WINCHESTER'S HYPOPHOSPHITES
Act Promptly and Certainly IN ALL STAGES OF CONSUMPTION.
They immediately increase the strength and deepen the color of the pale blood. They subdue the Chills and Fever, diminish the Expectoration, and check the night sweats, always. In from seven to fourteen days, the appetite is at once invigorated, and the patient rapidly gains flesh; the cough and difficult breathing are speedily relieved, the sleep becomes calm and refreshing; the evacuations regular and uniform. ALL THE GENERAL SYMPTOMS DISAPPEAR WITH A RAPIDITY THAT SEEMS ALMOST MIRACULOUS.
The success of the HYPOPHOSPHITES, in the cure of the greatest scourge of the race, CONSUMPTION, is unparalleled in the annals of medicine! This thoroughly Scientific Remedy acts with INVARIABLE EFFICACY in all stages of tubercular disease.
The best testimony of the Remedy are equally SHORT AND CERTAIN in all derangements of the Nervous and Blood systems—being unsurpassed as a Nervine Tonic, and generator of free and healthy blood; while for cases of General Debility, Loss of Strength, Flesh and Appetite, Dyspepsia, Neuralgia, Paralysis, Chronic Bronchitis, Asthma, Scrofula, Chronic Diarrhœa, it is the most efficacious treatment known. A FAIR TRIAL IS A CERTAIN CURE.

It requires no friction straps, eccentrics or brakes of any kind. Started, reverse d or stopped instantly, and at any point of revolution by the simple movement of a single lever—Having no keys, pins, set screws, or other adjustable parts, which in other boilers require the knowledge and constant care of an experienced engineer, can be put in the hands of the most inexperienced persons. All the working parts are contained in the case or cylinder, and are thus protected from weather, the effects of dust, dirt, and rust or weather. Its extreme lightness, compactness and rapid speed, highly commend it for this use.
