast as received. If any information is desired, write to 11 BANK Street, Philadelphia. Father, wife, would you wish your loved one to die on a field, without any to receive his last message for home, or to kneel beside him and offer a prayer for his departing soul?

Will ministers unite in holding Christian Commission meetings at their respective towns, without waiting for the visits of agents, and allow every member of their congregations the privilege of contributing to this noble work?

Forward the amount as soon as possible to the most convenient B and O of the Christian Commission, or to the Treasurer, Mr. JOSEPH PATTERSON, at the Eastern Bank, Philadelphia.

GEORGE H. STUART, Chairman Christian Commission, 11 BANK street, Philadelphia. fe15-wfm3t

OIL COMPANIES.

THE CAMERON PETROLEUM CO. OF PENNSYLVANIA. CAPITAL ..... $1,000,000. SHARES ..... 200,000. PAR VALUE ..... $5.00. SUBSCRIPTION PRICE ..... $3.50. PRESIDENT, VANCE STEWART, OF MERCER COUNTY, PA. TREASURER, E. G. JAMES, OF PHILADELPHIA. SECRETARY, J. L. DARLINGTON, WEST CHESTER, PA. DIRECTORS, VANCE STEWART, Mercer county, Pa. JOHN E. LEONARD, West Chester, Pa. D. C. WORTHINGTON, Washington, D. C. HENRY D. COOKE, Washington, D. C. SIMON CAMERON, Harrisburg, Pa. JOHN H. DIEHL, Philadelphia. JOHN F. GRAFF, Philadelphia. GEORGE O. EVANS, Philadelphia. JAMES DUFFY, Marietta, Lancaster co., Pa. The present and prospective value of the stock of this Company may be inferred from the fact that it owns a fee simple interest in 475 (four hundred and seventy-three) acres of the richest-tested oil territory in Venango county, believed by the most experienced oil men in that region to be capable of producing a net annual income to the Company of one and a half million dollars, or three times the entire cost of the stock, which would be equivalent to twenty-five per cent. a month on its subscription price, or *one hundred and fifty per cent. per annum on its par value.* The following is a description of the Company's property: One-fourth fee simple interest in the celebrated "Hoover" Farm, situate on the Allegheny river, about two and one-half miles below Franklin, containing 202 (two hundred and ninety-two) acres, with 52 rods (or one-fourth one mile) front on the Allegheny river, on which there are now twelve leases, each ten rods square, and from which the owners of the fee simple get one half the oil, free of all expense. Besides this, there are two new leases on the owners of the fee, from which they get all the oil. On this Farm there are now ten wells in operation, producing an average of ten barrels per day, and several others are about being tubed. There are also on it 187 (eighty-seven) more lots surveyed, and many more applications are now standing to lease the latter for one-half the oil to the owners. Out of the twelve wells on this Farm *eleven* are now paying handsomely; a fact which sufficiently demonstrates the great richness and reliability of the territory. No. 2 Is the *entire fee simple* interest in 181 (one hundred and eighty-one) acres, situate on the Allegheny river, nearly opposite the "Hoover" Farm, and a little nearer Franklin, at the mouth of Mill Run, having a front of 56 rods on the Allegheny river, and running back on both sides of Mill Run, with ample boring surface for *one hundred wells*, or Lots of ten rods square. This tract is known as the "Stewart Farm," and is clear of all leases or incumbrances of any kind. There are now in operation a forty-barrel well (beside several smaller ones) on the Cochran Farm, which adjoins this on the south. In fact, the "Stewart" Farm is *surrounded* with good-paying wells, and within a short time a single lease of 50 rods front, on the immediate opposite side of the river, sold for $185,000 (one hundred and sixty-five thousand dollars.) On this lease a good well has been struck within a few days. In addition to the territory of the "Stewart" Farm, which is twenty-five dollars to be finally so being drafted. Come, you who have business and social ties so urgent that you cannot go yourselves, and give to those who can and will go to your stead. Meeting will be held every night until our quota is full or the draft takes place. THOS. W. MARCHMENT, President. THOS. A. FAHY, Secretary. fe15 3t*

FINANCIAL.

U. S. SEVEN-THIRTY LOAN. By authority of the Secretary of the Treasury, the undersigned has assumed the General Subscription Agency for the sale of United States Treasury Notes bearing seven and three-tenths per cent. interest per annum, known as the SEVEN-THIRTY LOAN. These Notes are issued under date of August 15, 1864, and are payable three years from that time, in currency, or are convertible at the option of the holder into U. S. 5-20 SIX PER CENT. GOLD-BEARING BONDS. These Bonds are now worth a premium of nine per cent., including gold interest from November, which makes the actual profit on the 7-30 Loan, at current rates, including interest, about ten per cent. per annum, besides its *exemption from State and municipal taxation, which adds from one to three per cent. more,* according to the rate levied on other property. The interest is payable semi-annually by coupons attached to each note, which may be cut off and sold to any bank or banker. The interest amounts to One cent per day on a $50 note. Two cents per day on a $100 note. Ten cents per day on a $500 note. Twenty cents per day on a $1,000 note. One Dollar per day on a $5,000 note. Notes of all the denominations named will be promptly furnished upon receipt of subscriptions. This is THE ONLY LOAN IN MARKET now offered by the Government, and it is confidently expected that its superior advantages will make it the GREAT POPULAR LOAN OF THE PEOPLE. Less than $200,000,000 remain unsold, which will probably be disposed of within the next sixty or ninety days, when the notes will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions of other Loans. In order that citizens of every town and section of the country may be afforded facilities for taking the Loan, the National Banks, State Banks, and Private Bankers throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only are to be responsible for the delivery of the notes for which they receive orders.
