PERRY'S MOTH AND FRECKLE LOTION.—Chloasma, or Mothpatch (also called Liverpoth), and Lentigo, or Freckles, are often very annoying, particularly to ladies of light complexion, for the discolored spots show more plainly on the face of a blonde than of a brunette; but they greatly mar the beauty of either, and any preparation that will effectually remove them, *without injuring the texture or color of the skin*, is certainly a desideratum. Dr. B. C. PERRY, who has made disease of the skin a specialty, has discovered a remedy for these discolorations which is at once prompt, infallible, and harmless.

Wholesale in Philadelphia by JOHNSTON, HOLLOWAY, & COWDEN, 23 North SIXTH Street, and by DYOTT & CO., 232 North SECOND Street.

Prepared only by B. C. PERRY, Dermatologist, No. 49 Bond street, New York, and for sale by all Druggists. Price, $2 per bottle. Call for

"*Canst thou not minister to a mind diseased,*
And, with some sweet, oblivious antidote,
Cleanse the foul bosom of the perilous stuff
That weighs upon the heart?"

Certainly; PLANTATION BITTERS will do it when nothing else will. Melancholy, Depression, Hypochondria, Insanity, all spring, more or less, from a diseased stomach, and the PLANTATION BITTERS is a sure cure for. There is no mistake about it; Dyspepsia, *Headache*, Dullness, Ague, and Low Spirits must yield to the health-giving and genial influence of the PLANTATION BITTERS. If you are in doubt, make one trial and be convinced. j6-6t

The earnest and zealous labors of a loyal people secured the great victory in 1864, and made the war, which our enemies denounced as a failure, a glorious success in 1865.

Our flag has been maintained, our enemies destroyed, our Government preserved, and peace re-established. Let every friend who aided in this result take measures to be represented in that Convention. We must see to it that the fruits of our success are not lost to the nation.

Business of vast importance will be presented for its consideration, and every district in the State should be represented. SIMON CAMERON, Chairman.

☞ A CARD.

UNION VOLUNTEER REFRESHMENT SALOON,
FOOT OF WASHINGTON AVENUE.

Shall our brave soldiers be well entertained on their return? It is for the citizens of Philadelphia to decide.

It will be four years, on the ensuing 27th of May, since the Union Volunteer Refreshment Committee was organized, and if the institution is closed on that day, the amount of cash on hand will no more than meet our obligations. The war is virtually ended, yet our Braves who have so nobly and valiantly defended our firesides and country are about to return to their homes. Shall we receive and refresh them and show by our hospitality and kindness that their great services are fully appreciated by the grateful citizens of Philadelphia and vicinity? The Committee will, with great pleasure, continue their voluntary duties, should the funds be furnished, and they hope this will be a final appeal.

Contributions handed our Committee, or either of the following gentlemen, will reach us, and be properly appropriated:

Rev Dr. THOMAS BRAINERD, No. 634 Pine street.
THOMAS ROBINS, Esq., President of Philadelphia Bank.
D. B. CUMMINS, Esq., President Girard Bank.

UNITED STATES
7-30 LOAN.
THIRD SERIES.
$230,000,000.

By authority of the Secretary of the Treasury, the undersigned, the General Subscription Agent for the sale of United States Securities, offers to the public the third series of Treasury Notes, bearing seven and three-tenths per cent. interest per annum, known as the

SEVEN-THIRTY LOAN.

These Notes are issued under date of July 15, 1865, and are payable three years from that date in currency, or are convertible at the option of the holder into

U. S. 6-20 SIX PER CENT.
GOLD-BEARING BONDS.

These Bonds are now worth a handsome premium, and are exempt, as are all the Government Bonds, *from State, County, and Municipal taxation*, which *adds from one to three per cent. more to their value*, according to the rate levied upon other property. The interest is payable semi-annually by coupons attached to each note, which may be cut off and sold to any bank or banker.

The interest at 7 30 per cent. amounts to
One cent per day on a $50 note.
Two cents per day on a $100 note.
Ten cents per day on a $500 note.
Twenty cents per day on a $1,000 note.
One Dollar per day on a $5,000 note.

Notes of all the denominations named will be promptly furnished upon receipt of subscriptions.

The notes of this Third Series are precisely similar in form and privileges to the Seven-Thirties already sold, except that the Government reserves to itself the option of paying interest in gold coin at 6 per cent. instead of 7 3-10ths in currency. Subscribers will deduct the interest in currency up to July 15th, at the time when they subscribe.

The delivery of the notes of this Third Series of the Seven-Thirties will commence on the 1st of June, and will be made promptly and continuously after that date.

The slight change made in the conditions of this THIRD SERIES affects only the matter of interest. The payment in gold, if made, will be equivalent to the currency interest of the higher rate.

The return to specie payments, in the event of which only will the interest be paid in gold be availed of, would so reduce and equalize prices as that purchases made with six per cent. in gold would be fully equal to those made with seven and three-tenths per cent. in currency. This is

THE ONLY LOAN IN MARKET

now offered by the Government, and its superior advantages make it the

GREAT POPULAR LOAN OF THE PEOPLE.

Less than $230,000,000 of the Loan authorized by Congress are now in the market. This amount, at the rate at which it is being absorbed, will all be subscribed for within sixty days, when the notes will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other Loans.

In order that citizens of every town and section of the country may be afforded facilities for taking the Loan, the National Banks, State Banks, and Private Bankers throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only are to be responsible for the delivery of the notes for which they receive orders.
