ANNOUNCEMENT.—To our Patrons and advertisers. We have entered into arrangements with J. Wilson McMullen, Esq., Attorney at Law, 1 Walnut street, Philadelphia, to attend to the collection of our bills for subscription and advertisements in that city, and we hereby give notice that Mr. McMullen's receipts will be recognized and duly credited on bills, as for all money paid him on our account.

TO SUBSCRIBERS.

News papers cannot be published without money; and the publishers have too often for their own pecuniary comfort to remind their subscribers of the old proverb that,

"Time and tide wait for no man."

We, therefore, by way of reminder, enclose a bill for subscription to-days issue to a number of subscribers, and would request a prompt response. Those who have already received bills, and allowing themselves indebted to us, will please give the above notice their early attention.
