PITTSBURGH GAZETTE.

TO A MUMMY.

The following unique and ingenious lines are very appropriate just now, while Mr. GLIDDON is here with his Panorama of the Nile, and many of the wonders of Ancient Egypt.

And thou hast walked about—how strange a story!
In Thebes' streets three thousand years ago,
When the Memnonium was in all its glory,
And Time had not begun to overthrow
Those temples, palaces, and piles stupendous,
Of which the very ruins are tremendous.

Speak! for thou long enough hast acted Dummy;
Thou hast a tongue—come let us hear its tune;
Thou 'rt standing on thy legs, above ground, Mummy!
Revisiting the glimpses of the moon,
Not like thin ghosts or disembodied creatures,
But with thy bones and flesh, and limbs and features.

Tell us—for doubtless thou canst recollect,
To whom should we assign the Sphinx's fame?
Was Cheops or Cephrenes architect
Of either Pyramid that bears his name?
Is Pompey's pillar really a misnomer?
Had Thebes a hundred gates, as sung by Homer?

Perhaps thou wert a Mason, and forbidden
By oath to tell the mysteries of thy trade;
Then say what secret melody was hidden
In Memnon's statue which at sunrise play'd?
Perhaps thou wert a Priest—if so, my struggles
Are vain, for priestcraft never owns its juggles.

Perchance that very hand, now pinion'd flat,
Has hob-a-nobb'd with Pharaoh glass to glass;
Or dropp'd a halfpenny in Homers hat,
Or doff'd thine own to let Queen Dido pass;
Or held, by Solomon's own invitation,
A torch at the great Temple's dedication.

I need not ask thee, if that hand, when arm'd,
Has any Roman soldier mauled and knuckled,
For thou wert dead, and buried, and embalm'd,
Ere Romulus and Remus had been suckled:—
Antiquity appears to have begun
Long after thy primeval race was run.

Since first thy form was in this box extended,
We have, above ground, seen some strange mutations;
The Roman empire has begun and ended,
New worlds have risen—we have lost old nations,
And countless kings have into dust been humbled,
While not a fragment of thy flesh has crumbled.

Didst thou not hear the pother o'er thy head,
When the great Persian conqueror, Cambyses,
March'd armies o'er thy tomb with thundering tread,
O'erthrew Osiris, Orus, Apis, Isis,
And shook the Pyramids with fear and wonder,
When the gigantic Memnon fell assunder?

If the tomb's secrets may not be confess'd,
The nature of thy private life unfold:—
A heart has throbb'd beneath that leathern breast,
And tears adown that dusky cheek have roll'd:
Have children climb'd those knees and kiss'd that face?
What was thy name and station, age and race?

Statue of flesh—immortal of the dead!
Imperishable type of evanescence!
Posthumous man, who quitt'st thy narrow bed,
And standest undecay'd within our presence.
Thou wilt hear nothing till the Judgment morning
When the great trump shall thrill thee with its warning.

Why should this worthless tegument endure,
If its undying guest be lost forever?
O let us keep the soul embalm'd and pure
In living virtue, that when both must sever,
Although corruption may our frame consume,
The immortal spirit in the skies may bloom.

MEDICAL.

To the Deaf!

DR. HARTLEY, AURIST, from 64 North Eleventh street, Philadelphia, begs to inform those of his patients in the neighborhood of Pittsburgh, with whom he has been in communication, that he has, in compliance with their special request, made arrangements to spend a few days in this city. He may be seen at the St. Clair Hotel, from 9 to 3, for one week.

It would probably be a favorable opportunity for those suffering with Deafness, to call and consult the Doctor, as he is the only graduate of any of the Medical Colleges who has devoted his attention exclusively and successfully to the treatment of the Ear.

The following testimonials are submitted with confidence. They will show, at least, in what estimation his professional qualifications are held by some of the most distinguished medical men in the country:

"I have had the pleasure to meet Dr. Hartley in practice, and have been led to form a favorable opinion of his character, both in the profession and as a gentleman." W. GIBSON, M. D., Professor of Surgery, &c.

"His professional abilities will be fully appreciated by those who place themselves under his care." JOHN H. WHITAKER, M. D., Professor of Anatomy, &c.

"From my intercourse with Dr. Hartley, I have found his deportment correct and gentlemanly." VALENTINE MOTT, M. D.

Reference in Pittsburgh.—The visit of Dr. Hartley to the city, gives me an opportunity of offering my testimony to his abilities; and those who may be suffering from that disease to which his attention has been for some time specially and successfully directed, may rely on receiving from him such treatment as in all probability may result in a perfect cure. H. J. WHITE, St. Clair Hotel.

The most Extraordinary Discovery in the World is the great Arabian Remedy for Man and Beast!

H. G. Farrell's CELEBRATED ARABIAN LINIMENT.

THE miraculous cures performed by the Arabian physicians in the days of old, were then looked upon as the work of magic, but since we have become intimate with their history we can thus account for their surprising power over disease. Their attainments in the knowledge of medicine were the wonder of the age, while at the same time the science of Chemistry, which with them had its origin, was to the rest of the world "a sealed book." And in Botany they were the most zealous of students. In the beautiful groves which skirt the deserts of Arabia, abound rare plants and odorous woods whence are obtained those aromatic gums and fragrant balsams, of which this incomparable liniment is composed, and by whose stimulating unctuous, penetrating and Anodyne properties it is, when applied, instantaneously diffused through the whole nervous system, allaying the most intense pain in the incredibly short time of 10 or 15 minutes. Its action is prompt, powerful and effectual, without the least danger. It penetrates the flesh to the bone, relaxes contracted cords, restores use to limbs which have been palsied for years, causing the shriveled flesh to grow out and rich blood to circulate through its veins. It restores the Synovial Fluid or Joint Water, and this is the reason why it has been so universally successful in curing all diseases of the Joints. In chronic affections of the Spine, Liver, Lungs and Kidneys, this great Arabian remedy stands unparalleled; for Ague Cake or Enlargement of the Spleen, it is a specific; and for Rheumatism it has performed some of the most extraordinary cures on record; also for Cramps, Swellings, Pains, Wounds, Chilblains, Burns, White Swellings, Tumors, &c. &c. It is equally efficacious in disease of Animals, such as Fistula, Poll Evil, Sweeny, Stiff Complaint, Distemper, Farcy, Sprains, Bruises, Wounds, Mange, Spavins, Windgalls, Splint; and for nearly all diseases, either in man or beast, which require an external application, this liniment stands at the head of all medicines.

The following is from the principal accountant of the wealthy and highly respectable house of Vann & Eno, of Peoria, and presents one of the most successful cures in the annals of medical history:

Mr. H. G. Farrell: Dear Sir, Actuated by a sense of gratefulness, I submit the following as an instance of the utility of your great medicine. My child, three years old, was suddenly attacked with a terrible disease, which, in less than six hours, prostrated it to *total helplessness*. The limbs became so rigid that *not a joint could be bent*: the flesh turned black and cold, and *entirely deprived of feeling*; the eyes fixed, partially closed and altogether *blind*. Following this was *deafness* to all sound; the spine became contracted, and so *curved*, that when laying on its back, the *head and heels only touched*. Indeed, the child presented every appearance of being dead! Immediately on the attack, the family physician was called in, and for *three weeks* he labored to restore it to feeling, but all in vain, although it was blistered a dozen times, and various stimulant liniments applied. A consultation of physicians was then held, but to no purpose. The case was then brought before the Medical Society, but nothing could be suggested which had not already been done; and the doctor then told me he could do nothing more. We then commenced applying your Liniment freely over the entire length of the spine; and you may imagine a parent's joy, when, after a few applications, *returning animation was apparent*. The child rapidly recovered, with the exception of the sight, which did not become perfect for nearly a month. It is now hearty and robust as can be.

Five other cases of the same kind occured in my neighborhood previously, all of which died; when, no doubt, if your Liniment had been used, they would have recovered.
Peoria, March 1, 1851. HENRY G. CLELAND.

Liver Complaint, Erysipelas, and Rheumatism Cured.

RAYWICK, Marion Co., Ky., May 27, 1849.
Mr. H. G. FARRELL—Dear Sir: Your Liniment is selling very well, and doing a vast deal of good among the people. It has cured a bad case of Erysipelas, and an other of a bad pain in the breast. A lady, who was confined to her bed for several months with Liver Complaint and Affection of the Heart, was entirely cured by the use of your Arabian Liniment. She said the doctors could do her no good. It has been applied to a fresh cut, and cured it in a short time. I have been afflicted with Rheumatism for a long time, and just before a wet spell it gave me so much that I had no peace all day; and in the night I commenced bathing and rubbing with your Liniment, and before I was done rubbing, the pain ceased. JOHN BUCKMAN.

Stiff Complaint, Sweeney, Distemper, Corks and Sore Eyes Cured.

[M. Mitchell, Postmaster at Flat, Fulton County, Ill., says:]
Mr. H. G. FARRELL: Your Arabian Liniment is highly prized here. We cured one of my neighbors' horses of the Stiff Complaint by about four or five applications, and I cured one of my own of the Sweeney. Our Sheriff, Joseph Dykes, cured his horse of a bad Cork with it; he also tried it on a colt that had the Distemper very bad, and cured it immediately. He says it is decidedly the greatest horse medicine he ever used. There have been numbers cured of Sore Eyes with it. I find it a very valuable medicine both for man and beast.

Beware of Counterfeits.

TO GUARD AGAINST IMPOSITION, READ THE FOLLOWING CAREFULLY.

The Public are particularly cautioned against a *Base Counterfeit* which has lately made its appearance and is called by the impostor who makes it "W. B. Farrell's Arabian Liniment." This is a dangerous fraud and more liable to deceive from his bearing the name of Farrell. Therefore, be particular never *to call for it by the name* "Farrell's Liniment," for counterfeiters will impose the SPURIOUS article upon you for the genuine, but always ask for "H. G. Farrell's Arabian Liniment," and take no other, as the genuine always has the letters H. G. before Farrell's, his signature is also on the outside wrapper, and these words blown in the glass bottle—"H. G. Farrell's Arabian Liniment, Peoria."

AGENTS wanted in every Town, Village and Hamlet in the United States, in which one is not established. Apply by letter to H. G. Farrell, Peoria, Ill., with good reference as to character, responsibility, &c.

MORSE'S Compound Syrup of Yellow Dock Root,

OCCUPIES the front rank among the proprietary medicines of this country for completely curing Canker, Salt Rheum, Erysipelas, and all other diseases arising from an impure state of the Blood. Also, Liver Complaint, Catarrh, Dyspepsia, Headache, Dizziness, Coughs, Soreness and Tightness about the Chest; Bronchitis, or hoarseness, dryness, and a tickling sensation about the throat; and is used with unprecedented success in all cases of

Female Weakness and General Debility.

Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system.

If the testimony of thousands of living witnesses, from all parts of the country, can be relied upon, it is singularly efficacious in curing *all Humors*, and restoring debilitated and broken down constitutions. It is purely Vegetable in its composition, and so accurately combined in its proportions that the chemical, botanical, and medical properties of each ingredient harmoniously unite to

Professor A. C. Barry's Tricopherous,

OR MEDICATED COMPOUND.—The following testimonial is from Mr. Munn, Editor of the Scientific American. Comment on such evidence is unnecessary:

NEW YORK, Feb. 24, 1849.
Barry's Tricopherous is an article that we take pleasure in awarding the highest commendations. We do not do it upon the recommendation of others, but from our own personal knowledge of its effects upon the hair; while it tends to keep it healthy, soft, and glossy, it also removes dandruff, prevents gray hair, and invigorates its growth in a manner unequalled by any other composition known to us. A person only needs to use one bottle to be convinced of this truth.

Sold in bottles, price 25 cents, at the principal office 137 Broadway, New York.
Sold in large bottles, price 25 cents, at proprietor's prices by R. E. SELLERS, my6 No. 57 Wood st.

The Human Body Must Perspire,

SO SAYS NATURE, to have a healthy appearance; and persons who do not perspire, are liable to the most disgusting Skin Diseases. Now, Jones' Italian Chemical Soap causes a free perspiration, and at the same time mollifies and softens the skin, giving it the texture of an infant's.

Scurvy, Salt Rheum, and Sores, are not only healed, but cured by its use, as at least 7 physicians in N. York know, who use it in such cases, and find it unfailing—as also, in Pimples, Blotches, Freckles, or any other skin disease. The reader is assured that this is no useless, puffed nostrum, as one trial will prove. I could enumerate at least eighty persons cured of sore head, sore legs, and sore breasts.

But—and the reader is again assured I would not cruelly sell it for the above, unless I knew it to be all I state. Those who are liable to chafed, cracked, or chapped flesh, will find this not only a cure, but a preventive; and I can now only add, that any one afflicted with any of the above, or similar diseases, will find this all, and even more (admirable in its properties) than I state.

But, reader, the stores are flooded with imitations, and be sure you ask for Jones' Italian Chemical Soap—and buy it only of WM. JACKSON, only Agent in Pittsburgh, head of Wood.

Pearly White Teeth, and Pure Breath,

to be had for 25 cents—Persons who have either, are honorably assured that if their breath is ever so foul, or their teeth decayed, dark or yellow, and encrusted with tartar, that a 25 cent box of Jones' Amber Tooth Paste will make the teeth as white as snow, and the breath odoriferously sweet.

Sold only at JACKSON'S Store, 240 Liberty st., head of Wood.

A Scientific Hair Tonic, Restorer and Beautifier

—Trial Bottles, 37½ cents. Those who have used Jones' Coral Hair Restorer, know its excellent qualities—those who have not, we assure it to possess the following qualities:—It will force the hair to grow on any part where nature intended hair to grow; stop it falling off; cure scurf or dandruff; and make light, red, or gray hair grow dark. For rendering the hair soft and silky, nothing can exceed this—it makes it truly beautiful, and keeps it so. It is, indeed, the most economical—yet superior—article for the hair.

Sold only at WM. JACKSON'S Store, 240 Liberty street, head of Wood, Pittsburgh.
Prices—37½ cents, 50 cents, and $1.

JONES' Solution of Jet, a Liquid Human Hair Dye, for the changing of white, red, or grey hair, to a beautiful brown, or black jet color, in a few minutes.
Sold by WM. JACKSON, 240 Liberty street, head of Wood, Pittsburgh.

JONES' LILLY WHITE.—Ladies are cautioned against using the common prepared Chalk. They are not aware how frightfully injurious it is to the skin! how coarse, how rough, how sallow, yellow, and unhealthy the skin appears after using prepared Chalk! Besides, it is injurious, containing a large quantity of lead!

We have prepared a beautiful vegetable article, which we call Jones' Spanish Lilly White.

It is perfectly innocent, being purified of all deleterious qualities; and it imparts to the skin a natural, healthy, alabaster, clear, living white; at the same time acting as a cosmetic on the skin, making it soft and smooth.

Sold by the Agent, WM. JACKSON, 240 Liberty street, head of Wood, Pittsburgh. Price, 25 cents.

THIS COMPANY was incorporated in February, 1851, with a Perpetual Charter, and has commenced business on a capital of $100,000.
The Company does business both on the Joint Stock an Mutual plan.
On the Joint Stock plan the rates are one-third less than those charged by Mutual Companies, and Fifteen Per Cent lower than the rates of most Stock Companies.
Mutual rates are the same as those adopted by other safely conducted Companies. Those insured on the mutual principle have the combined securities furnished by that system of insurance, and the Capital and Surplus Fund of the Joint Stock department.
The Charter permits the granting of insurance on life, in every form, including the right of wife, children, parents, relations, friends or creditors—to insure the life of another for their own exclusive benefit, payable after death, or upon the parties arriving at the age of 50, 55, 60, or 65, at the option of the insured.

MEDICAL.

Needles' Celebrated COMPOUND HEMLOCK PLASTER.—

These highly medicated plasters have been made for more than twenty years, during which time they have gained a permanent reputation, as the most efficacious Rheumatic and Strengthening Plaster ever offered. Physicians of the highest eminence, to whom their composition has been submitted, have given the most flattering testimonials as to their superior virtue over all other plasters sold.

The ingredients of their composition, very carefully and correctly combined, render them peculiarly applicable to persons suffering with pulmonary disease.

For pains in the breast, resulting from protracted colds, whooping cough, and local pains in the various neuralgic diseases in the body, their beneficial character is beyond question or dispute. As a remedy in Lumbago, their superiority over all outward applications, such as liniments, &c., has been fully corroborated by the many cures effected.

For weakness and pains in the back and side, resulting from severe strains, diseases of the kidneys, &c., their superiority over all other plasters has been amply tested by hundreds who have experienced cures and relief from their application. To such as suffer with rheumatic pains, these plasters are recommended, with the confident assurance that their beneficial effects will be found very decided.

PETROLEUM, OR ROCK OIL.

"There are more things in heaven and earth, Than are dreamt of in philosophy."

THE VIRTUES of this remarkable remedy, and the constant application for it, to the proprietor, has induced him to have it put up in bottles, with labels and directions, for the benefit of the public.

The PETROLEUM is procured from a well in this county, at a depth of four hundred feet, is a pure, unadulterated article, without any chemical change, but just as it flows from Nature's Great Laboratory!! That it contains properties reaching a number of diseases, is no longer a matter of uncertainty. There are many things in the arcana of nature, which, if known, might be of vast usefulness in alleviating suffering, and restoring the bloom of health and vigor to many a sufferer. Long before the proprietor thought of putting it up in bottles, it had a reputation for the cure of disease. The constant and daily increasing calls for it, and several remarkable cures it has performed, is a sure indication of its future popularity and wide spread application in the cure of disease.

We do not wish to make a long parade of certificates, we are conscious that the medicine can soon work its way into the favor of those who suffer, and wish to be healed. Whilst we do not claim for it a universal application in every disease, we unhesitatingly say, that in a number of Chronic Diseases it is unrivalled. Among these may be enumerated—all diseases of the mucous tissues, such as CHRONIC BRONCHITIS, CONSUMPTION, (in its early stage,) ASTHMA, and all diseases of the air passages, LIVER COMPLAINT, DYSPEPSIA, Diarrhea, Diseases of the Bladder and Kidneys, Pains in the Back or Side, Nervous Diseases, Neuralgia, Palsy, Rheumatic Pains, Gout, Erysipelas, Tetter, Ringworms, Burns, Scalds, Bruises, Old sores, &c. &c. In cases of debility, resulting from exposure, or long and protracted cases of disease, this medicine will bring relief. It will act as a general TONIC and ALTERATIVE in such cases, imparting tone and energy to the whole frame, removing obstructions, opening the sluggish functions, which cause disease and a broken constitution and giving increased and renewed energy to all the organs of life! The proprietor knows of several cures of PILES that resisted every other treatment, get well under the use of the PETROLEUM for a short time. The proof can be given to any person who desires it.

None genuine without the signature of the proprietor.—Sold by the proprietor,
S. M. KIER, Canal Basin, near Seventh street.
Also, by R. E. SELLERS, 57 Wood st., and KEYSER & M'DOWELL, corner Wood street and Virgin Alley, who are nov2dly his regularly appointed Agents.

PROCLAMATION.

KNOW all men who are sick and afflicted with disease of the Bladder and Kidneys, with rheumatic pains in back or limbs, stiff joints, old sores, running ulcers, &c., that they can be cured by taking the PETROLEUM. You may talk about its being a nostrum, as much as you please, but this does not make it so; for we proclaim, in the face of an honest community, that it has virtues which are not contained in any other remedy. The man who is racked with pain, and suffering from disease, can, for 50 cents, get relief from any of the ills enumerated above.

Reader! it costs very little to make a trial. This Petroleum is no mixture—no compound, put up for the purpose of imposing on the community; but it is a remedy elaborated by the master hand of nature, and bubbles up from the bosom of our mother earth, in its original purity, and offers to suffering humanity a ready remedy, a certain and cheap cure.

It has cured Piles, after other medicines have failed to render any relief. It has cured Rheumatism, of long standing, and of the worst kind. It has cured Dyspepsia. It has cured Cholera Morbus, by one or two doses. It has cured Burns and scalds, it is better than any medicine or ointment that we know of. It will cure chilblains and frosted feet, in a few applications; and is used by the afflicted. The proof of the truth contained in the above statement, by calling on SAMUEL M. KIER, Canal Basin, Seventh street, or either of the agents.

Keyser & McDowell, corner of Wood street and Virgin alley; R. E. Sellers, 57 Wood street; D. A. Elliot, and D. M. Curry, Allegheny city, are the agents.

IMPORTANT TO THE AFFLICTED.

DR. ROSE'S CELEBRATED REMEDIES.—Dr. Jacob Rose, the discoverer and sole proprietor of these most popular and beneficial medicines, and also the inventor of the celebrated instrument for inflating the lungs, in effecting a cure of Chronic diseases, was a student of that eminent physician, Doctor Physic, and is a graduate of the University of Pennsylvania, and for thirty years has been engaged in the investigation of diseases and the application of remedies thereto.

Through the use of his inflating tube, in connection with his Prophylactic Syrup, and other of his remedies, he has gained an unparalleled eminence in curing those dreadful and obstinate diseases: Tubercular Consumption, Cancers, Scrofula, Rheumatism, Asthma, Fever and Ague, Fevers of all kinds, Chronic Erysipelas, and all those obstinate diseases peculiar to females. Indeed, every form of disease vanishes under the use of his remedies, to which humanity is heir—not by one compound only, for that is incompatible with Physiological Law, but by the use of his remedies, adapted to, and prescribed for, each peculiar form of disease.

Dr. Rose's Tonic Alterative Pills, when used, are invariably acknowledged to be superior to all others, as a purgative or liver pill, inasmuch as they leave the bowels perfectly free from costiveness; as also his Golden Pills are admitted, by the faculty, to possess peculiar properties, adapted to females. His Golden Pills are admitted to be the most efficacious.

The afflicted are invited to call upon the agent, and procure (gratis) one of the Doctor's pamphlets, giving a detailed account of each remedy, and its application.

COMFORT AND RELIEF FOR THE AFFLICTED

will be found in Dr. Dewitt C. Kellinger's INFALLIBLE LINIMENT, or Magic Fluid, which has stood the test of thirty years experience, and has, beyond a doubt, been the means of saving the lives of thousands of individuals, in almost every class and character of disease. We feel that we hazard nothing in saying that this is the only medicine that has been offered to the community, which has stood the test of time, and it is all that it claims to be.

It has cured, and is capable of curing more diseases than any other medicine offered for sale, or ever has been made or sold, or by what name.

As a strong and convincing proof of the above, we say that it is the only article that has appeared in the form of a patent Medicine that has ever been patronized and received the endorsement of the most respectable men and Family Medicine ever offered for sale, or used by any of them, viz:

The Hon. Moses H. Grinnell, late M. C. The Hon. Robt. H. Morris, late Mayor. Hon. John A. Dix, late U. S. Senator. William H. Porter, Esq., Editor of the Spirit of the Times; and a host of other distinguished citizens of New York, who have fully tested its merits, have permitted the proprietor to refer to them.

As it is well known that Patent Medicines are not generally patronized by the wealthy and polite circles, we have undoubtedly a right to feel ourselves highly privileged in this respect. This Wonder working Compound has been nearly seven years before the public. Its first friends are now its strongest and best. This most undoubtedly is strong and convincing proof of its general usefulness and superior qualities. It is a sovereign remedy for all nervous diseases, rheumatic pains, inflammatory affections, sprains, bruises, old sores, and all the pains and aches that flesh is heir to.

Over 1,000,000 bottles have been sold without complaint, and we have had many astonishing cures, after all other remedies have failed, as well as has been verified, and are in our possession, the strongest possible evidence.

This medicine, or nature's remedy, is prepared from vegetables, the directions of which are fully detailed, to be used for the diseased part—giving it health and strength. It is a sure cure for Diarrhea, Cramps, Bilious Cholic, and all spasmodic affections, diseases of the Kidneys, and Weakness in the small of the back, from whatever cause it may have originated.

For sale in Pittsburgh, by R. E. Sellers, Messrs. Kidd & Co., and Ogden & Snowden; and by the retail Druggists generally. It is put up in four, two, and one shilling bottles. jan22m

To the Readers of the Pittsburgh Gazette.

PUBLIC ATTENTION is respectfully invited to the following truths, set forth in relation to one of the most important remedies of modern times: PETROLEUM OR ROCK OIL: it is not more than one year ago since this great remedy was brought before the public, for the relief and cure of disease. Its great powers to heal, have, since then, become fully appreciated by the community, and we allege that the longer it is tried the more certain will its great fame spread. It is not the remedy of a day, got up for the sole purpose of making money; but, one, which we conceive, will continue to be used when all other nostrums have been forgotten. The Petroleum is a Natural Remedy, elaborated in the depths of the earth by a power and agency that laughs to scorn all human competition. It is our duty, when we write about a medicine, that we write the truth—that we say nothing calculated to deceive those who may trust our word or put confidence in our statements. The sick are very apt to catch at any thing that promises relief from disease. A story can hardly be too highly wrought to answer the object of gulling or humbugging some of them. Now, we do not desire to do this; we are anxious only that the truth in relation to our remedy should be told, in order to secure for it a reputation far exceeding any single article in the materia medica. Plain unvarnished facts—facts that may be ascertained in our city and neighborhood, bear ample testimony in favor of the Petroleum.

Within the past two months, two of our own citizens, who were totally blind, have been restored to sight. Several cases of blindness, in the State of Ohio, have been cured. And, also, the case of a gentleman in Beaver county. There are others, but these are cases near home, and may be referred to by any persons who have doubts on the subject. These cases were cured after they had been abandoned by physicians as hopeless. The Petroleum will cure, when used according to directions—Diarrhea, Dysentery, Piles, Rheumatism, Gout, Neuralgia, Eruptions on the Skin, Pimples on the face, Chronic Sore Eyes, Ringworm, Tetter, Scald Head, pains in the bones and joints, old sores, Ulcers, Wens, Ague, Chronic Coughs, Asthma, Bronchitis, and all Pulmonary affections of a chronic nature, tending to produce Consumption.

Burns and Scalds, diseases of the Bladder and Kidneys, Chapped Hands, Excoriated Nipples, Corns and Bunions. In fact, it is a GREAT UNIVERSAL REMEDY, and has been tried in most of the above diseases within the past year with the most perfect success. Certificates that will astonish are in the hands of the proprietor, who will take pleasure in showing them to the afflicted or their friends.

Whatever others may say about their medicines, the Petroleum is the greatest Remedy of the age. Physicians of high standing in the profession are beginning to use it in their practice. Those who at first looked on with doubt and uncertainty, are willing to award it due praise and consideration. Before another year rolls round, all will be compelled to acknowledge that the Petroleum is the greatest medicine ever discovered. For sale, wholesale and retail, by KEYSER & McDOWELL, 140 Wood st.

Mr. R. E.
