New Coach Factory—Allegheny.

M. A. WHITE & CO. would respectfully inform the public that they have erected a shop on Lacock, between Federal and Sandusky streets. They are now prepared to manufacture Coaches, Carriages, Barouches, Buggies, Pleasure &c. &c. which, from their long experience in the manufacture of the above work, and the facilities they have, they feel confident they can sell as cheap and as good, on as reasonable terms with three wanting articles in their line.

Parties giving the subscribers a trial, will find the selection of materials, and having none but competent workmen, they have no hesitation in warranting their work. We therefore solicit the attention of the public to this matter.
