Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of evil and Great Depression of Spirits,

CAN BE EFFECTUALLY CURED BY **DR. HOOFLAND'S CELEBRATED GERMAN BITTERS,** PREPARED BY **DR. C. M. JACKSON,** No. 120 Arch street, Philadelphia.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, withal, safe, certain and pleasant.

Read and be Convinced.

The following account of the cure of THE REV. J. W. PARKER is extracted from the *Christian Chronicle*:

"MONTROSE, Susquehanna co., Pa., Feb. 7th, 1852.

Dr. C. M. Jackson, Dear Sir:—I believe your German Bitters are what they are represented to be. For more than one year I have been troubled with Chronic Diarrhoea, perhaps seven-eighths of the time, until about the middle of last September, when I became enfeebled, and finally prostrated by it. My stomach and the mucous membranes of my bowels became dreadfully diseased and inactive. In that condition, I called upon a physician, who understood my case and checked the disease, and in a measure, restored action to my bowels. But still my stomach and bowels were not right, my tongue continued to be much coated; the relax frequently checked my powders; the digestive organs but partially performing their regular functions, together with extreme nervous debility. Being an agent for the Christian Chronicle, I noticed Dr. Hoofland's German Bitters advertised, and several certificates annexed, recommending your Bitters in cases similar to mine. I sent to your agent, Mr. A. Torrel, at Montrose, and procured two bottles, and commenced according to directions, strictly. Before I had used up the first bottle I found that the coating was fast being removed from my tongue, and the bowels and stomach becoming natural and regular. I have used 5 bottles; my nerves have been materially helped, and I have reason to hope that I am being perfectly restored; whereas the disease had been working so long, and I was brought so low, that in November last my restoration was despaired of, as was stated in a letter of Elder G. M. Spratt, and published in the Christian Chronicle of Dec. 3d.

Now, sir, I am aware that but few, at least in this region, know anything about your Bitters. I wish they did; for I believe there are hundreds in this region who might be cured by the use of those Bitters. Yours respectfully, J. W. PARKER."

CARTER'S SPANISH MIXTURE.
THE GREAT PURIFIER OF THE BLOOD.
NOT A PARTICLE OF MERCURY IN IT.

AN INFALLIBLE REMEDY for Scrofula, King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Boils, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Disorders, Lumbago, Spinal Complaints, and all Diseases arising from an injudicious use of Mercury, Imprudence in Life, or Impurity of the Blood.

This valuable Medicine, which has become celebrated for the number of extraordinary cures effected through its agency, has induced the proprietors, at the urgent request of their friends, to offer it to the public, which they do with the utmost confidence in its virtues and wonderful curative properties. The following certificates, selected from a large number, are, however, stronger testimony than the mere word of the proprietors; and are all from gentlemen well known in their localities, and of the highest respectability, many of them residing in the city of Richmond, Va.

P. BOYDEN, Esq., of the Exchange Hotel, Richmond, known everywhere, says he has seen the Medicine called CARTER'S SPANISH MIXTURE administered in over a hundred cases, in nearly all the diseases for which it is recommended, with the most astonishingly good results. He says it is the most extraordinary medicine he has ever seen.

AGUE AND FEVER—GREAT CURE.—I hereby certify that for three years I had Ague and Fever of the most violent description. I had several physicians, took large quantities of Quinine, Mercury, and I believe all the Tonics advertised, but all without any permanent relief. At last I tried Carter's Spanish Mixture, two bottles of which effectually cured me, and I am happy to say I have had neither Chills or Fevers since. I consider it the best Tonic in the world, and the only medicine that ever reached my case. JOHN LONGDON.

Beaver Dam, near Richmond, Va.

C. B. LUCK, Esq., now in the city of Richmond, and for many years in the Post Office, has such confidence in the astonishing efficacy of Carter's Spanish Mixture, that he has bought upwards of 50 bottles, which he has given away to the afflicted. Mr. Luck says he has never known it to fail when taken according to directions.

Dr. MINGE, a practicing Physician, and formerly of the City Hotel, in the city of Richmond, says he has witnessed in a number of instances the effects of Carter's Spanish Mixture which were most truly surprising. He says in a case of Consumption, dependent on the Liver, the good effects were wonderful indeed.

SAMUEL M. DRINKER, of the firm of Drinker & Morris, Richmond, was cured of Liver Complaint of 8 years standing, by the use of two bottles of Carter's Spanish Mixture.

GREAT CURE OF SCROFULA.—The Editors of the Richmond Republican had a servant employed in their press room cured of violent Scrofula, combined with Rheumatism, which entirely disabled him from work. Two bottles of Carter's Spanish Mixture made a perfect cure of him, and the Editors, in a public notice, say they "cheerfully recommend it to all who are afflicted with any disease of the blood."

STILL ANOTHER CURE OF SCROFULA.—I had a very valuable boy cured of Scrofula by Carter's Spanish Mixture. I consider it truly a valuable medicine. JAMES M. TAYLOR, Conductor on the R. F. & P. R. R. Co., Richmond, Virginia.

SALT RHEUM OF 20 YEARS STANDING CURED.—Mr. JOHN THOMPSON, residing in the city of Richmond, was cured by three bottles of Carter's Spanish Mixture, of Salt Rheum, which he had nearly 20 years, and which all the physicians of the city could not cure. Mr. Thompson is a well known merchant in the city of Richmond, Va., and his cure is most remarkable.

WM. A. MATHEWS, of Richmond, had a servant cured of Syphilis, in the worst form, by Carter's Spanish Mixture. He says he cheerfully recommends it, and considers it an invaluable medicine.

RICHARD E. WEST, of Richmond, was cured of Scrofula and what physicians called confirmed Consumption, by three bottles of Carter's Spanish Mixture.

EDWIN BURTON, commissioner of the revenue, says he has seen the good effects of Carter's Spanish Mixture in a number of Syphilitic cases, and says it is a perfect cure for that horrible disease.

WM. G. HARWOOD, of Richmond, cured of Old Sores and Ulcers, which disabled him from walking. Took a few bottles of Carter's Spanish Mixture, and was enabled to walk without a crutch, in a short time permanently cured.

Fifteen Dollars Only

FOR A BEAUTIFUL HOMESTEAD, AT the village of ROSEVALE, a delightful and healthy location—EIGHTY FARMS, worth over \$13,000, 2,080 BUILDING LOTS to be distributed among six hundred subscribers on the FIRST DAY OF SEPTEMBER, 1853. A large number of these are already engaged. Many of the lots near there have been sold for from 200 to 500 per cent. advance over the price for which these Lots are now offered; and a purchase at this time will be a good investment.

Real estate on all parts of Long Island is rapidly advancing in price, and is constantly being purchased for farming and gardening purposes, and permanent investments. Within a few days past, Mr. Lott Wyckoff sold 44 acres of land at East New York, L. I., for \$10,000, and \$66,000 has been offered for seventy-two acres, and refused by the owner, in the town of Newton, L. I. Farms have recently been sold for from \$600 to \$1,500 per acre, according to location and capability of producing all kinds of grain, fruit and garden vegetables for the New York market, increase from five to ten times its present cost.

Each subscriber is entitled for Building Lots 25 by 100 feet, lying together, or a Farm of from 3 to 20 acres. The shares are \$15, payable in monthly instalments of \$5 each. If desired a warrantee deed will be made out immediately after the distribution, and delivered directly after paying the balance.

The village of Rosevale, where these Lots are located, is only a short distance south of the celebrated Lake Ronkonkoma, the beauty and romantic appearance of which are praised by all who visit it. Here may already be seen the best evidence that can be desired that Rosevale, Lakeland, and Hermanville, will shortly become choice places on Long Island, long known as the "Garden Spot" of America. From the published statistical accounts of the late census taken by the United States, it is shown that Long Island is the most healthy location within its borders—fewer deaths according to its population than in any other place.

The Farms from which I am now selling at from \$20 to \$30 per acre, are of the same general character as to soil with those now under cultivation, which cannot be purchased for \$100 per acre, and land on the north and south of this with no better soil naturally, sells for from \$200 to \$500 per acre.

MEDICAL.

A PHENOMENON IN MEDICINE.
HEALTH RESTORED AND LIFE LENGTHENED, BY PROFESSOR MORSE'S
INVIGORATING ELIXIR, OR CORDIAL.

FOR centuries Medical Science has been ransacking the vegetable and mineral kingdom, in search of something that should restore the lost or decaying energies of the nervous and muscular systems, without the drawback of subsequent prostration, which all stimulants, tonics, and narcotics had heretofore entailed. *That something has been found.* It is a vegetable production, brought from the sterile deserts of Arabia the Stony, by the celebrated Professor M. Morse, well known as a distinguished member of the leading Scientific Societies of the Old World, and equally distinguished as a physician, a chemist and a traveler. The juices of this herb, concentrated and combined with other vegetable medicinal extracts, are now producing results heretofore unheard of, in this or any other country. At first, the properties attributed to Prof. MORSE'S INVIGORATING ELIXIR OR CORDIAL, were deemed fabulous. The public often deceived *could not believe* the simple and sublime truths announced by the discoverer. But facts, undeniable facts attested by witnesses of the highest class and character, are now triumphing over all doubts. Incredulity is overthrown, by a mass of testimony which is perfectly irresistible.

The ELIXIR remedies, in all cases, the deplorable evils arising from a misuse or abuse of the various organs which make up the wonderful machine called man. It restores to full vigor every delicate function connected with that mysterious compound agency of matter and mind, necessary to the *reproduction of human life*. To persons of feeble muscular frame, or deficient in vital power, it is recommended as the only means of communicating that energy which is necessary to the proper enjoyment of all the natural appetites, as well as the higher mental attributes. Its beneficial effects are not confined to either sex or to any age. The feeble girl, the ailing wife, the listless, enervated youth, the over worn man of business, the victim of nervous depression, the individual suffering from general debility, or from the weakness of a single organ, will all find immediate and permanent relief from the use of this incomparable renovator. To those who have a predisposition to paralysis, it will prove a complete and unfailing safeguard against that terrible malady. There are many, perhaps, who have so trifled with their constitution, that they think themselves beyond the reach of medicine. Let not even these despair. The ELIXIR deals with disease as it exists, without reference to causes, and will not only remove the disorder itself, but *rebuild the broken constitution*.

The derangement of the system, leading to nervous diseases, and the forms of nervous disease itself, are so numerous that it would require a column to enumerate the maladies for which this preparation is a specific. *A few* however, may be enumerated, viz: neuralgia, tic doloreaux, headache, incipient paralysis, hysteria, palpitation of the heart, spinal affections, muscular debility, tremors, flatulence, a pricking sensation in the flesh, numbness, torpidity of the liver, mental depression, weakness of the will, indisposition to move, faintness after exercise, broken sleep and terrifying dreams, inability to remain in one place or position, weakness of the procreative organs, sexual incompetency, melancholy, monomania, fluor albus, sinking at the stomach, female irregularities, a chronic tendency to miscarriage, emaciation, and all complaints growing out of a free indulgence of the passions, and all barrenness that does not proceed from organic causes beyond the reach of medicine.

Whenever the organs to be acted upon are free from malformation or strictural diseases, it is averred that MORSE'S INVIGORATING ELIXIR will replace weakness with strength, incapacity with efficiency, irregularity with uniform and natural activity, and this not only without hazard of reaction, but with a happy effect on the general organization. Bear in mind that all maladies, wherever they begin, finish with the nervous system, and that the paralization of the nerves of motion and sensation is *physical death*. Bear in mind also, that for every kind of nervous disease the Elixir Cordial is the only reliable preparation known.

CURE OF NERVOUS DISEASES.

No language can convey an adequate idea of the immediate and almost miraculous change which it occasions in the diseased, debilitated and shattered nervous system, whether broken down by excess, weak by nature, or impaired by sickness, the unstrung and relaxed organization is at once braced, revivified and built up. The mental and physical symptoms of nervous disease vanish together under its influence. Nor is the effect temporary; on the contrary, the relief is permanent, for the cordial properties of the medicine reach the constitution itself, and restore it to its normal condition. Well may the preparation be called the *Medical Wonder* of the nineteenth century. It is, as the first scientific men in the world have admitted, that miracle of medicine heretofore supposed to have no existence.

A STIMULANT THAT ENTAILS NO REACTION.

Its force is never expended, as is the case with opium, alcoholic preparations and all other excitants. The effect of these is brief, and it may well be said of him who takes them, "The last state of that man is worse than the first." But the Elixir is an exhilarant without a single drawback—safe in its operation, perpetual in its happy influence upon the nerves, the mind, and the entire organization—it will also remove depression, excitement, a tendency to blush, sleeplessness, dislike of society, incapacity for study or business, *loss of memory*, confusion, giddiness, rush of blood to the head, melancholy, mental debility, hysteria, wretchedness, thoughts of self destruction, fear of insanity, hypochondriasis, dyspepsia, general prostration, irritability, nervousness, inability to sleep, diseases incident to females, decay of the propagating functions, hysteria, monomania, vague terrors, palpitation of the heart, impotency, constipation, etc., etc., from whatever cause arising it is, if there is any reliance to be placed on human testimony, absolutely infallible.

A GREAT MEDICINE FOR FEMALES.

The unparalleled effects of this great restorative, in all complaints incident to females, mark a new era in the annals of medicine. Thousands of stimulants have been invented—thousands of invigorants concocted—all purporting to be specified in the various diseases and derangements to which the delicate formation of woman render her liable. The result has heretofore been uniform. These nostrums have indeed imparted a momentary vivacity to the nervous system, a transient and delusive vigor to the muscles; but this flash of relief has been succeeded by a depression and prostration greater than before, and the end has too often been utterly to paralyze the recuperative power of the nerves and the vital organization, and finally to destroy the unhappy patient. But in MORSE'S INVIGORATING ELIXIR, is presented as a phenomena in the materia medica hitherto unheard of—a stimulant without a reaction.

The herb which forms its main ingredient, has been admitted by all the great medical and pharmaceutical institutions of Europe to be in this respect *sui generis*. Dr. Morse, whose name is an undisputed authority in science discovered the production in Arabia, where his attention was excited by the wonderfully invigorating effects it produced upon the natives. In fact, the wonderful power of endurance, the exhaustless vigor exhibited by the Arabs of both sexes in their desert pilgrimages, is attributable to the use of this vitalizing herb.

An appeal is made to EVERY WOMAN OF SENSE, who suffers from weakness, derangement, nervousness, tremors, pains in the back, or any other disorder, whether peculiar to her sex, or common to both sexes, to give the Invigorating Cordial a trial.

MARRIED PERSONS, or others, will find this Cordial, after they have used a bottle or two, a thorough regenerator of the system. In all directions are to be found the happy parents of healthy offspring, who would not have been so, but for this extraordinary preparation.—And it is equally potent for the many diseases for which it is recommended. Thousands of young men have been restored by using it, and not in a single instance has it failed to benefit them.

PERSONS OF PALE COMPLEXION, or consumptive habits are restored by the use of a bottle or two to bloom and vigor, changing the skin from a pale, yellow, sickly color, to a beautiful florid complexion.

TO THE MISGUIDED.

These are some of the sad and melancholy effects produced by early habits of youth, viz: weakness of the back and limbs, pains in the head, dimness of sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, derangement of the digestive functions, general debility, symptoms of consumption, &c.

Mentally, the fearful effects on the mind are much to be dreaded. Loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion of society, self distrust, love of solitude, timidity, &c., are some of the evils produced.

CAUTION.

Dr. Morse's Invigorating Cordial has been counterfeited by some unprincipled persons.

In future all the genuine Cordial will have the proprietor's fac-simile pasted over the cork of each bottle, and the following words blown in the glass: *Dr. Morse's Invigorating Cordial, C. H. Ring, Proprietor, N. Y.*

B. A. FAHNESTOCK'S VERMIFUGE Used at the last moment with success!

WASHINGTON COUNTY, Pa., Nov. 1852.

A neighbor of mine had a child that was very sick, and the physician attending it exerted all his skill for its relief, but without avail. They sent to Canonsburg for Dr. L., who came over to our place, and upon an examination of the case approved of all that the attending physician had done, but could do nothing more for it. The child was given up. Dr. L. then said that there could be no risk in trying *Fahnestock's Vermifuge*, and thought they had better get some. They went to my store and procured some. After administering the first bottle, according to the printed directions, the child passed a few worms. They then gave it about half of another bottle, when it passed between *two and three hundred worms*, and immediately after commenced improving, and was completely restored to health. SAMUEL BARNES.

ANOTHER EVIDENCE—From Dr. Winslow Lewis, one of the most eminent physicians of Boston.

BOSTON, February 15, 1847.

Mr. William Bogle—Sir: The preparation invented by you for the HAIR, has been extensively used in my family for some time, and they give it the decided preference over all other compositions of the kind. It invigorates and beautifies the Hair, and clears the skin of all impurities, without producing any ultimate deleterious effects, which are so frequently the result of many well known patented compounds. Having been thoroughly tested, and its reputation fairly established as the best article known for the human Hair, it may be superfluous, still I cannot resist the opportunity to add to others the name of your obedient servant, WINSLOW LEWIS, Jr.

THIRTY FEET OF TAPE WORM EXPELLED by using B. A. FAHNESTOCK'S VERMIFUGE. Mr. Booth is a gentleman well and favorably known in his place of business.

[From Mr. Wm. W. Booth, Druggist.] FENTONVILLE, Mich., Feb. 8, 1853.

Messrs. B. A. Fahnestock & Co.—Gentlemen: I have had a great sale for your Vermifuge. Besides what you sent me, I bought, with Birdsall & Irwin's stock of drugs, over five dozen, nearly the whole of which is sold. It does great execution amongst the worms. Mr. Parke gave his son (nine years old) three bottles of your Vermifuge, and it brought away nearly thirty feet of Tape Worm! Daniel Odell gave two bottles to a child four years old, and it passed about one hundred worms nearly a foot long, and many smaller ones came away, and the child is well. As soon as navigation opens I shall order an additional supply. Respectfully, yours, &c., WM. W. BOOTH.

Seller's Family Medicines.

GRAHAM'S STATION, Ohio, May 25, 1849.

MR. R. E. SELLERS:—I think it right for the benefit of others, to state some facts in relation to your excellent Family Medicines. I have used your Vermifuge largely in my family, one vial frequently answering for expelling large quantities (say 100 to 200) of worms from two children. I have also used your Liver Pills and Cough Syrup in my family, and they have in every instance, produced the effect desired. As I am engaged in merchandising, I am able to state that I have yet to hear the first failure where your medicines have been used, in my section of the country. In conclusion, I may state that they are the medicines of the day, and are destined to have a very extensive popularity. Yours Respectfully, W. H. PENNELL.
