PITTSBURGH GAZETTE.

THE BATTLE FIELD.

We copy the annexed elegant and eloquent poem from the fugitive works of William C. Bryant, an author and a poet, whose productions, many a long year ago, secured to him a position on the high pinnacle of eminence. Mr. Bryant still remains in active editorial service, at the head of the New York Evening Post.—[N. Y. Atlas.

Once this soft turf, this rivulet's sand,
Were trampled by a hurrying crowd,
And fiery hearts and armed hands
Encountered in the battle cloud.

Ah! never shall the land forget,
How gushed the life blood of her brave—
Gushed warm with hope and courage yet,
Upon the soil they fought to save.

Now all is calm, and fresh and still,
Alone the chirp of flitting bird,
A talk of children on the hill,
And bells of wandering kine are heard.

No solemn ghosts go trailing by
The black-mouthed gun and staggering wain;
Men start not at the battle cry,
Oh! be it never heard again!

Soon rested those who fought; but thou
Who minglest in the hardest strife
For truths which men receive not now,
Thy warfare only ends with life.

A friendless warfare! lingering long
Through weary day and weary year,
A wild and many-weaponed throng
Hang on thy front, and flank and rear.

Yet nerve thy spirit to the proof,
And blench not at thy chosen lot,
The timid good may stand aloof,
The sage may frown—yet faint thou not.

Nor heed the shaft too surely cast,
The foul and hissing bolt of scorn;
For with thy sight shall dwell, at last,
The victory of endurance borne.

Truth, crushed to earth, shall rise again;
The eternal years of God are hers;
But Error, wounded, writhes in pain,
And dies among her worshippers.

Yea: though thou lie upon the dust,
When they who helped thee, flee in fear,
Die full of hope and manly trust,
Like those who fell in battle here.

Another hand the sword shall wield,
Another hand the standard wave,
Till from the trumpet's mouth is pealed,
The blast of triumph o'er thy grave.

MEDICAL.

The best Remedy ever known to Man.

Coughs, Asthma Colds, Croup, Bronchitis, Influenza, Bleeding of the Lungs, Difficulty of Breathing, Liver affection, Pain or weakness in the breast or side, First stages of Consumption, &c.

In short, this Balsam is peculiarly adapted to every disease of the Lungs and Liver, which is produced in our ever varying climate.

WILD CHERRY HAS LONG BEEN known to possess important medicinal properties. This fact is familiar to every matron in our land, and physicians often prescribe it in a variety of forms for different complaints. Tar, also has been equally noted for its virtues; and some physicians, whose names are familiar to the country, have gone so far as to declare that even CONSUMPTION could be cured by that alone. In other hands, again, it was nearly valueless, owing no doubt, to their ignorance in preparing and administering it—a difficulty now entirely obviated by patient experiment and long experience.

The extraordinary medicinal qualities of these two substances are now, for the first time, combined and embodied in Dr. Wistar's Balsam of Wild Cherry. By a new chemical process, every thing deleterious or useless is rejected, so that what remains is the most extraordinary and truly efficacious remedy for all kinds of pulmonary and liver diseases ever known to man. To convince all unbelievers that our theory is really true, we refer to a few cases of cures performed by this wonderful medicine.

ANOTHER ASTONISHING CURE.

R. Kalb, a highly respectable merchant of Rushville, Fairfield county, Ohio, sent us the following voluntary tribute to "Dr. Wistar's Balsam of Wild Cherry."

RUSHVILLE, Fairfield Co., Ohio, April 6, 1851.

Mr. J. D. Park—Dear Sir—I wish to state to you that my daughter, Amanda, aged sixteen years, had about a year since, a very severe attack of measles, which reduced her very much, and left her with a racking cough. I employed all of the physicians within our reach for the purpose of removing her cough, but without success. She appeared to be sinking into a decline, with every symptom of consumption.

I then tried "Dr. Rogers' Liverwort and Tar," but this aggravated her cough, and gave her symptoms of a still more malignant character. I was now most seriously alarmed and it was with trembling fear that I from day to day, saw the progress of that insatiable disease, consumption. I really despaired of my daughter's recovery. But I providentially saw the certificate of Jonathan Coulson, whose daughter, Sarah Jane, was cured of consumption, by Wistar's Balsam of Wild Cherry, this created a faint hope that it might help my daughter, and I immediately commenced using it, and it almost instantly gave relief, her health was improved from the first bottle, and by the use of two bottles of Wistar's Balsam of Wild Cherry, she was restored to perfect health, and she is not now at all predisposed to a cough.

I will say to all that are afflicted with any disease tending to consumption, do not despair, for Dr. Wistar's balsam of Wild Cherry will cure you, if you will but try it. R. KALB.

PLEASANT RIDGE, Ham county, O., Sept. 20, 1850.

J. D. Park—Dear Sir—I take the liberty of advising you of the benefit I have derived from the use of Dr. Wistar's Balsam of Wild Cherry. I was prostrated by that terrible scourge, consumption, in May last. The attack was truly horrifying to me, for five of our family (my brothers and sisters) had died of consumption. I was afflicted with nearly all the worst features of the disease. I had a distressing cough and expectorated a great deal of blood, hectic fever, severe pains in the side and chest, cold chills, alternating with flushes of heat and copious night sweats.

I was under the care of a skilful physician, from the time I was taken sick, until about six weeks since, being then about helpless, and my friends considered my case hopeless, or at least beyond our physicians skill, advised the use of Wistar's Balsam of Wild Cherry. Without my knowledge, my father procured it, and commenced administering it to me, and from the first day I commenced taking it, my health improved, and in two weeks from the time I commenced using it, I was able to be out and oversee my business, and labor, which I still continue to do. I have taken four bottles of the medicine, and now consider myself perfectly well. JEREMIAH ISCRIGG.

IMPORTANT TO THOSE AFFLICTED WITH DISEASES OF THE LUNGS AND BREAST.

Will miracles never cease? More evidence of its surpassing health restorative virtues.

CROWN POINT, Lake co., Ia., June 15, 1849.

John D. Park—Dear Sir—As I have a deep commiseration for the afflicted, permit me to give you a brief history of my afflictions, and the benefits derived from the use of Wistar's Balsam of Wild Cherry.

In July, 1844, I was attacked by fever of a typhoid character, which left me in a very debilitated state, when in the following winter I was taken with a severe cold, which reduced me to such an extent as to give me the appearance of a confirmed consumptive. I labored under a severe cough—expectorated a great deal, and was troubled with cold feet and night sweats. I also frequently raised blood from my lungs. I continued in this state, gradually sinking under the disease, until January, 1847, when I was again attacked with fever. My friends despaired of my life, and my physicians thought I could survive but a short time. My extremities, especially my feet, were constantly cold, and almost lost their feeling. Under these circumstances it may be truly said that I was a living skeleton. I finally determined to quit taking medicine prescribed by physicians, and try Dr. Wistar's Balsam of Wild Cherry—and from the first week I commenced taking it, I can date a gradual recovery. I continued its use six months, at the end of which time, I was cured, and have enjoyed good health ever since, and cheerfully recommend the Balsam to all those afflicted with diseases of the lungs—and would say to those commencing its use, not to be discouraged if two or three bottles do not effect a cure, but persevere, as I have done, and I have no doubt [illegible] will be blessed with renewed health as I have been.

Respectfully yours, JOSEPH JACKSON.

CHERRY PECTORAL

FOR THE CURE OF COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, CONSUMPTION.

THIS invaluable remedy for all diseases of the THROAT and LUNGS, has attained a celebrity from its remarkable cures, never equalled by any other medicine before. Other preparations have shown themselves palliatives, and sometimes effected notable cures, but none has ever so fully won the confidence of every community where it is known. After years of trial in every climate the results have indisputably shown it to possess a mastery over this dangerous class of diseases, which could not fail to attract the attention of Physicians, Patients, and the public at large.

See the statement, not of obscure individuals, and from far distant places, but of men who are known and respected throughout the country.

The widely celebrated Surgeon, Doctor VALENTINE MOTT, of New York city, says:

"It gives me pleasure to certify the value and efficacy of "AYER'S CHERRY PECTORAL," which I consider peculiarly adapted to cure diseases of the throat lungs."

DR. PERKINS, the venerable President of the Vermont Medical College, one of the eminently learned physicians of this country, writes, the CHERRY PECTORAL is extensively used in this section, where it has shown unmistakable evidence of its happy effect upon pulmonary diseases.

The Rev. JOHN D. COCHRANE, a distinguished Clergyman of the English Church, writes to the proprietor from Montreal, that "He has been cured of a severe Asthmatic affection, by CHERRY PECTORAL." His letter at full length, may be found in our Circular, to be had of the Agent, and is worth the attention of Asthmatic patients.

This letter is from the well known Druggist at Hillsdale, Michigan, one of the largest dealers in the State; and this case is from his own observation.

HILLSDALE, MICH., Dec. 10, 1848.

Dear Sir—Immediately on receipt of your CHERRY PECTORAL, I carried a bottle to an acquaintance of mine who was thought to be near his end with quick consumption. He was then unable to rise from his bed, and was extremely feeble. His friends believed he must soon die, unless relief could be obtained for him, and I induced them to give your excellent medicine a trial. I immediately left town for three weeks, and you may judge of my surprise on my return, to meet him in the street on my way home from the cars and find he had entirely recovered. Four weeks from the day he commenced taking your medicine, he was at work at his arduous trade of a blacksmith.

There are other cases within my knowledge, where the CHERRY PECTORAL has been singularly successful, but none so marked as this. Very truly yours, G. W. UNDERWOOD.

Hear the Patient.

Dr. J. C. Ayre, Lowell—Dear Sir—Feeling under obligations to you for the restoration of my health, I send you a report of my case, which you are at liberty to publish for the benefit of others. Last autumn I took a bad cold, accompanied by a severe cough, and made use of many medicines, without obtaining relief. I was obliged to give up business, frequently raised blood, and could get no sleep at night. A friend gave me a bottle of your CHERRY PECTORAL, the use of which I immediately commenced, according to directions. I have just purchased the fifth bottle, and am nearly recovered. I now sleep well, my cough has ceased, and all by the use of your valuable medicine. E. S. STONE, A. M., Principal Mt. Hope Seminary.

HANOVER, Ohio, April 3, 1850.

Dear Sir: I wish I could tell all that suffer with a cough what your CHERRY PECTORAL has done for me. It does seem they might be benefitted by the information. I had a lung fever, which left my lungs weak and inflamed; being very feeble and unable to gain strength at all, my friends thought I must soon sink in consumption. I had no appetite, and a dreadful cough was fast wearing me away. I began to take your beautiful medicine, by the advice of a clergyman, who had seen its effects before. It eased my cough at first, and gave me rest at night. In less than a fortnight I could eat well, and my cough had ceased to be troublesome, my appetite returned, and my food nourished me, which soon restored my strength. Now, after five weeks, I am well and strong, with no other help than your Cherry Pectoral. Yours with respect. JULIA DEAN.

I hereby certify that the above statement of my wife is in conformity with my own views of her case, and her cure by Ayre's Cherry Pectoral. JOSEPH DEAN.

The above named Joseph Dean, and Julia, his wife, are personally known to me, and implicit confidence may be placed in their statement. SAMUEL C VAN DERWENT, Pastor of the Baptist Church.

MEDICAL.

We daily hear of the most Astonishing Cures being effected by that great and popular medicine,

H. G. Farrell's CELEBRATED ARABIAN LINIMENT,

THE greatest remedy ever discovered for almost all complaints requiring an external application, either in man or beast. In the short length of time it has been introduced to the public of the United States, it has gained a reputation unequalled by any other medicine in the known world. Why is it? The answer is plain: because no medicine of the kind has ever been put before the public so PERMANENT in its effects; and it will continue to gain friends as long as it performs the most extraordinary cures of various descriptions, after the doctors and all other remedies had failed. We do not only say that the genuine H. G. Farrell's Arabian Liniment can and does perform cures which no other medicine can do, but you have here certificates of what it has done.

Thadeus Smith, of Mudy Creek, Caldwell county, Ill., says: "I had lost the use of my arm for more than a year, by Palsy or Paralysis, the flesh had entirely withered away, leaving nothing but skin, muscle and bone. I tried all the best doctors, and all the remedies I could hear of, but they did no good. I then commenced the use of H. G. Farrell's Arabian Liniment, and a few bottles entirely cured me, and my arm is now as strong and fleshy as the other. It is also first rate for burns, sprains and bruises."

The celebrated Dr. JAYNE, whose reputation as a benefactor to mankind, extends over the whole world, reports that a lady of one of the first families in Philadelphia had been confined to her bed fourteen years with rheumatism, and was cured by H. G. Farrell's Arabian Liniment. He also says: "Your Liniment is gaining rapidly; send me a supply immediately by Leech's fast line."

My daughter, when six months old, was taken with a swelling in the tonsils, which grew larger and larger, till when six years old she had great difficulty in swallowing her food. Every night watch was kept, fearing she would suffocate. The best doctors attended her, but could give no relief. I took her to the most eminent doctors in the east, they said there was no help for her but to outgrow it. With a sad heart I returned home, when her case became so much worse that the doctors said it must be cut out, but I would not consent to this, and determined to try your liniment, which gave relief the very first application, and in a few weeks she entirely recovered. She is now 10 years old and hearty and healthy as could be desired. [illegible] GEORGE FORD.

Peoria, March 20, 1849.

Mr. H. G. FARRELL: Your Arabian Liniment is the greatest medicine for horse flesh in the world. I had a mare about to foal, when she became so helpless that she could not rise from the ground; she was in this way for several days, when, by advice of others, I was going to kill her, when I remembered the use of your excellent Liniment, a little of which I used over the loins, and, astonishing as it may appear, the mare got up and walked herself. I have paid [illegible] dollars for her before, and many advised me to shoot her to put her out of misery: she is now one of my best mares. I suppose it was a strain in the loins. G. W. HUNT. Peoria, Ill., July 1, 1849.

Beware of Counterfeits

TO GUARD AGAINST IMPOSITION, READ THE FOLLOWING CAREFULLY.

The Public are particularly cautioned against a *Base Counterfeit* which has lately made its appearance, and is called by the impostor who makes it "W. B. Farrell's Arabian Liniment." This is a dangerous fraud and more liable to deceive from its bearing the name of Farrell. Therefore be particular to ask for the genuine "Farrell's Liniment," for unprincipled dealers will impose the SPURIOUS mixture upon you for the genuine, but always ask for "*H. G. Farrell's Arabian Liniment*," and take no other, as the genuine always has the letters *H. G.* before Farrell's, his signature is also on the outside wrapper, and the words blown in the glass bottle—"H. G. Farrell's Arabian Liniment, Peoria."

AGENTS wanted in every Town, Village and Hamlet in the United States, in which one is not already established. Apply by letter to H. G. Farrell, Peoria, Ill., with good reference as to character, responsibility, &c.

S. N. WICKERSHAM'S PECTORAL COMPOUND—This preparation has proved itself to be of very great efficacy in the cure of obstinate Coughs, Colds, Asthma, Whooping Cough, Spitting of Blood, and other Pneumonic affections; and the proprietor feels warranted in recommending it as a safe and useful medicine, and is prepared to show certificates of indisputable authority, in testimony of its value.

PITTSBURGH, Feb. 2, 1852.

This is to certify that, after having used all the popular cough preparations of the day, I was induced to try S. N. Wickersham's Pectoral Compound for Colds, Coughs, &c., and after using one bottle was entirely relieved. I can recommend it to the public, and do not hesitate to pronounce it the best preparation now offered to the public. HENRY G. FAHNESTOCK.

PITTSBURGH, Feb. 15, 1852.

I do certify that I purchased a bottle of S. N. Wickersham's Pectoral Compound, for the cure of Coughs and Colds, and after using it my cough, which had been very troublesome, was entirely relieved. I recommend it to all persons afflicted with coughs and colds, as a safe and speedy remedy, and superior to any other article of the kind now before the public. JOHN McGUIRK.

DR. ROSE'S CELEBRATED REMEDIES. Through the use of his inflating tube, in connection with his Prophylactic Syrup, and other of his remedies, he has gained an unparalleled reputation in curing those direful diseases, [illegible] Scrofula, Rheumatism, Asthma, Fever and Ague, Neuralgia, Dyspepsia, [illegible]. To the Readers of the Pittsburgh Gazette.

PUBLIC ATTENTION is respectfully invited to the following truths, set forth in relation to PETROLEUM OR ROCK OIL; one of the most important remedies of modern times. A year ago since this great remedy was brought before the public, for the relief and cure of disease. Its great powers to heal, have, since then, become fully appreciated by the community, and we are daily told, the longer it is tried the greater its fame spreads. It is not the remedy of a day, got up for the sole purpose of making money; but one which, we conceive, will continue to be used when other nostrums have been forgotten. The Petroleum is a Natural Remedy, elaborated in the depths of the earth by a power and agency that laughs to scorn all human skill; [illegible]

Great Cure of Liver Complaint,

BY the original, only true and genuine Liver Pill.

SHORT CREEK, Ohio co., Va., March 27, 1849.

Mr. R. E. Sellers—Dear Sir: I think it a duty I owe to you and the public generally, to state that I have been afflicted with Liver Complaint for a long time, and so bad that an abscess formed and broke, which left me in a very low state. Having heard of your celebrated Liver Pills being for sale by A. R. Sharp, in West Liberty, and recommended to me by my physician, Dr. J. Smith, I concluded to give them a fair trial. I purchased one box, and found them to be just what they are recommended, the best Liver Pill ever used; and after taking four boxes I find the disease has entirely left me, and I am now perfectly well. Respectfully yours, R. H. COLEMAN.

WEST LIBERTY, March 29, 1849.

I certify that I am personally acquainted with Mr. Coleman, and can bear testimony to the truth of the above certificate. A. R. SHARP.
