MEDICAL.

HELMBOLD'S FLUID EXTRACT BUCHU—For Weakness arising from Indiscretion. The exhausted powers of Nature which are accompanied by so many alarming symptoms, amongst which will be found, Indisposition to Exertion, Loss of Memory, Wakefulness, Horror of Disease, or Forebodings of Evils; in fact, Universal Lassitude, Prostration, and inability to enter into the enjoyments of Society.

The Constitution, once affected with *Organic Weakness*, requires the aid of Medicine to *strengthen and invigorate the system*, which HELMBOLD'S EXTRACT BUCHU invariably does. If no treatment is submitted to, Consumption or insanity ensues.

HELMBOLD'S FLUID EXTRACT BUCHU, in affections peculiar to "FEMALES," is unequaled by any other preparation. As in Chlorosis or Retention, Painfulness or Suppression of Customary Evacuations Ulcerated or Schirrous state of the Uterus and all complaints incident to the sex, whether arising from habits of dissipation, indulgence in, or the decline or change of life.

HELMBOLD'S FLUID EXTRACT BUCHU AND IMPROVED ROSE WASH,

Will radically exterminate from the system Diseases arising from Habits of Dissipation *of little expense, little or no change in diet, no inconvenience or exposure*; completely superseding those *unpleasant and dangerous nauseous nostrums, Copaiba and Mercury*, in all these diseases.

USE HELMBOLD'S

FLUID EXTRACT BUCHU,

In all Diseases of these organs, whether existing in "*Male*" or "*Female*," *from whatever cause or origin arising, and no matter how long standing*. It is pleasant in taste and odor, "*immediate*" *in action*, and more strengthening than any of the preparations of *Bark or Iron*.

Those suffering from Broken down or Delicate Constitutions, procure the remedy at once.

The reader must be aware that, however slight may be the attack of the above diseases, it is certain to affect *his Bodily Health, Mental Powers, and Happiness*.

All the above diseases require the aid of a diuretic.

HELMBOLD'S EXTRACT BUCHU

IS THE GREAT DIURETIC.

HELMBOLD'S HIGHLY CONCENTRATED COMPOUND FLUID EXTRACT SARSAPARILLA

For purifying the blood, removing all chronic constitutional diseases, arising from an impure state of the blood, and the only reliable and efficacious known remedy for the cure of Scrofula, Scald Head, Salt Rheum, Pains and Swellings of the Bones, Ulceration of the Throat and Legs, Blotches, Pimples on the Face, Tetter, Erysipelas, and all scaly eruptions of the skin.

AND BEAUTIFYING THE COMPLEXION.

Not a few of the worst disorders that affect mankind arise from the corruptions that accumulate in the blood. Of all the discoveries that have been made to purge it out, none can equal in effect HELMBOLD'S COMPOUND EXTRACT OF SARSAPARILLA. It cleanses and renovates the blood, imparts the vigor of health to the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the blood. Such a remedy that could be relied on, has long been sought for, and now, for the first time, the public have one on which they can depend. One space here does not admit of certificates to show its effects, but the trial of a single bottle will show the sick that it has virtues surpassing anything they have ever taken.

Two tablespoonfuls of the Extract of Sarsaparilla added to a pint of water is equal to the Lisbon Diet Drink, and one bottle is fully equal to a gallon of the Syrup of Sarsaparilla, or the decoction as usually made.

☞ THESE EXTRACTS HAVE BEEN ADMITTED TO USE IN THE UNITED STATES ARMY, and are also in very general use in all the State HOSPITALS and PUBLIC SANITARY INSTITUTIONS throughout the land, as well as in private practice, and are considered as invaluable remedies.

TO THE

MEMORY OF ABRAHAM LINCOLN.

Comprised of contributions from the pens of many of our most gifted writers.

The volume is elegantly printed on toned paper, and tastefully bound, with an appropriate design in gold. Emo, muslin, gilt top, with a steel portrait of President Lincoln. Price, $2.

PREFACE.

In the preparation of this volume it has been the purpose to preserve, in permanent form, the spontaneous tribute of esteem and affection tendered to the memory of our late beloved President by the poetical writers of our own and other countries. It seems especially fitting that the tender regard which Mr. Lincoln had won for himself during the four eventful years of his Presidency, and which has found so many and such heartfelt expressions since his untimely death, should have a lasting record; and both for the gratification of those who have mingled their tears over the remains of the illustrious dead, and as an evidence to future generations of how wise, and great, and good we thought him, this volume is now put forth.

☞ Will be sent by mail on receipt of the price.
