SPECIAL NOTICES.

TO GENERAL GRANT.

BY THE BARD OF TOWER HALL.

Full many strife to be immortal,
Like to the famous names of yore;
Yet, passing through Death's iron portal,
Are heard and spoken of no more.
But if there e'er was sure renown,
'Tis thou, brave Grant, hast won the prize,
For shall thy star of fame go down
Till hist'ry's self forgotten lies?

Proud thought! And proud are we to know
Thou will in this our city dwell,
And that thy very home shall show
That valor here is honored well.
Then we dispose the mouldy tale
Oft told by foes of Liberty,
For our Republic does not fail
Her great defender's dues to see.

No fitter spot, in all our lands,
Is there for loyal valor's home;
For Independence Hall here stands,
With Freedom's halo round its dome.
Upon our fertile soil is raised
All things that man can needful call,
And clothes, by high and low be-praised,
Always abound at TOWER HALL!

All kinds, styles, and sizes of clothing, men's, youths' and boys', all grades, from medium to superfine. Although our sales are large and wide, we have full and complete assortment, new and fashionable, which is being replenished daily. Our prices, being based upon the *lowest market rates* of the season, are *lower than the lowest elsewhere.* An examination invited.

THE NATION,

A WEEKLY JOURNAL

Politics, Literature, Science, and Art,

WILL BE PUBLISHED IN NEW YORK,

JULY 6, 1865.

Its main objects will be—

First. The maintenance and diffusion of true democratic principles in society and Government, and the advocacy and illustration of whatever in legislation or in manners *seems* likely to promote a more equal distribution of the fruits of progress and civilization.

Second. A more careful, accurate, and moderate discussion of the topics of the day, and, above all, of legal, economical, and constitutional questions, than is possible in the daily press.

Third. Sound and impartial criticism of books and works of art.

Fourth. The earnest and persistent consideration of the condition of the colored race at the South, with a view to the removal of all artificial distinctions between them and the rest of the population, and the bestowal on them, as fast as education, security, and justice can do it, of an equal chance in the race of life.

Fifth. The enforcement and illustration of the doctrine, that the whole community has the strongest interest, both moral, political, and material, in their elevation, and that there can be no real stability for the republic so long as they constitute, as at present, a large, ignorant, and degraded class.

Sixth. The collection and diffusion of trustworthy information, as to the condition and prospects of the Southern States, the openings they offer to capital, the supply and kind of labor which can be obtained in them, and the progress made by the colored population in acquiring the habits and desires of civilized life.

A HINT TO BOTH SEXES—HOW TO GAIN AND RETAIN AFFECTION.—It has frequently been suggested that PLANTATION BITTERS are, in another form, the "Elixir of Love." That they do tend to make life much to quiet "family jars," and reconcile fretful wives to cross husbands, we verily believe. When domestic quiet is restored, and connubial felicity reigns supreme,

"How great the charm, how sweet the bliss,
That finds expression in a kiss!"

A free and proper use of PLANTATION BITTERS will inspire the souls of both sexes with pure and high-toned sentiments of affection, and a capacity for rare and exquisite enjoyment in each other's society. Remember, there is no place like home and no passion like love—and nothing to link the two together and you to both like the great family blessing, PLANTATION BITTERS.

☞ A CARD.

UNION VOLUNTEER REFRESHMENT SALOON,
FOOT OF WASHINGTON AVENUE.

Shall our brave soldiers be well entertained on their return? It is for the citizens of Philadelphia to decide.

It will be four years, on the evening 27th of May, since the Union Volunteer Refreshment Committee was organized, and if the Institution is closed on that day, the amount of cash on hand will no more than meet our obligations. The war is virtually ended, yet our Braves who have so nobly and valiantly defended our firesides and country are about to return to their homes. Shall we receive and refresh them and show by our hospitality and kindness that their services are fully appreciated by the grateful citizens of Philadelphia and vicinity? The Committee will, with great pleasure, continue their voluntary duties, should the funds be furnished, and they hope this will be a final appeal.

Contributions handed our Committee, or either of the following gentlemen, will reach us, and be properly appropriated:

Rev Dr. THOMAS BRAINERD, No. 634 Pine street.
THOMAS ROBINS, Esq., President of Philadelphia Bank.
D. B. CUMMINS, Esq., President Girard Bank.

THE QUALITY OF THE COAL

The following extracts are taken from a Report of Prof. WM. F. ROGERS, Civil and Mining Engineer on the "Branchdale Coal Property:"

"The coal mined from this land has always had good repute in the market. Coal of a similar grade from the Spohn and Lewis Veins, commands a ready sale at the highest quotable price, and it can be mined from those veins upon this land at a saving of the same class in Schuylkill county."

In case a dividend has been declared, the Treasurer's report, under oath, the amount of capital paid in, the date, amount, and rate per cent. of such dividend during the year ending the first Monday of November, 1864, and any previous year or years for which the Company may have had no existence; and in case no dividend has been declared during the year or years ending as aforesaid, then an appraisement of the cash value of the capital stock, as it existed between the first and fifteenth days of November, next to follow, by the President or Treasurer, and a majority of the Directors, under oath. ☞ THE ANNUAL MAY FESTIVAL IN AID OF ST. JOHN'S ORPHAN SCHOOL and Sixteenth days of November, must be made by the President or Treasurer, or a majority of the Directors, under oath. When an appraisement is made, the report should also state at what time the Company was organized.

In addition to the above report, under the act of April 29, 1862, companies not paying a tax on tonnage are required to make a separate report, under oath, of the Treasurer, of the amount paid to commissioners, for moneys received during the period from April 30 to November, 1864, inclusive, under the act of April 29, 1862, approved April 30, 1862.

COMPANIES INCORPORATED BY OTHER STATES and "doing business in this Commonwealth," are notified that they are made subject to the tax accruing or income under the 2d section of the act of April 30, 1864, and are required to report to the Auditor General the amount of such net earnings or income received between the 30th of April and the 1st of November, 1864.

All delinquent Companies incorporated by or under any law of the State of Pennsylvania, will be afforded a reasonable time in which to make the several reports required by law and above enumerated; but continued neglect or refusal will subject them to *forfeiture of charters*, under the 2d proviso of the 2d section of the act of April 30, 1864, which is in the following words:

"Provided further, That any corporation which has failed to make returns to the Commonwealth, as required by the act of April 31, A. D. 1864, and shall not for the better securing to the Commonwealth the payment of taxes thereby incorporated companies, make such return within sixty days after the passage of this act, any law to the contrary notwithstanding; and all delinquent companies failing or refusing to make the returns and payment to the State, as required by the general laws of this Commonwealth, for sixty days, shall have all their rights and privileges declared forfeited by proclamation from the Governor."
