THE NATION,

A WEEKLY JOURNAL

OF

Politics, Literature, Science, and Art,

WILL BE PUBLISHED IN NEW YORK,

JULY 6, 1865.

Its main objects will be—

First. The maintenance and diffusion of true democratic principles in society and Government, and the advocacy and illustration of whatever in legislation or in manners seems likely to promote a more equal distribution of the fruits of progress and civilization.

Second. A more careful, accurate, and moderate discussion of the topics of the day, and, above all, of legal, sociological, and constitutional questions, than is possible in the daily press.

Third. Sound and impartial criticism of books and works of art.

Fourth. The earnest and persistent consideration of the condition of the colored race in the South, with a view to the removal of all artificial distinctions between them and the rest of the population, and the bestowal on them, as far as education, security, and justice can do it, of an equal chance in the race of life.

Fifth. The enforcement and illustration of the doctrine, that the whole community has the strongest interest, both moral, political, and material, in their elevation, and that there can be no real stability for the republic so long as they constitute, as at present, a large, ignorant, and degraded class.

Sixth. The collection and diffusion of trustworthy information, as to the condition and prospects of the Southern States, the openings they offer to capital, the supply and kind of labor which can be obtained in them, and the progress made by the colored population in acquiring the habits and desires of civilized life.

WHY INJURE THE COMPLEXION BY POWDERS AND WASHES which choke or fill up the pores of the skin, and in a short time leave it harsh and dry? It is in the blood, and if you want a smooth and soft skin use HELMBOLD'S EXTRACT OF SARSAPARILLA. It gives a brilliancy to the complexion.

A CLEAN, SMOOTH SKIN AND BEAUTIFUL COMPLEXION follows the use of HELMBOLD'S CONCENTRATED FLUID EXTRACT SARSAPARILLA. It removes black spots, pimples and all eruptions of the skin.

NOT A FEW OF THE WORST DISORDERS that afflict mankind arise from corruptions of the blood. HELMBOLD'S EXTRACT OF SARSAPARILLA is a remedy of the utmost value.

TO PURIFY, ENRICH THE BLOOD, AND BEAUTIFY the complexion, use HELMBOLD'S HIGHLY CONCENTRATED FLUID EXTRACT SARSAPARILLA. One bottle equals in strength one gallon of the Syrup or Decoction.

HELMBOLD'S CONCENTRATED EXTRACT BUCHU *is the great Diuretic.* HELMBOLD'S CONCENTRATED EXTRACT SARSAPARILLA *is the Great Blood Purifier.* Both are prepared according to rules of Pharmacy and Chemistry, and are the most active that can be made.

A THING OF BEAUTY IS A JOY FOREVER.—Those who desire brilliancy of complexion, must purify and enrich the blood, which HELMBOLD'S CONCENTRATED EXTRACT SARSAPARILLA invariably does. Recollect it is no patent medicine. Ask for Helmbold's. Take no other. mh1-wf3m

A HINT TO BOTH SEXES—HOW TO GAIN AND RETAIN AFFECTION.—It has frequently been suggested that PLANTATION BITTERS are, in another form, the "Elixir of Love" of the Arabians. That they do much to quiet "family jars," and reconcile fretful wives to cross husbands, we verily believe. When domestic quiet is restored, and connubial felicity reigns supreme,

"How great the charm, how sweet the bliss,
That finds expression in a kiss!"

A free and proper use of PLANTATION BITTERS will inspire the sonic of both sexes with pure and high-toned sentiments of affection, and a capacity for rare and exquisite enjoyment in each other's society. Remember, there is no place like home and no passion like love—and nothing to link the two together and you to both like the great family blessing, PLANTATION BITTERS.

A CARD.

UNION VOLUNTEER REFRESHMENT SALOON,

FOOT OF WASHINGTON AVENUE.

Shall our brave soldiers be well entertained on their return? It is for the citizens of Philadelphia to decide.

It will be four years, on the ensuing 27th of May, since the Union Volunteer Refreshment Committee was organized, and if the institution is closed on that day, the amount of cash on hand will no more than meet our obligations. The war has been vigorously ended, yet our Braves who have so nobly and valiantly defended our freedoms and country are about to return to their homes. Shall we receive and refresh them and show by our hospitality and kindness that their services are fully appreciated by the grateful citizens of Philadelphia and vicinity? The Committee will, with great pleasure, continue their voluntary duties, should the funds be furnished, and they hope this will be a final appeal.

Contributions handed our committee, or either of the following gentlemen, will reach us, and be properly appropriated:

Rev. Dr. THOMAS BRAINERD, Nos. 634 Pine street.
THOMAS ROBINS, Esq., President of Philadelphia Bank.
D. B. CUMMING, Esq., President Girard Bank.
S. A. MERRIFIELD, Esq., President Farmers' and Mechanics' Bank.
J. B. AUSTIN, Esq., President Southwark Bank.
M. W. WOODWARD, Esq., Cashier Manufacturers' and Mechanics' Bank.
THOMAS T. FIRTH, Esq., Treasurer Pennsylvania Railroad.
JAMES C. HAND & CO., corner Market and Decatur streets.
SAMUEL B. FALES, Esq., No. 707 Vine street.

UNITED STATES

7-30 LOAN.

THIRD SERIES.

$200,000,000.

By authority of the Secretary of the Treasury, the undersigned, the General Subscription Agent for the sale of United States Securities, offers to the public the third series of Treasury Notes, bearing seven and three-tenths per cent. interest per annum, known as the

SEVEN-THIRTY LOAN.

These Notes are issued under date of July 15, 1865, and are payable three years from that date in currency, or are convertible at the option of the holder into

U. S. 5-20 SIX PER CENT.

GOLD-BEARING BONDS.

These Bonds are new worth a handsome premium, and are exempt, as are all the Government Bonds, *from State, County, and Municipal taxation, which adds from one to three per cent. more to their value,* according to the rate levied upon other property. The interest is payable semi-annually by coupons attached to each note, which may be cut off and sold to any bank or banker.

The interest at 7 30 per cent. amounts to

One cent per day on a $50 note.
Two cents per day on a $100 note.
Ten cents per day on a $500 note.
Twenty cents per day on a $1,000 note.
One Dollar per day on a $5,000 note.

Notes of all the denominations named will be promptly furnished upon receipt of subscriptions.

The notes of this Third Series are precisely similar in form and privileges to the Seven-Thirties authorized, except that the Government reserves to itself the option of paying interest in gold coin at 6 per cent. instead of 7 3-10ths in currency. Subscribers will obtain the interest in currency up to July 15th, at the time when they subscribe.

The delivery of the notes of this Third Series of the Seven-Thirties will commence on the 1st of June, and will be made promptly and continuously after that date.

The slight change made in the conditions of this THIRD SERIES affects only the matter of interest. The payment in gold, if made, will be equivalent to the currency interest of the higher rate.

The return to specie payments, in the event of which only will the option to pay interest in gold be availed of, would so reduce and equalize prices as that purchases made with the seven per cent. in gold would be full equal to those made with seven and three-tenths per cent. in currency. This is

THE ONLY LOAN IN MARKET

now offered by the Government, and its superior advantages make it the

GREAT POPULAR LOAN OF THE PEOPLE.

Less than $230,000,000 of the Loan authorized by Congress are now in the market. This amount, at the rate at which it is being absorbed, will all be subscribed for within sixty days, when the notes will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other Loans.

In order that citizens of every town and section of the country may be afforded facilities for taking the Loan, the National Banks, State Banks, and Private Bankers throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only are to be responsible for the delivery of the notes for which they receive orders.
