THE EXQUISITE "EMAIL DE PARIS,"—In the general exodus from town to the country and sea-shore, ladies should add to their toilette case "L'Email de Paris," which will effectually prevent freckles, tan, and the discolorations caused by the salt air, keeping the skin clear, soft, and white. Officers and soldiers, whose faces have been bronzed by long-continued exposure, will find "Email de Paris" will restore the skin to more than its original purity and whiteness. "Email de Paris" is especially endorsed by Miss Lucille Western, M'lle Vestvali, Mrs. D. P. Bowers, and other celebrated actresses, whose position renders their judgment unerring and valuable. Sold by all Druggists, Perfumers, and Hairdressers. Orders by mail should be addressed to JARED & RENE, Philadelphia, who, upon application, will send circulars to any address. jes-mws-1f

TWO BAD CASES OF PILES CURED BY DR. STRICKLAND'S PILE REMEDY. Mr. Glass, of Janesville, Wisconsin, writes for the benefit of all who suffer with the Piles, that he has been troubled for eight years with an aggravated case of Piles, and his brother was discharged from the army as incurable, (the being quite paralyzed with the Piles.) Both these distressing cases were cured with one bottle of Dr. Strickland's Pile Remedy. The recommendation of these gentlemen, beside the daily testimonials received by Dr. Strickland, ought to convince those suffering that the most aggravated chronic cases of Piles are cured by Dr. Strickland's Pile Remedy. It is sold by Druggists everywhere. jy1-stuth-3m

As the Comptroller of the Currency of the United States has decided that the Capital of this Bank can be increased to the extent of $200,000 only, and not to the amount of $800,000, as before agreed upon (owing to the apportionment to Pennsylvania being already absorbed,) Stockholders are hereby notified that one-half the instalment paid on their subscriptions to the New Stock will be refunded to them at the time of payment of the July dividend, thus reducing the number of shares of New Stock one-half, when distribution aforesaid will be made.

FINANCIAL.

UNITED STATES
7.30 LOAN.
THIRD SERIES.
$230,000,000.

By authority of the Secretary of the Treasury, the undersigned, the General Subscription Agent for the sale of United States Securities, offers to the public the third series of Treasury Notes, bearing seven and three-tenths per cent. interest per annum, known as the

SEVEN-THIRTY LOAN.

These Notes are issued under date of July 15, 1865, and are payable three years from that date in currency, or are convertible at the option of the holder into

U. S. 5-20 SIX PER CENT.

GOLD-BEARING BONDS.

These Bonds are now worth a handsome premium, and are exempt, as are all the Government Bonds, *from State, County, and Municipal taxation, which adds from one to three per cent. more to their value*, according to the rate levied upon other property. The interest is payable semi-annually by coupons attached to each note, which may be cut off and sold to any bank or banker.

The interest at 7-30 per cent. amounts to
One cent per day on a $50 note.
Two cents per day on a $100 note.
Ten cents per day on a $500 note.
Twenty cents per day on a $1,000 note.
One Dollar per day on a $5,000 note.

Notes of all the denominations named will be promptly furnished upon receipt of subscriptions.

The notes of this Third Series are precisely similar in form and privileges to the Seven-Thirties already sold, except that the Government reserves to itself the option of paying interest in gold coin at 6 per cent. instead of 7 3-10ths in currency. Subscribers will deduct the interest in currency up to July 15th, at the time when they subscribe.

The delivery of the notes of this Third Series of the Seven-Thirties will commence on the 1st of June, and will be made promptly and continuously after that date.

The slight change made in the conditions of this THIRD SERIES affects only the matter of interest. The payment in gold, if made, will be equivalent to the currency interest of the higher rate.

The return to specie payments, in the event of which only will the option to pay interest in gold be availed of, would so reduce and equalize prices as that purchases made with six per cent. in gold would be fully equal to those made with seven-and-three-tenths per cent. in currency. This is the only loan in market now offered by the Government, and its superior advantages make it the

GREAT POPULAR LOAN OF THE PEOPLE.

Less than $230,000,000 of the Loan authorized by Congress are now in the market. This amount, at the rate at which it is being absorbed, will all be subscribed for within the next three weeks, when there will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other Loans.

In order that citizens of every town and section of the country may be afforded facilities for taking the Loan, the National Banks, State Banks, and Private Bankers throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only are to be responsible for the delivery of the notes for which they receive orders.
