CITY ITEMS.

THE HOUSEKEEPERS' FRIEND."—This is the ... designation applied to Gray's Patent Petroleum Vapor Stove, for Cooking, Lighting, and Heating Purposes, on exhibition, and for sale ... No. 519 Arch street. The title is well deserved, as we conceive this stove to be, in fact of *economy and comfort* the greatest wonder of the age. It has many peculiarities to commend it to popular favor, among which may name—

1st. Its reliability and perfect simplicity of construction, which enables any one to use it without fear of accident.

2. A saving of more than 50 per cent. is effected by its use, in the cost of fuel.

3. It consumes no coal or wood, and does not produce a particle of odor, dust, or ashes.

4. It has no chimney, stove pipes, or wicks, and does not emit smoke or odor of any kind.

5. No danger of explosion or accident.

6. Ease of management than an ordinary kerosene lamp.

THE BEST FITTING SHIRT OF THE AGE is "The Improved Pattern Shirt," made by John C. Hutchinson, at the old stand, Nos. 1 and 3 North ... street. Work done by hand in the best manner, and warranted to give satisfaction. ... Stock of Gentlemen's Furnishing Goods ... not to be surpassed. Prices moderate.

THE "CHINESE SUN HAT," sold by Wood & ... 725 Chestnut street, is really indispensable to every lady about leaving the city. ... entire stock of Straw and Fancy Goods ... now selling off *at much below cost.*

VISITORS TO THE SEA-SHORE should provide themselves with BATHING DRESSES from JOHN C. ARRISON'S, Nos. 1 and 3 North Sixth street.

GENTLEMEN'S FURNISHING GOODS.—Mr. George ... 610 Chestnut street, has a handsome assortment of novelties in Shirting Prints, beautiful Spring Cravats, Summer Under-clothing, ... goods especially adapted for travelling. ... celebrated "Prize Medal" Shirt, invented by Mr. John F. Taggart, is unequalled by any ... in the world.

THE CHANGES OF SIXTY YEARS.—A writer, speaking of things as they were sixty years ago, says: "I could not keep my small clothes in their proper place, for braces were unknown. If I had the gout, there was no colchicum. If I was bilious, there was no calomel. If I was attacked by ague, there was no quinine. There were filthy coffee-houses instead of elegant clubs, and petty shops instead of the magnificent Brown Stone Clothing Hall of Rockhill & Wilson, Nos. 603 and 605 Chestnut street, above Sixth; cramped up in uncouth coats, pants, and vests, instead of the elegant suits as those made by the firm ... adorned."

THE PUBLIC is cautioned against an imitation of the Photograph of Lieutenant General Grant, the original of which was taken by F. Gutekunst, 704 Arch street. It is a bad copy. The original will be known by my imprint on the back.

SHORT STORY, BUT INTERESTING.—No genuine European extract for the handkerchief could be afforded here, under the present tariff, at less than twice the price of Phalon's Delight Blooming Cereus," a more delicious, permanent, and healthful perfume than any of them. Sold everywhere.

NEW AND SECOND-HAND PIANOS FOR RENT, a portion of rent applied to purchase. Also, new and elegant pianos for sale on accommodating terms. GOULD, 914 Seventh and Chestnut.

OUR STOCK & CO.'S PIANO'S (little used) for sale at bargains. These pianos have been used during the past winter and spring at concerts, public halls, and in private houses, and are no marks of use. Price $200 less than new ones of same style, though all new ones have been reduced $75. J. E. GOULD, 914 Seventh and Chestnut streets.

YOU CAN'T OPEN YOUR LIPS, LADIES, without revealing whether you use the Fragrant Sozodont or not. No occasion for words. Your teeth and breath speak for you. The lustre and purity imparted to the dental machinery by that peerless fluid, and the fragrance it gives to the mouth, cannot be realized by the use of any other article accessible to the human family. jy18-tuths3t

CLEANSE THE BLOOD OF ALL IMPURITIES, and thereby vitalize the virus of many diseases at their source. In all Disorders of the Skin, the Glands, the Fleshy Fibre, the Secretive Organs, and the Bones, all Scrofulous Complaints, Cancer, &c., Dr. Jayne's Alterative is a standard curative; and while it is a fault in many medicines that, before they reach the disease, the patient is prostrated beyond recovery, no such drawback attends this remedy, for it sustains the strength of the sufferer while eradicating the cause of his complaint. Prepared only at No. 242 Chestnut street. jy13-3t

GOOD TO INVEST IN.—IF, AS THE OLD adage declares, "Health is the greatest of earthly blessings," then every effort to preserve it pays well.

DRAKE'S PLANTATION BITTERS have been of great service in making people healthy and keeping them so. They should be found in every household.

They give tone to the stomach, vigor to the body, and remove dark doubts and unhappy feelings from the mind. They relieve pain and fortify the whole system against the attacks of disease.

There is nothing better to take "for the Stomach's sake" than the PLANTATION BITTERS.

They cure Dyspepsia, Heartburn, Indigestion, Drowsiness, Headache, Pain in the Side, Liver Complaint, and Rheumatic Pains, with magical power.

A good effect is felt at once upon making the first trial. No change of diet is necessary. Eat the best you can get, and all you want. Follow our directions and you will soon feel

WELL, STRONG, AND HEARTY.

TWO BAD CASES OF PILES CURED BY DR. STRICKLAND'S PILE REMEDY. Mr. Glass, of Janesville, Wisconsin, writes for the benefit of all who suffer with the Piles, that he has been troubled for eight years with an aggravated case of Piles, and his brother was discharged from the army as incurable, (he being quite paralyzed with the Piles.) Both these distressing cases were cured with one bottle of Dr. Strickland's Pile Remedy. The recommendation of these gentlemen, beside the daily testimonials received by Dr. Strickland, ought to convince those suffering that the most aggravated chronic cases of Piles are cured by Dr. Strickland's Pile Remedy. It is sold by Druggists everywhere. jy1-stuth-3m

FINANCIAL.

UNITED STATES

7.30 LOAN.

THIRD SERIES.

$230,000,000.

By authority of the Secretary of the Treasury, the undersigned, the General Subscription Agent for the sale of United States Securities, offers to the public the third series of Treasury Notes, bearing seven and three-tenths per cent. interest per annum, known as the

SEVEN-THIRTY LOAN.

These Notes are issued under date of July 15, 1865, and are payable three years from that date in currency, or are convertible at the option of the holder into

U. S. 5-20 SIX PER CENT.

GOLD-BEARING BONDS.

These Bonds are now worth a handsome premium, and are exempt, as are all the Government Bonds, *from State, County, and Municipal taxation, which adds from one to three per cent. more to their value,* according to the rate levied upon other property. The interest is payable semi-annually by coupons attached to each note, which may be cut off and sold to any bank or banker.

The interest at 7-30 per cent. amounts to
One cent per day on a $50 note.
Two cents per day on a $100 note.
Ten cents per day on a $500 note.
Twenty cents per day on a $1,000 note.
One Dollar per day on a $5,000 note.

Notes of all the denominations named will be promptly furnished upon receipt of subscriptions.

The notes of this Third Series are precisely similar in form and privileges to the Seven-Thirties already sold, except that the Government reserves to itself the option of paying interest in gold coin at 6 per cent. instead of 7 3-10ths in currency. Subscribers will deduct the interest in currency up to July 15th, at the time when they subscribe.

The delivery of the notes of this Third Series of the Seven-Thirties will commence on the 1st of June, and will be made promptly and continuously after that date.

The slight change made in the conditions of this THIRD SERIES affects only the matter of interest. The payment in gold, if made, will be equivalent to the currency interest of the higher rate.

The return to specie payments, in the event of which only will the option to pay interest in gold be availed of, would so reduce and equalize prices as that purchases made with six per cent. in gold would be fully equal to those made with seven-and-three-tenths per cent. in currency. This is

THE ONLY LOAN IN MARKET

now offered by the Government, and its superior advantages make it the

GREAT POPULAR LOAN OF THE PEOPLE.

Less than $230,000,000 of the Loan authorized by Congress are now in the market. This amount, at the rate at which it is being absorbed, will all be subscribed for within sixty days, when the notes will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other Loans.

In order that citizens of every town and section of the country may be afforded facilities for taking the Loan, the National Banks, State Banks, and Private Bankers throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only are to be responsible for the delivery of the notes for which they receive orders.
