HAVING BEEN DETAILED BY order of Major Gen. GEO. H. THOMAS as superintendent of the "SOLDIERS' NATIONAL CEMETERY," on the Stone River Battle-Field, I take this mode of informing the friends of our brave comrades, who fell on that memorable field, and other battle-fields in this vicinity, that we will disinter all the bodies, and carefully box them in the tasteful grounds now being prepared; and if any have determined to remove the remains of their noble dead to their homes, they will confer a great favor on me if they will notify me of the fact, by letter or telegraph, giving name, rank, company, regiment, brigade, and division of the deceased.

I ask this favor so that they may be sent home as we find them, and before they are re-interred.

Mr. John W. Ewing, of this city, will furnish burial cases at the lowest possible price, and my action in this he will have the bodies sent to friends as they may direct.

I will say, for the comfort of the friends of these fallen braves, that every effort will be put forth to make this sacred spot beautiful and attractive. Any information desired I will gladly furnish.

All loyal papers will please copy.

OFFICE PENNSYLVANIA RAILROAD COMPANY.
PHILADELPHIA, August 15, 1865.
The Mortgage Bonds of the Connecting Railway Company, between the station of the Pennsylvania Railroad Company in West Philadelphia and Frankford, a distance of seven miles, can be obtained at this Office, No. 238 South THIRD Street.
These bonds are in sums of one thousand dollars, with interest coupons attached, payable at said office on the 15th day of March and September in each year, at the rate of six per centum per annum, and the principal payable in five equal annual amounts, at the rate of $20,000 yearly, commencing the first series in September 15, A. D. 1900. The principal and interest are secured by a mortgage on the valuable franchise upon all the railway and property of the company, and are guaranteed by the Pennsylvania Railroad Company. These bonds are made free of State taxes of the Company.
The railway is being constructed in the most substantial manner, and will be completed during the ensuing year. This road perfects the connection between the Pennsylvania Railroad and the New York lines via Philadelphia, and becoming, as it will, the main channel of communication between New York and the West, as well as to and from the National Capital, will always obtain large revenues, and be one of the most important railways of the Union.
Under a contract with the Philadelphia and Trenton Railroad Company, that company leases the road of the Connecting Railway Company, and agrees to pay an annual rent for 999 years of six per centum upon the cost of the road, clear of taxes. These bonds are therefore recommended as a first-class security.
For further information apply at the office of the Company.

FAIR FOR THE SOLDIERS' AND SAILORS' HOME.
TO THE CITIZENS OF THE UNITED STATES.
The Ladies' Visiting Committee of the SOLDIERS' HOME, in the city of Philadelphia, propose to open a National Fair at the ACADEMY OF MUSIC, on the twenty-third day of October next, for the purpose of raising a Building and Endowment Fund for the Institution with which they are connected.
The undersigned commend this project to the favorable notice of their fellow-citizens of the United States.
The Soldiers' Home has been incorporated by the State of Pennsylvania for the relief of Soldiers and Seamen who have been honorably discharged from, and the children of those who have died in, the service of the country.
The Corner Stone of Soldiers' Home has been merged in this Institution by Legislative authority, and is now in successful operation. But as the building is now occupied, at the corner of Race and Crown streets, in advance of the completion of the Home, the Managers have given their sanction to the proposed Fair.
Although the Home is located in Philadelphia, its benefactions are not limited by State boundaries. Its doors are freely opened to every deserving Soldier and Sailor of the Republic who seeks admission.
The management contemplates an Industrial Department in the Institution, in which the inmates who are able to work at their trades may find employment, and thus be relieved from the position of mere dependents on public charity. It contemplates also, a department where children of those who have died in the service will be tenderly protected, carefully educated and prepared for suitable vocations.
While the hearts of the people are overflowing with gratitude to God for his great gift of Victory to our patriot armies, we should not forget our duties to the brave men who will soon be returning from the fields they have won, disabled by honorable wounds from the active pursuits of their professions.
The Orphan children whose fathers have fallen in the great struggle are also specially entitled to the tender favor and protection. Let us provide a home worthy of their acceptance, and worthy of a people whose property they have protected, whose liberty they have secured, whose Government they have saved, and whose hearts they have gladdened by their splendid achievements.
Committees for the organization of the Fair will be announced in due season.
Newspaper proprietors will render important service by occasional publications of this notice, which will be duly acknowledged as contributions to the fair.
PHILADELPHIA, April 14th, 1865.

FISHER'S SELF-SEALING FRUIT CANS.
Every housekeeper in the city and country should use this excellent Can. It is the most convenient and reliable Can in use, and gives entire satisfaction wherever introduced. It is sealed in an instant, by hooking and spring, thus clamping a tin cap over and around the opening, and pressing it upon a ring of cemented paper. The cement in the paper melts by the heat of the fruit, and as the pressing continues the fruit cools, and the sealing is perfect. The cap is unfastened by unhooking the spring and running a thin knife around under the cemented paper.
Please call and examine this Can, at
J. MCMURTRIES,
808 SPRING GARDEN Street,
Philadelphia.

HELMBOLD'S EXTRACT BUCHU gives health and vigor to the frame, and bloom to the pallid cheek. Debility is accompanied by many alarming symptoms, and if no treatment is submitted to, consumption, insanity, or epileptic fits cause.
