IS FRIDAY UNLUCKY.—The whaleship Hillman which arrived here on Friday, seems to disprove the old superstition that Friday is an unlucky day, most materially. We learn from the first officer of the vessel, that the Hillman sailed from this port on Friday, that she took the first blackfish on Friday, her first whale on Friday, made her first port out on Friday, and finally arrived here on Friday, with 3,500 barrels of whale oil, 180 barrels sperm oil, and 61,000 lbs. of bone on board and sent home. Is Friday unlucky? The owners of the Hillman we presume, are inclined to the opinion that it is not.—*New Bedford Standard.*

NEW YORK, Its Upper Ten and Lower Million! BY GEORGE LIPPARD. Author of "Washington and his Generals," "The Nazarene," "Paul Ardenheim," "Jesus and the Poor," "Adonai," "The Quaker City," &c.

"This is the best work ever written by Lippard; one continued scene of excitement from the commencement to the close. Those who have read Dumas' Count de Monte Christo, or The Wandering Jew, are under the impression, will be equally pleased with this. Novel readers will find this the most interesting work that has issued from the press for some time.—*Enquirer.*

George Lippard's Great Work—New York: Its Upper Ten and Lower Million.—Novel readers will be perfectly delighted with this new work. The incidents delineated in this work are of the most exciting character. We should not be surprised if the demand for it should exceed that of Uncle Tom's Cabin.—*Times.*

From the Louisville Courier. *New York: Its Upper Ten and Lower Million.*—George Lippard's last and best work. This novel requires only to be read to be correctly appreciated. As an enchanting work, it is unsurpassed. We believe it will be impossible for any person who commences this work, to leave it off until he has turned over its last page.

HOLLAND BITTERS

BOERHAVE'S ELECTRO-CHEMICAL AROMA, OR GENUINE HOLLAND BITTERS.

FROM LOUIS A. D'ISRAELI'S, Chemist and Pharmaceutist, of Amsterdam, the only Manufacturer. A purely Vegetable Compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our Father Land scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

IT IS A SURE REMEDY FOR Fever and Ague, Dyspepsia, Sick Headache, Headache, Sour and Foul Stomach, Offensive Breath, Biliousness, unpleasant taste in the mouth after eating or sleeping, indigestion, costiveness, nausea, vertigo, extreme languor and exhaustion, loss of appetite, despondency, drowsiness, impaired sight and memory, pain and sense of fulness in the head, and all diseases arising from a disordered state of THE LIVER OR STOMACH.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor into the system.

A TRULY VALUABLE MEDICINE In all cases of Diarrhoea, Dysentery, Cholic, Cholera Morbus, and the many unpleasant effects attending a change of water or climate.

Certificate of Mr. B. O. Woods, late Justice of the Peace, East Birmingham.

Mr. Benjamin Page, Jr.—*Dear Sir:* I would say that I have been afflicted with a disease of the stomach, palpitation of the heart, and nervous headache for nearly fifteen years, and have spent some hundreds of dollars in order to effect a cure, but to no purpose. After having used three bottles of your "Boerhave Electro-Chemical Aroma, or Holland Bitters," I am entirely restored. I can eat and sleep well, and attend to my business with pleasure, and would therefore recommend it to all those who are similarly afflicted. D. B. WOODS.

PITTSBURGH, Aug. 24, 1853.

Mr. Benj. Page, Jr.—*Dear Sir:* My sincerest thanks are due to the friend recommending your Holland Bitters. Having suffered for some time with headache, loss of appetite, mental depression, and in fact general disorder of the system, I now feel, after using but one bottle, conscious of returning health. (Signed) NICOLUS SCHOSTER.

Benj. Page, Jr., Esq.—*Dear Sir:* I have been relieved of the most distressing form of Dyspepsia, by the use of Boerhave's Holland Bitters, (purchased of you) after suffering for 3 years with head-ache, nausea, and general debility attending indigestion. I now feel perfectly restored. Yours, respectfully, JOHN RUTHERFORD, No. 90 Wylie st., Pittsburgh.

To Capitalists, Manufacturers and Mechanics. THE 'Beaver Manufacturing Company,' under a Charter from the Legislature of Pennsylvania, with a Capital of $300,000, propose to establish, in the village of Brighton, Beaver Co., Pa., a number of FURNACES and an extensive ROLLING MILL with the necessary machinery and apparatus for the production of Bar Iron, Sheet Iron, Nails, Spikes, &c., &c., and as soon as practicable, a Mill for Railroad Iron.

Towards the accomplishment of this object they are willing to furnish the appropriate *sites* and *grounds* for the works, together with the necessary amount of water power, the privilege of getting coal, iron ore, fire clay, building stone, timber, &c., all of which they have in great abundance; also, dwellings, mechanics shops and vacant lots, for the occupancy of operatives and others—to erect a large and commodious race or canal sixty feet wide, for the more convenient and abundant supply of water, and for the passage of boats to and from the works, and to erect suitable buildings in which to carry on the contemplated manufacturing operations.

Such grounds, water power, erections, improvements and privileges, they propose to put in as so much capital; and it is hoped that other parties, with some capital, practical knowledge and mechanical experience, will be found ready and willing to supply the machinery, the manufacturing labor, and a portion of the working cash capital. The company is willing to contribute as a large stockholder, say from one-fourth to three-fourths of the whole capital required, for each particular branch of business, as it is their determination to afford every possible aid and facility to those who identify themselves with this enterprise; and they accordingly offer equally liberal inducements for the establishment of many other branches of *American manufacture*, not above enumerated, especially those which tend to the more extensive development of the mineral stores by which their position is surrounded, and their own grounds so richly and extensively pervaded. (See multiplication and extension of iron manufactures below.)

The Company are now repairing their Cotton Factory and Flouring Mill, and are wishing for some practical and responsible parties either or both for a term of years, and upon liberal terms—that their own attention may be more particularly directed to the establishment and promotion of other branches, some of which have been enumerated, and to which they would add the building of locomotives, cars, coaches, carriages, and the making of pottery, fire-brick and glass, &c., for which they have the materials upon their own ground, and in great perfection and abundance. The Flouring Mill is capable of making 200 barrels of flour every 24 hours, or 500 bbls of kiln dried corn meal, upon the most approved plan, for either of which grain is abundant, being brought by canals, railroads and rivers, to the door of the mill.

Post paid letters addressed to the Agent, will receive prompt attention.

Multiplication and Extension of Iron Manufactures. We have within the last few months seen frequent allusions to a new plan by which mineral, coal and iron ore are converted at once into *wrought iron*, without passing through the more tedious and expensive steps into and from the pig metal state, as now generally practiced in the United States.

This new process appears to be gaining favor rapidly in various parts of our country. It was first heard of at Newark, New Jersey, then at Cincinnati, then at Cleveland, next in Wisconsin, now in our immediate vicinity, Pittsburgh and "Beaver City."

We have seen the process and witnessed the results. We have seen the mineral coal and the crude ore, after being crushed or pulverized and mixed in suitable proportions, put into a hopper, like a bag of grain at a country mill, and have seen it, when sufficiently *deoxidized*, by passing through red hot tubes, or chambers, come forth like so much meal or flour into a puddling oven at the foot of those tubes or chambers, apparently like so much red hot sand, and without having been melted from first to last, we have seen this iron sand, by the mere adhesion and aggregation of its particles, and the spontaneous welding of those particles, under the manipulations of a practical puddler, grow into a compact mass, and like a rolling snow ball, increase with every turn to the size of the largest pumpkin.

We have seen this iron pumpkin, or ball of red hot metal brought immediately under a forge hammer, and in less than five minutes it was converted into a beautiful bloom. We have seen the same bloom pass through the rolls, and come forth as boiler iron, as sheet iron, bar iron, nail rods, &c., and it was all very good.

An appropriate furnace and puddling oven for this purpose can be erected for less than $1000, and any man having an acre of coal land, with good iron ore in its vicinity, and a thousand dollars in his pocket, can, in less time than it would require to erect a saw mill or grist mill, have a furnace running upon his own premises, at the foot of his own coal bank, which shall turn out daily two tons of first rate blooms at a cost of $20 the ton, though worth at his own door $70 the ton—thus giving him a profit of $100 a day on a capital of $1000. The "Beaver Manufacturing Company" are ready to furnish the ground, the coal, the iron ore, water power and patent right privilege, or so much capital under their charter, with others who have some capital, skill and industry.

Let those who wish to know more of this matter, inquire of the undersigned, who knows all about it. M. T. C. GOULD. Rochester, Beaver Co., Pa., Jan. 10, 1854. fe20-lf

MEDICAL.

TO THE PUBLIC.

MOST IMPORTANT ANNOUNCEMENT; RETIREMENT OF PROF. JAMES McCLINTOCK, M. D. *From the Philadelphia Medical College.* A NEW ERA IN THE HISTORY OF MEDICINE! Popular Medicine for the first time sanctioned by the HIGHEST AUTHORITY IN THE PROFESSION!

THE undersigned have the pleasure of informing the public that they have made arrangements with the eminent Professor JAMES McCLINTOCK M. D., of Philadelphia, known for more than a quarter of a century past as one of the greatest Practitioners and Teachers of Medicine and Surgery in this country or in Europe, for the purchase of his recipes, and the preparation of a series of FAMILY MEDICINES therefrom, which will be put up in a *cheap* and *popular* form, adapted for general use, and suited to the most prevalent diseases. These remedies embrace some of the most valuable discoveries and combinations *ever known* for the cure of disease. They are the fruits of the most profound investigation, the widest research, and the almost unequalled experience of one of the first physicians of the age. Each remedy is especially adapted to *some particular form of disease*, in accordance with the *highest principles of modern medical science*. Each of these remedies have been tried, improved, and finally perfected, in the course of a long, active and highly successful practice, not only in Philadelphia, but throughout many distant sections of the country to which his great reputation has called him. Their nature and effect are known and approved of by hundreds of regular physicians who have been his students and seen their beneficial results in Dr. McClintock's own hands, while they were under his tuition, in the Colleges of Philadelphia, Castleton, Pittsfield, and elsewhere.

READ THE FOLLOWING CERTIFICATE:

This is to certify that I have placed in the hands of Messrs. A. Cushman & Co., New York, the recipes of my "Family Medicines," with my full authority to prepare and offer them for popular use. They are such as I have been in the habit of recommending and prescribing for many years, and their composition is well known to hundreds of regular physicians, who have been my students, and who are many of them now practising with distinguished success in all parts of the country. My inducements for this step are numerous: one of the most urgent is, that the demand for my remedies has become so large, through private report of their success, as to make their preparation too great a draft upon my time: another is the repeated solicitations of my friends and patients, in the belief that the general introduction of my remedies would be in many respects a public benefit; and finally, in securing the cooperation of Mr. Alexander Cushman, who is a thoroughly educated Chemist and practical Apothecary of many years experience, whereby I am enabled to assure the public that they will be prepared in the best, purest and most perfect form, regardless of expense.

JAMES McCLINTOCK, M. D., Late Professor of Anatomy and Surgery in the Philadelphia College of Medicine and Acting Professor of Midwifery; one of the Consulting Physicians of the Philadelphia Hospital, Blockley; late member of the National Medical Association; member of the Philadelphia Medical Society; formerly President and Professor of Anatomy and Surgery in Castleton Medical College, Vermont; and also, late Professor of Anatomy and Physiology in Berkshire Medical Institution, Pittsfield, Mass. &c. &c. &c.

We need scarcely remind the intelligent public of the *great necessity* which exists for the introduction of a *class of good and reliable popular medicines* which may be confidently adopted into family use and *depended on at all times* in the absence of a physician, as being the legitimate productions of *Science, Study and Experience*. No argument is needed to prove the immense superiority of such a class of remedies over the dangerous compounds that are daily puffed into notice by ignorant and reckless men, solely for the purpose of enriching themselves at the expense of the lives and health of their fellow beings. We trust confidently in the good sense of the community to support us in this effort to extirpate the great public evil of *Quackery*, by giving a careful perusal to the following list, which embraces the first twelve remedies of the series, and which comprises some of the most valuable specifics ever discovered for the several complaints enumerated. If you or any of your friends are sufferers, lose no time in procuring the aid of the *first medical authority of the day*, by obtaining and giving a trial to such of these medicines as are adapted to the case. We call especial attention to the first one in the list as being most generally demanded, at this season namely, the

The undersigned, in accepting the proprietorship of Dr. James McClintock's Family Medicines, would respectfully state to the public, that in his profession as Dispensing Chemist, for nearly fifteen years past, during which time he has been actively connected with the best pharmaceutical establishments in this country, he has had constant occasion to see and prepare the prescriptions of the most eminent physicians, among whom he would name Dr. Mott, Dr. Parker, Dr. Francis, Dr. Cheeseman, Dr. Reese, Dr. Whittaker, Dr. Schmidt, Dr. Hosack, Dr. Kissam, Drs. Pratt and Young, Dr. Beals, Dr. Green, and many others in the city of New York.

The experience thus acquired enables him to discriminate with confidence between *legitimate medicines, combined scientifically*, so as to secure a harmonious chemical action in union with their highest therapeutical effects, and the inaccurate mixtures of quackery and ignorance, wherein, for want of proper knowledge in combining them, the best ingredients may neutralize and destroy each other, or result in a substance highly injurious, and contrary to its intended design. It is with pleasure, therefore, that he testifies that the prescriptions of Dr. James McClintock are not only composed of the most valuable medical agents known to, and habitually employed by, our best practitioners in the treatment of the several diseases for which they are intended, but they are combined in such accurate proportions, in relation to their chemical and medicinal effects, as to secure the attainment of the utmost increase of their power and efficiency.

In conclusion, he will only add for himself, that he can refer with confidence to his past career, as his guarantee to the public that these *great remedies* in his hands will be *faithfully prepared* in strict accordance with the prescriptions of their distinguished originator. ALEX. CUSHMAN, *Graduate and Trustee of the N. Y. College of Pharmacy.*

MAY QUEEN ... Capt. E. P. Evans.

MAY QUEEN. TUESDAY ... THURSDAY ... SATURDAY.
CLEVELAND. MONDAY ... WEDNESDAY ... FRIDAY.

This route, from Cleveland to Chicago, is much the preferable one. By any other route he must endure the fatigue of night riding upon the cars, and the storms of the Upper Lakes.

Persons wishing to secure passage, or make contracts for freight, will apply to L. A. PIERCE, Agent, Cleveland, Office, corner of River and St. Clair street; Central Express, Cleveland; or to JOHN A. CAUGHEY, Agent C. and P. RR. Co., Monongahela House, Pittsburgh.

MEDICAL.

CARTER'S SPANISH MIXTURE—THE GREAT PURIFIER OF THE BLOOD—NOT A PARTICLE OF MERCURY IN IT. An infallible remedy for Scrofula, King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the face, Blotches, Boils, Chronic Sore Eyes, Ring-Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Disorders, Lumbago, Spinal Complaints, and all diseases arising from an injudicious use of Mercury, imprudence in Life, or Impurity of the Blood.

This valuable medicine, which has become celebrated for the number of extraordinary cures effected through its agency, has induced the proprietors, at the urgent request of their friends, to offer it to the public, which they do with the utmost confidence in its virtues and wonderful curative properties. The following certificates, selected from a large number, are, however, stronger testimony than the mere word of the proprietors; and are all gentlemen well known in their localities, and of the highest respectability, many of them residing in the city of Richmond, Va.

P. BOYDEN, Esq., of the Exchange Hotel, Richmond, known everywhere, says he has seen the Medicine called CARTER'S SPANISH MIXTURE administered in over a hundred cases, in nearly all the diseases for which it is recommended, with the most astonishingly good results. He says it is the most extraordinary medicine that he has ever seen.

AGUE AND FEVER—GREAT CURE.—I hereby certify that for three years I had Ague and Fever of the most violent description. I had several Physicians, took large quantities of Quinine, Mercury, and I believe all the Tonics advertised, but all without any permanent relief. At last I tried Carter's Spanish Mixture, two bottles of which effectually cured me, and I am happy to say I have had neither Chills or Fever since. I consider it the best Tonic in the world, and the only medicine that ever reached my case. JOHN LONGDEN. Beaver Dam, near Richmond, Va.

C. B. LUCK, Esq., now in the city of Richmond, and for many years in the Post Office, has such confidence in the astonishing efficacy of Carter's Spanish Mixture, that he has bought upwards of 50 bottles, which he has given away to the afflicted. Mr. Luck says that he has never known it to fail, when taken according to directions.

Dr. MINGE, a practicing Physician, and formerly of the City Hotel, in the city of Richmond, says he has witnessed in a number of instances, the effects of Carter's Spanish Mixture which were most truly surprising. He says in a case of consumption, dependent on the Liver, the good effects were wonderful indeed.

SAML. M. DRINKER, of the firm of Drinker & Morris, Richmond, was cured of Liver Complaint, of 8 years standing by the use of two bottles of Carter's Spanish Mixture.

GREAT CURE OF SCROFULA.—The editors of the Richmond Republican had a servant employed in their press room, cured of violent Scrofula, combined with Rheumatism, which entirely disabled him from work. Two bottles of Carter's Spanish Mixture made a perfect cure of him, and the editors in a public notice, say they "cheerfully commend it to all who are afflicted with any disease of the blood."

STILL ANOTHER CURE OF SCROFULA.—I had a very valuable boy cured of Scrofula by Carter's Spanish Mixture. I consider it a truly valuable medicine. JAMES M. TAYLOR, Conductor on the R. F. & P. R. R. Co., Richmond Va.

SALT RHEUM OF 20 YEARS STANDING CURED.—Mr. John Thompson, residing in the city of Richmond, was cured by three bottles of Carter's Spanish Mixture, of Salt Rheum, which he had nearly twenty years, and which all the physicians of the city could not cure. Mr. Thompson is a well known merchant in the city of Richmond, Va., and his cure is most remarkable.

WM. A. MATHEWS, of Richmond, had a servant cured of Syphilis, in the worst form, by Carter's Spanish Mixture. He says he cheerfully recommends it, and considers it an invaluable medicine.

RICHARD E. WEST, of Richmond, was cured of Scrofula and what Physicians called confirmed Consumption, by three bottles of Carter's Spanish Mixture.

EDWARD BURTON, Commissioner of the Revenue, says he has seen the good effects of Carter's Spanish Mixture, in a number of Syphilitic cases, and says it is a perfect cure for that horrid disease.

WM. G. HARWOOD, of Richmond, cured of Old Sores and Ulcers, which disabled him from walking. Took a few bottles of Carter's Spanish Mixture, and was enabled to walk without a crutch, in a short time permanently cured.

MEDICAL.

SANDS' SARSAPARILLA IN QUART BOTTLES. For Purifying the Blood, and for the Cure of *Scrofula, Rheumatism, Stubborn Ulcers, Dyspepsia, Salt Rheum, Fever Sores, Erysipelas, Pimples, Biles, Mercurial Diseases, Cutaneous Eruptions, Liver Complaint, Bronchitis, Consumption, Female Complaints, Loss of Appetite, General Debility, &c. &c.*

IN this preparation all the restorative properties of the root are concentrated in their utmost strength and efficacy; but while Sarsaparilla Root forms an important part of its combination, it is at the same time compounded with other vegetable remedies of great power and it is in the peculiar combination and scientific manner of its preparation, that its remarkable success in the cure of disease depends. It acts simultaneously upon the stomach, the circulation and the bowels, and thus three different processes, which are ordinarily the result of three different kinds of medicine, are carried on at the same time, through the instrumentality of this one remedial agent which stimulates while it disinfects and expels from the stomach and bowels all that is irritating, and at the same time restores their vigor and tone. Many other preparations imitate it in bearing the name of Sarsaparilla, and in that their semblance ends, being often prepared from worthless and inert roots, and, of course, possessing no healing or curative properties, and patients in making choice of which they will use should take no other but that committed to their confidence, from the long list of cures it has effected on living witnesses, whose testimonials and residences have been published, and who are still bearing daily testimony to its worth.

ASTONISHING CURE. PATTERSON, N. Y. Sept. 20th, 1851. Messrs. A. B. & D. SANDS: Gentlemen—Having witnessed the most beneficial effects from the use of your Sarsaparilla, it gives me pleasure to send you the following statement in regard to my son: In the Spring of 1848, he took a severe cold, and after 8 weeks of severe suffering the disease settled in his left leg and foot, which soon swelled to the utmost. The swelling was lanced by his physician, and discharged most profusely; after that, no less than eleven ulcers formed on the leg and foot at one time. We had five Physicians but none relieved him much; and the last winter found him so emaciated and low that he was unable to leave his bed, suffering the most excruciating pain. During this time the bone had become so much affected that piece after piece came out, of which he has not more than twenty-five preserved in a bottle, varying from one-half to one and a half inches in length. We had given up all hopes of his recovery, but at this time we were induced to try your Sarsaparilla, and with its use his health and appetite began immediately to improve, and so rapid was the change that less than a dozen bottles effected a perfect cure. With gratitude, I remain truly yours, DARIUS BALLARD.

We, the undersigned, neighbors of Mr. Ballard, cheerfully subscribe to the facts of the above statement. H. & R. S. HART, A. M. TROWBRIDGE, GEO. T. DEAN, C. EASTWOOD.

But a short time has elapsed since these great and good medicines have been made known to the public, yet thousands have already experienced their good effect. Invalids given over by their physicians, as incurable, have found relief and been restored to sound and vigorous health from their use. The great amount of good these medicines have done, has induced thousands to recommend them to their friends. Men of integrity, and physicians, have sanctioned their use, and recommend them to the public.

SHOCKING CASE OF SCROFULA CURED. NEW YORK, December 6th, 1852. Dr. G. W. Halsey—Dear Sir—I deem it but justice to you, as the inventor of a great medicine, to send you a short history of my own case. I am twenty-seven years of age. At thirteen I was attacked with Scrofula, which formed pustules and broke out in large ulcers on my neck, near the collar bone, and from thence extended nearly up to the left ear. About six months since I commenced using your Forest Wine and Pills, (following the directions,) which, in nine weeks cured me. The scars, though now sound, bear testimony of the dreadful manner in which I was afflicted. After nearly fourteen years suffering, I now rejoice to say, that my health is fully restored by your remedies, all other things proved quite ineffectual. Yours, Very Respectfully, SAMUEL BORN.

CURE OF PALSY. *The following Testimony, given us by Mr. Jotham P. Condit of Orange, N. J., shows the extraordinary effects of this Wine and Pills in Paralysis.* ORANGE, N. J., Feb. 14, 1853. Dr. G. W. Halsey—Dear Sir—My wife had a stroke of the Palsy, so severe that her whole system was completely paralyzed. She continued to grow weaker, for nearly two years, losing nearly all use and sensibility of her body and limbs. We almost despaired of her recovery. At this time she commenced taking your medicines. Their good effect was soon experienced. She began gradually to improve in health, and in a few months recovered entirely. The extraordinary effect of your Wine and Pills, upon the constitution of my wife of a complaint we never expected her to get better of, induces me, as a duty I owe to yourself and the public, to grant you this certificate. JOTHAM P. CONDIT.

I am acquainted with Mr. J. P. Condit, and know the above certificate to be true. H. F. HERDMAN, 125 Chamber st., N. Y.

READER—If you want not your constitution injured by that slow lurking poison, *Calomel*, or other mineral substances, take not such medicines as contain them, try no uncertain medicine whatever, but procure these excellent and *purely vegetable* preparations, Halsey's Forest Wine and Pills.

If you have the Dyspepsia, or are troubled with costiveness, take this Wine and the Pills, according to the directions, and you will then get well.

If you are nervous, or weakly, or have a wasted countenance, or general debility, this Wine, and the Pills will restore you to health and energy.

If you have unhealthy colored skin, or pimples, or pustules, or blotches, these medicines will purify the blood, and eradicate all such humors from the skin.

If you have a weakly constitution, and feel yourselves too old for your years, take these excellent medicines, and they will invigorate your constitution and fortify it for longer life.

If you are Bilious, (which may be known by such symptoms as Drowsiness, Loss of Appetite, Dizziness, Furred Tongue, &c.) take a good dose of the Forest Pills, and they will purge from the stomach and bowels all morbid and bilious matter, and thus prevent a fit of sickness, and save your doctor's bill of $10, $20 or $50.

If you have the Liver Complaint, the Forest Wine and Pills will cure it. These medicines exert a powerful and salutary action on the Liver, and have been the means of curing thousands of this troublesome disease.

PARENTS—there is not a month in the year that some one of your children, or members of your family do not complain of Headache or Dizziness, or Sickness at Stomach, or have furred tongue, or some other unfavorable symptoms. These are the forerunners of sickness, which may soon follow, but which may be prevented. Thereof the Forest medicines kept always at hand, to be taken whenever such symptoms are exhibited, will save your family almost entirely from sickness, as well as your doctor's bill, which frequently amounts to more in the week than sufficient of these medicines to keep your family in good health for years.

LADIES—the Forest Wine is your medicine. This pleasant, agreeable, yet effective medicine, exactly suits you delicate constitutions. If you are weakly or nervous, or in general ill health, this Wine will do more to restore you than all other medicines. In all cases where the bowels are constipated, the Forest Pills should also be taken according to the directions.

MARINER AND TRAVELLER—If you wish to guard yourself against sickness and dangerous diseases which may jeopardise your life, provide yourself with the Forest Wine and Pills before setting out on long voyages, that you may have them on hand when required.

HOOFLAND'S CELEBRATED GERMAN BITTERS, PREPARED BY **DR. C. M. JACKSON,** No. 120 ARCH STREET, PHILADELPHIA.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.

READ AND BE CONVINCED. The following account of the cure of the Rev. J. W. Parker is extracted from the Christian Chronicle: MONTROSE, Susquehanna Co., Pa., Feb. 7th, 1852. Dr. C. M. Jackson, Dear Sir:—I believe your "German Bitters" are what they are represented to be. For more than one year I have been troubled with Chronic Diarrhoea perhaps seven-eighths of the time, until about the middle of last September, when I became enfeebled, and finally prostrated by it. My stomach and the mucous membranes of my bowels became dreadfully diseased and inflamed. In that condition, I called upon a physician who understood my case and checked the disease, and in a measure, restored me to my feet. But still my stomach and bowels were not right, and continued to be much irritated; the relax frequently checked my powers; the digestive organs had partially performed their regular functions, to a disorder of nervous debility. Being an agent for the Christian Chronicle, I noticed "Dr. Hoofland's German Bitters" advertised, and several certificates annexed, recommending your Bitters in cases similar to mine. I sent to your agent, Mr. A. Turrel, at Montrose, and procured two bottles, and commenced according to the directions strictly. Before I had used up the first bottle I found the coating was fast being removed from my tongue, and the bowels and the stomach becoming natural and regular. I have used five bottles; my nerves have been materially helped, and I have reason to hope that I am being perfectly restored, as was stated in a letter of Elder G. M. Spratt, and published in the Christian Chronicle of Dec. 3d. Now, sir, I am aware that but few, at least in this section, know anything about your Bitters. I wish they did, for I believe there are hundreds in this region who would be cured by the use of those Bitters. Yours Respectfully, J. W. PARKER.
