MEMORIAL
OF THE
PATRIOTISM OF SCHUYL COUNTY,
GREAT REDUCTION IN PRICE.
The Last Chance to Get the Book.
In order that all who desire to preserve this Record of the Patriotism of Schuylkill County during the Rebellion, may not be debarred by the price from purchasing, we have reduced the price as follows for the remainder of the edition:
In cloth, reduced from $2 50 to $1 50
" sheep, (library) " " 2 75 " 1 75
" half morocco " " 3 25 " 2 25
" morocco gilt " " 3 75 " 2 75
When it is remembered that no other County in the United States has published a book of similar character, our citizens should feel a peculiar pride in having the record of their patriotic services in this convenient shape. In after years this work will be very valuable, as it will be scarce not having been stereotyped. No other edition of it will be published. When this is exhausted the book will not be in the market. The map alone of the Southern States with all the Battle-fields marked upon it, is worth 50 cents.—As a book of reference, as a record of the services of Schuylkill County, containing as it does the names of thirteen thousand soldiers, it is complete.
The names omitted in the first edition have all been added since, and we believe it is now as complete as any work of the kind can be made.
To any soldier whose means are limited we will furnish the book in cloth for $1 per copy.
On receipt of the reduced price the book will be mailed to any address, postage paid. Address B. Bannan, Pottsville, Pa., Publisher.

THE NEW YORK SEVENTH REGIMENT proposes taking a trip to England and France next year. The cost of taking its band will be fifteen thousand dollars.

THE NEW YORK TRIBUNE gives notice that if its correspondents accept any Government employment or stipend," they will be "dismissed" from its employment. Judging from the selection the Government is making, the aforesaid correspondents stand in very little danger.

THE REGISTRY LAW OF MARYLAND.—The Attorney General of Maryland, having been requested by Governor Swann to give his opinion of the registry law of that State, decides that only those are entitled to vote at the approaching election who were registered last year. This will prove a heavy blow to the Jeff. Davis-Johnson party of Maryland.

OF COURSE.—This week some representatives of the Johnson party attempted to murder Governors Brownlow, of Tennessee, and Hamilton, of Texas, near Cairo, Illinois.—Why not? That party murdered Union men of equal eminence, at Memphis and New Orleans. It is merely in their line of business.

IN view of the frauds that are perpetrated in a number of the districts of the Coal Region, by the Copperheads at every election, the people should advocate the passage of a Registry law, and a law appointing watchers at the polls. These might be made general laws, but if not, let us have them in this County at any rate. Something should be done to put a stop to the large amount of illegal voting at every election in this County.

A PROPER MOVEMENT.—The Chicago Tribune states that a movement is about to be made to erect a monument over the grave of Dr. A. P. Dostie who fell a martyr at New Orleans in the bloody massacre of July 30. Dr. Dostie sacrificed all his property at the outbreak of the rebellion to his country—a fact not generally known. General Butler and Banks have both testified to his services, and will bear witness that a more sincere and earnest Union man never lived.

STUART ROBSON.—This celebrated comedian and humorist played a very successful engagement out among the "wild men of the West" not long since. The following brilliant notice is from the "Chocktaw Tomahawk":
