COURT convenes next week.

OUR lumbermen want snow.

TEA-DRINKING is growing popular

BUSINESS is unusually dull at present.

THE penny post was a French invention.

OUR State government costs $1.20 per capita.

LAST Sunday was the most pleasant day we have had this winter.

LAST Tuesday was a very dark and gloomy day.

OIL CITY merchants promise their wives nice sets of furs when oil is worth $3.00 per barrel.

COOK & BREWER are erecting a large and commodious ice house back of their meat market.

A MCKEAN county buck treed a hunter the other day and kept him there for several hours.

WE know of men who are too poor to pay small debts, who can spend a dollar a day for cigars and whisky.

UNDER the new Constitution, the Spring elections will take place in February instead of March as heretofore.

NINETEEN brothers of General Ryan, who was one of the victims of the Virginius affair, have turned up at different cities, imploring public charity.

DURING the year ended New York had one hoasand, three hundred and ninety fires, and sustained loss of property amounting to more than $2,000,000.

THE following are a partial list of causes set down for trial at the January term of court. All the others has been canceled: Nos. 6, 10, 11, 12, 16, 22, 24 and 25.

POSTAL CARDS may be sent to Germany, including Austria, Hungary, and the Grand Duchy of Luxenburg, by affixing thereto an ordinary one cent U. S. postage stamp.

THE green paper used to wrap about lozenges and confection of many kinds has been examined by a chemist and pronounced deadly poison. Keep all such from your children.

ALL the collieries of the Philadelphia coal and iron Company have resumed work with the exception of Northumberland, Franklin, one and two, and the Knickerbocker. The idle collieries will start soon.

ROENA CRANDLE, *alias* Mrs. Scott, now in Fort Oyster, charged with poisoning her so-called husband, J. S. Scott, will certainly have a trial at the next term of court, which commences next Monday, January 12th, 1874.

WE wish to announce to our subscribers that the price of subscription of the valuable paper, *Pomeroy's Democrat*, has been reduced to only $2.00 per annum. Specimen copies will be sent free to all persons sending their address to M. M. Pomeroy, Box 5217, New York City.

A SWEDE in Clearfield county is ready for engagements to crush out despotism, level roads, or pilot surveyors through forests thick with undergrowth and snakes. He wears boots 19 inches long, and wider than any religous weekly paper now published in New Jersey. A field roller would be a superfluous implement on his farm. It will never do to let Barnum hear of this living wonder.
