FINANCIAL.

UNITED STATES 7.30 LOAN. THIRD SERIES. $230,000,000. By authority of the Secretary of the Treasury, the undersigned, the General Subscription Agent for the sale of United States Securities, offers to the public the third series of Treasury Notes, bearing seven and three-tenths per cent. interest per annum, known as the SEVEN-THIRTY LOAN. These Notes are issued under date of July 15, 1865, and are payable three years from that date in currency, or are convertible at the option of the holder into U. S. 5-20 SIX PER CENT. GOLD-BEARING BONDS. These Bonds are now worth a handsome premium, and are exempt, as are all the Government Bonds, *from State, County, and Municipal taxation, which adds from one to three per cent. more to their value*, according to the rate levied upon other property. The interest is payable semi-annually by coupons attached to each note, which may be cut off and sold to any bank or banker. The interest at 7-30 per cent. amounts to One cent per day on a $50 note. Two cents per day on a $100 note. Ten cents per day on a $500 note. Twenty cents per day on a $1,000 note. One Dollar per day on a $5,000 note. Notes of all the denominations named will be promptly furnished upon receipt of subscriptions. The notes of this Third Series are precisely similar in form and privileges to the Seven-Thirties already sold, except that the Government reserves to itself the option of paying interest in gold coin at 6 per cent. instead of 7-30ths in currency. Subscribers will deduct the interest in currency up to July 15th, at the time when they subscribe. The delivery of the notes of this Third Series of the Seven-Thirties will commence on the 1st of June, and will be made promptly and continuously after that date. The slight change made in the conditions of this THIRD SERIES affects only the matter of interest. The payment in gold, if made, will be equivalent to the currency interest of the higher rate. The return to specie payments, in the event of which only will the option to pay interest in gold be availed of, would so reduce and equalize prices as that purchases made with six per cent. in gold would be fully equal to those made with seven-and-three-tenths per cent. in currency. This is THE ONLY LOAN IN MARKET now offered by the Government, and its superior advantages make it the GREAT POPULAR LOAN OF THE PEOPLE. Less than $230,000,000 of the Loan authorized by Congress are now in the market. This amount, at the rate at which it is being absorbed, will all be subscribed for within sixty days, when the notes will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other Loans. In order that citizens of every town and section of the country may be afforded facilities for taking the Loan, the National Banks, State Banks, and Private Bankers throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only are to be responsible for the delivery of the notes for which they receive orders. JAY COOKE, SUBSCRIPTION AGENT, NO. 114 SOUTH THIRD STREET, PHILADELPHIA. my16-tf

DODGE WARREN, OF LEXINGTON AVENUE, NEW YORK, PRACTICAL PHYSICIAN FOR CHRONIC DISEASES, AT Concert Hall, Philadelphia, WILL PUBLICLY HEAL THE SICK, FREE OF CHARGE, From 9 to 11 o'clock A. M., WITHOUT MONEY AND WITHOUT PRICE, From WEDNESDAY, July 26th, till August 26th, inclusive. Also taken Parlors at 917 Chestnut Street, where those who are able and willing to pay may come from 2 till 6 P. M. Each Day. His last public operations were at Verandah Hall, St. Louis, Mo., and at Mechanics' Institute Hall, Cincinnati, Ohio, operating on no less than 23,600 persons, with a degree of success unprecedented in the annals of Medical History. NO MEDICINES GIVEN. NO SURGICAL OPERATIONS PERFORMED. CHRONIC DISEASES CURED. ACUTE PAIN INSTANTLY RELIEVED. HEALS ENTIRELY BY THE TOUCH. So many thousands are already acquainted with my mode of operating, it seems necessary only to say that by this method an equilibrium of the vital powers is at once established, and an equanimity of the circulation maintained; thus Nature is enabled to throw off the effete matters which generate and foster disease, and health is restored. From one to five minutes are required for the most inveterate cases of any curable Chronic Disease. In many instances a single operation of one minute is sufficient; in the more inveterate and exceedingly obstinate character, a second or even a third operation may be required. No exception to Fractures, Dislocations, Curvature of the Spine, or Suppurating Tumors. The diseases which yield most readily to the curative agency of this method, as practiced by me, are Dyspepsia, Constipation, Asthma, Angina Pectoris, Chlorosis, Irritable Uterus, Rheumatism, Rheumatic Gout, Liver Disease, Diseases of the Biliary Passages, Irritable Bladder, Incontinence of Urine, Irritation of the Brain, Bronchitis, Catarrh, Diseases of the Heart, Sympathetic Palpitation, Hysteria, Epilepsy, Neuralgia, Thrush, Cramp in the Stomach, Diseases of Kidneys, Ulceration and Stone, Leucorrhœa, Menstrual Derangements, Dropsy, Dyspepsia, Aversion to Exertion, Loss of Appetite, Wakefulness, General Debility, Nervous Depression, Difficult Breathing with Pain in the Lungs. Paralysis, Consumption, and General Dropsy are the most silent and uncertain with their approaches. Patients afflicted with these have rarely been restored. They are, however, always benefited. Deafness, when dependent upon destruction of tympanum, and Amaurosis, dependant upon paralysis of optic nerve, *incurable*. For testimonials of cure, or other information, see circulars, which will be sent to any address upon application. My charges are in proportion to property—never exorbitant in any case. IN NO CASE IS A CURE GUARANTEED. jy20-5t*
