waits on YOU... instead of you waiting on it!
that's GAS... the world's most wonderful water heating fuel!

YOU CONTROL THE TEMPERATURE. Simply turn the dial on your automatic Gas water-heater for any degree hot water you want... from 130° for general use to 180° for germ-free automatic dishwashing.

WASH WHEN YOU WANT TO. Gas is 3 times faster than any other all-automatic water-heating fuel. So fast, you can do a week's wash even after everybody in the family has shaved, bathed or showered!

STORMY WEATHER... HA! Your automatic Gas water-heater won't go off in the worst weather. No fuel to order or store. Gas is ready and able to serve you 24 hours a day—365 days a year.

TRY THIS FOR SIZE! Gas gives you more service from a 30-gallon heater than you get from an 80-gallon size run by any other automatic fuel. Check the right size for your family and equipment, today.

AND IT SAVES YOU MONEY, TOO! You not only pay less to start... since you don't have to buy such a big heater... but Gas also costs up to \$60 a year less to run than any other all-automatic system.

NEXT STEP TO A 100% MODERN LAUNDRY is a new automatic Gas clothes-dryer! It frees you from hauling, hanging, pinning. Its Ruff-dry action costs less, is faster than any other automatic dryer.

NO WONDER
2,250,000 families bought new automatic Gas water-heaters—last year alone. Why wait? Order yours from your merchant plumber, appliance store, or Gas company, today!
