PITTSBURGH GAZETTE.

THE ROYAL FAMILY OF GREAT BRITAIN.—Her Brittanic Majesty, Alexandria Victoria I, Queen of Great Britain and Ireland, whose birthday was celebrated on Wednesday last, the 24th May, was born in 1819, so that she is just thirty-five years old. Perhaps—nay, we are quite sure—there is no sovereign in Europe that has a firmer hold upon the affections of her people, than she, as certainly there are none more deserving it, whether she be regarded as a woman or a Queen. Queen Victoria was married at the age of twenty-one, on the 10th of February, 1840 and the issue has been:

Victoria Adelaide Mary Louisa, born Nov. 21st 1840.
Albert Edward, born November 9th, 1841.
Alice Maud Mary, born April 25, 1843.
Alfred Ernst Albert, born August 6th, 1844.
Helen Augusta Victoria, born May 25, 1846.
Louisa Caroline Alberta, born March 18 1848.
Arthur William Patrick Albert, born May 1st, 1850.
A son not yet named, born April 7th, 1853.

Eight children, four sons and four daughters, in thirteen years, and all well and alive.—*Express.*

NEW YORK: Its Upper Ten and Lower Million!

BY GEORGE LIPPARD,

Author of "Washington and his Generals," "The Nazarene," "Paul Ardenheim," "Jesus and the Poor," "Adonai," "The Quaker City," &c.

This is the best work ever written by Lippard; one continued scene of excitement from the commencement to the end. Those who have read Dumas' Count de Monte Christo, or The Wandering Jew, we are under the impression, will be equally pleased with this. Novel readers will find this the most interesting work that has issued from the press for some time.—*Enquirer.*

George Lippard's Great Work—New York: Its Upper Ten and Lower Million. Novel readers will be perfectly delighted with this new work. The incidents delineated in this work are of the most exciting character. We should not be surprised if the demand for it should exceed that of Uncle Tom's Cabin.—*Times.*

[From the Louisville Courier.]

New York; Its Upper Ten and Lower Million.—George Lippard's last and best work. This novel requires only to be read to be correctly appreciated. As an enchanting work, it is unsurpassed. We believe it will be impossible for any person who commences this work, to leave it off until he has turned over the last page.

[Extract from the Cleveland Plaindealer.]

New York: Its Upper Ten and Lower Million.—A new work by that gifted son of genius, George Lippard. We avowed it. It is a novel of most thrilling interest—such one as having been commenced, you will sit up all night to finish. It is a book we would like every body to read.

Price, handsomely bound, $1,00; in paper covers, 75 cts. For sale by all Booksellers throughout the United States.

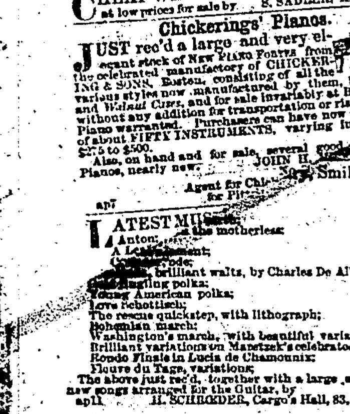
HOLLAND BITTERS



BOERHAVE'S ELECTRO-CHEMICAL AROMA, OR GENUINE HOLLAND BITTERS.

FROM LOUIS A. D'ISRAEL'S, Chemist and Pharmaceutist, of Amsterdam, the only Manufacturer. A purely Vegetable Compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our Father Land scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtue must be acknowledged.

IT IS A SURE REMEDY FOR Fever and Ague, Dyspepsia, Sick Headache, Headache, Sour and Foul Stomach, Offensive Breath, Biliousness, unpleasant taste in the mouth after eating or sleeping, indigestion, costiveness, nausea, vertigo, extreme languor and exhaustion, loss of appetite, despondency, drowsiness, impaired sight and memory, pain and sense of fulness in the head, and all diseases arising from a disordered state of THE LIVER OR STOMACH.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirits, and, in fact, infusing new health and vigor into the system.

A TRULY VALUABLE MEDICINE In all cases of Diarrhœa, Dysentery, Cholic, Cholera Morbus, and the many unpleasant effects attending a change of water or climate.

Certificate of Mr. B. O. Woods, late Justice of the Peace, east Birmingham.

Mr. Benjamin Page, Jr.—*Dear Sir:* I would say that I have been afflicted with a disease of the stomach, palpitation of the heart, and nervous headache for nearly fifteen years, and have spent some hundreds of dollars in order to effect a cure, but to no purpose. After having used three bottles of your "Electro-Chemical Aroma, or Holland Bitters," I am entirely restored. I can eat and sleep well, and attend to my business with pleasure, and would therefore recommend it to all those who are similarly afflicted. D. B. WOODS.

PITTSBURGH, Aug. 24, 1853.

Mr. Benj. Page, Jr.—*Dear Sir:* My sincerest thanks are due to the friend recommending your Holland Bitters. Having suffered for some time with headache, loss of appetite, mental depression, and in fact general disorder of the system, I now feel, after using but one bottle, conscious of returning health.

(Signed) NICOLUS SCHOSTER.

Benj. Page, Jr., Esq.—*Dear Sir:* I have been relieved of the most distressing form of Dyspepsia, by the use of Boerhave's Holland Bitters, (purchased of you) after suffering for 3 years with head-ache, nausea, and general debility attending indigestion. I now feel perfectly restored. Yours, respectfully, JOHN RUTHERFORD, No. 90 Wylie st., Pittsburgh.

☞ Buy BOERHAVE'S "Holland Bitters" and take no other. Should it fail, in any instance, to effect as much and more than the advertisement claims for it, your money will be refunded.

To Capitalists, Manufacturers and Mechanics.

THE 'Beaver Manufacturing Company,' under a Charter from the Legislature of Pennsylvania, with a Capital of $500,000, propose to establish, in the village of Brighton, Beaver Co., Pa., a number of FURNACES and an extensive ROLLING MILL, with the necessary machinery and apparatus for the production of Bar Iron, Sheet Iron, Nails, Spikes, &c., &c., and as soon as practicable, a Mill for Railroad Iron.

The Flouring Mill is capable of making 200 barrels of flour every 24 hours, or 300 bbls of kiln dried corn meal, upon the most approved plan, for either of which grain is abundant, being brought by canals, railroads and rivers, to the door of the mill.

Multiplication and Extension of Iron Manufactures.

We have within the last few months seen frequent allusions to a new plan, by which mineral, coal, and iron ore are converted at once into *wrought iron*, without passing through the more tedious and expensive steps into and from the pig metal state, as now generally practiced in the United States.

This new process appears to be gaining favor rapidly in various parts of our country. It was first heard of at Newark, New Jersey, then at Cincinnati, then at Cleveland, next in Wisconsin, now in our immediate vicinity, Pittsburgh and "Beaver City."

We have seen the process and witnessed the results. We have seen the mineral coal and the crude ore, after being crushed or pulverized and mixed in suitable proportions, put into a hopper, like a bag of grain at a country mill, and have seen it, when sufficiently *deoxidized*, by passing through red hot tubes, or chambers, come forth like so much meal or flour into a puddling oven at the foot of those tubes or chambers, apparently like so much red hot sand, and without having been melted from first to last, we have seen this iron sand, by the mere adhesion and aggregation of its particles, and the spontaneous welding of those particles, under the manipulations of a practical puddler, grow into a compact mass, and like a rolling snowball, increase with every turn to the size of the largest pumpkin.

We have seen this iron pumpkin, or ball of red hot metal brought immediately under a forge hammer, and in less than five minutes it was converted into a beautiful bloom. We have seen the same bloom pass through the rolls, and come forth as boiler iron, as sheet iron, bar iron, nail rods, &c., and it was *all very good*.

An appropriate furnace and puddling oven for this purpose can be erected for less than $1000, and any man having an acre of coal land, with good ironore in its vicinity, and a thousand dollars in his pocket, can, in less time than it would require to erect a saw mill or grist mill, have a turnace running upon his own premises, at the foot of his own coal bank, which shall turn out daily two tons of first rate blooms at a cost of $20 the ton, though worth at his own door $70 the ton—thus giving him a profit of $100 a day on a capital of $1000. The "Beaver Manufacturing Company" are ready to furnish the ground, the coal, the iron ore, water power and patent right privilege, or so much capital under their charter, with others who have some capital, skill and industry.

Let those who wish to know more of this matter, inquire of the undersigned, who knows all about it.

MEDICAL.

TO THE PUBLIC.

MOST IMPORTANT ANNOUNCEMENT;

RETIREMENT OF PROF. JAMES McCLINTOCK, M. D. *From the Philadelphia Medical College.*

A NEW ERA IN THE HISTORY OF MEDICINE: Popular Medicine for the first time sanctioned by the HIGHEST AUTHORITY IN THE PROFESSION!

THE undersigned have the pleasure of informing the public that they have made arrangements with the eminent Professor JAMES McCLINTOCK M. D., of Philadelphia, known for more than a quarter of century past as one of the greatest Practitioners and Teachers of Medicine and Surgery in this country or in Europe, for the purchase of his recipes, and the preparation of series of FAMILY MEDICINES therefrom, which will be put up in a *cheap* and *popular form*, adapted for general use, and suited to the most prevalent diseases. These remedies embrace some of the most valuable discoveries and combinations *ever known* for the cure of disease. They are the fruits of the most profound investigation, the widest research, and the almost unequaled experience of one of the first physicians of the age. Each remedy is especially adapted to some *particular form of disease*, in accordance with the *highest principles of modern medical science*. Each of these remedies have been tried, improved, and finally perfected, in the course of a long, active and highly successful practice, not only in Philadelphia, but throughout many distant sections of the country to which his great reputation has called him. Their nature and effect are known and approved of by hundreds of regular physicians who have been his students and seen their beneficial results in Dr. McClintock's own hands, while they were yet under his tuition, in the Colleges of Philadelphia, Castleton, Pittsfield, and elsewhere.

READ THE FOLLOWING CERTIFICATE:

This is to certify that I have placed in the hands of Messrs. A. Cushman & Co., New York, the recipes of my "Family Medicine," with my full authority to prepare and offer them for popular use. They are such as I have been in the habit of recommending and prescribing for many years, and their composition is well known to hundreds of regular physicians, now practising with distinguished success in all parts of the country. My inducements for this step are numerous; one of the most urgent is, that the demand for my remedies has become so large, through private report of their success, as to make their preparation too great a draft upon my time; another is, the repeated solicitations of my friends and patients, in the belief that the general introduction of my remedies would be in many respects a public benefit; and finally, in securing the cooperation of Mr. Alexander Cushman, who is a thoroughly educated Chemist and practical Apothecary of many years experience, whereby I am enabled to assure the public that they will be prepared in the BEST, PUREST and most perfect form, regardless of expense.

JAMES McCLINTOCK, M. D., Late Professor of Anatomy and Surgery in the Philadelphia College of Medicine and Acting Professor of Midwifery; one of the Consulting Physicians of the Philadelphia Hospital, Blockley; late member of the National Medical Association; member of the Philadelphia Medical Society; member of the Medico-Chirurgical College of Philadelphia; formerly President and Professor of Anatomy and Surgery in Castleton Medical College, Vermont; and also, late Professor of Anatomy and Physiology in Berkshire Medical Institution, Pittsfield, Mass., &c., &c., &c.

We need scarcely remind the intelligent public of the *great necessity* which exists for the introduction of a class of *good and reliable popular medicines* which may be confidently adopted into family use and *depended on at all times* in the absence of a physician, as being the legitimate productions of *Science, Study and Experience*. No argument is needed to prove the immense superiority of such a class of remedies over the dangerous compounds that are daily puffed into notice by ignorant and reckless men, solely for the purpose of enriching themselves at the expense of the lives and health of their fellow beings. We trust confidently in the good sense of the community to support us in this effort to extirpate the great public evil of *Quackery*, by giving a careful perusal to the following list, which embraces the first twelve remedies of the series, and which comprises some of the most valuable specifics ever discovered for the several complaints enumerated. If you or any of your friends are sufferers, see no time in procuring the aid of the *first medical authority of the day*, by obtaining and giving a trial to such of these medicines as are adapted to the case. We call especial attention to the first one the list as being most generally demanded, at this season namely, the

The undersigned, in accepting the proprietorship of Dr. James McClintock's Family Medicines, would respectfully state to the public, that in his profession as Dispensing Chemist, for nearly fifteen years past, during which time he has been actively connected with the best pharmaceutical establishments in this country, he has had constant occasion to see and prepare the prescriptions of the most eminent physicians, among whom he would name Dr. Mott, Dr. Parker, Dr. Francis, Dr. Cheeseman, Dr. Reese, Dr. Whittaker, Dr. Schmidt, Dr. Hosack, Dr. Kissam, Drs. Pratt and Young, Dr. Beals, Dr. Green, and many others in the city of New York.

The experience thus acquired enables him to discriminate with confidence between *legitimate medicines, combined scientifically*, so as to secure a harmonious chemical action in union with their highest therapeutical effects, and the inaccurate mixtures of quackery and ignorance; wherein, for want of proper knowledge in combining them, the best ingredients may neutralize and destroy each other, or result in a substance highly injurious, and contrary to its intended design. It is with pleasure, therefore, that he testifies that the prescriptions of Dr. James McClintock are not only composed of the most valuable medical agents known to, and habitually employed by, our best practitioners in the treatment of the several diseases for which they are intended, but they are combined in such accurate proportions, in relation to their chemical and medicinal affects, as to secure the attainment of the utmost increase of their power and efficiency.

In conclusion, he will only add for himself, that he can refer with confidence to his past career, as his guarantee to the public that these *great remedies* in his hands will be *faithfully prepared* in strict accordance with the prescriptions of their distinguished originator.

SEASON ARRANGEMENT. MICHIGAN CENTRAL RAILROAD LINE.

CLEVELAND AND DETROIT,

In connection with the Cleveland and Cincinnati R. R., Cleveland and Erie R. R., Cleveland and Pittsburgh R. R., and Michigan Central R. R.

PASSENGERS WILL BE TICKETED through from any point on Lake Michigan to Cleveland, Cincinnati, Pittsburgh, Philadelphia and Baltimore, and from either of those places to any point on Lake Michigan.

MAY QUEEN .... Capt. R. P. EVANS.
CLEVELAND .... Capt. J. E. HOWE.

A boat will leave Cleveland for Detroit, and Detroit for Cleveland, every evening at 6½ o'clock, arriving in each city in time to connect with the morning trains East, West, or South, and with the Lake Superior and Saginaw boats. The line boats will leave Cleveland in the following order:

MONDAY	MAY QUEEN. WEDNESDAY	FRIDAY.
TUESDAY	CLEVELAND. THURSDAY	SATURDAY.
TUESDAY	MAY QUEEN. THURSDAY	SATURDAY.
MONDAY	CLEVELAND. WEDNESDAY	FRIDAY.

This route, from Cleveland to Chicago, is much the preferable one. The passenger enjoys a good night's rest, on a first class steamboat; and, taking the cars at Detroit in the morning, finds himself in Chicago after a nine hour's ride, though a pleasant country, and over the best arranged railroad in the West. By any other route he must endure the fatigue of night riding upon the cars, and the storms of the Upper Lakes.

☞ Persons wishing to secure passage, or make contracts for freight, will apply to J. A. PIERCE, Agent, Cleveland, (office, corner of River and St. Clair street, Central Exchange,) or to JOHN A. CAUGHEY, Agent C. and P. RR. Co., Monongahela House, ap6 Pittsburgh.

Ohio and Indiana Railroad.

This is the only line connecting directly at Crestline with the night train from Pittsburgh.

For through tickets to any of the above points, apply at the O. & P. R. R. Office, Monongahela House, Pittsburgh, or at the Station House, Allegheny City.

MEDICAL.

CARTER'S SPANISH MIXTURE—THE GREAT PURIFIER OF THE BLOOD—NOT A PARTICLE OF MERCURY IN IT.—An infallible remedy for Scrofula, King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the face, Blotches, Boils, Chronic Sore Eyes, Ring-Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Disorders, Lumbago, Spinal Complaints, and all Diseases arising from an injudicious use of Mercury, imprudence in Life, or Impurity of the Blood.

This valuable medicine, which has become celebrated for the number of extraordinary cures effected through its agency, has induced the proprietors, at the urgent request of their friends, to offer it to the public, which they do with the utmost confidence in its virtues and wonderful curative properties. The following certificates, selected from a large number, are, however, stronger testimony than the mere word of the proprietors; and are all from gentlemen well known in their localities, and of the highest respectability, many of them residing in the city of Richmond, Va.

P. BOYDEN, Esq., of the Exchange Hotel, Richmond, known everywhere, says he has seen the medicine called CARTER'S SPANISH MIXTURE, administered in over a hundred cases, in nearly all the diseases for which it is recommended, with the most astonishing good results. He says it is the most extraordinary medicine that he has ever seen.

AGUE AND FEVER—GREAT CURE.—I hereby certify that for three years I had Ague and Fever of the most violent description. I had several physicians, took large quantities of Quinine, Mercury, and I believe all the Tonics advertised, but all without any permanent relief. At last I tried Carter's Spanish Mixture, two bottles of which effectually cured me, and I am happy to say, I have had neither Chills or Fever since. I consider it the best Tonic in the world, and the only medicine that ever reached my case.

JOHN LONDON.

C. B. LUCK, ... many years in the Post Office, has such confidence in the astonishing efficacy of Carter's Spanish Mixture, that he has bought upwards of 50 bottles, which he has given away to the afflicted. Mr. Luck says he has never known it to fail, when taken according to directions.

Dr. MINGE, a practicing Physician, and formerly of the City Hotel, in the city of Richmond, says he has witnessed in a number of instances, the effects of Carter's Spanish Mixture, which were most truly surprising. He says in a case of Consumption, dependent on the Liver, the good effects were wonderful indeed.

SAMUEL M. DRINKER, of the firm of Drinker & Morris, Richmond, was cured of Liver Complaint, of 8 years standing by the use of two bottles of Carter's Spanish Mixture.

GREAT CURE OF SCROFULA.—The editors of the Richmond Republican had a servant employed in their press room, cured of violent Scrofula, combined with Rheumatism, which entirely disabled him from work. Two bottles of Carter's Spanish Mixture made a perfect cure of him, and the editors, in a public notice, say they "cheerfully recommend it to all who are afflicted with any disease of the blood."

STILL ANOTHER CURE OF SCROFULA.—I had a very valuable boy cured of Scrofula by Carter's Spanish Mixture. I consider it a truly valuable medicine. JAMES M. TAYLOR, Conductor on the R. F. & P. R. R. Co., Richmond, Va.

SALT RHEUM OF 20 YEARS STANDING CURED.—Mr. John Thompson, residing in the city of Richmond, was cured by three bottles of Carter's Spanish Mixture, of Salt Rheum, which he had nearly twenty years, and which all the physicians of the city could not cure. Mr. Thompson is a well known merchant in the city of Richmond, Va., and his cure is most remarkable.

Wm. A. MATHEWS, of Richmond, had a servant cured of Syphilis, in the worst form, by Carter's Spanish Mixture. He says he cheerfully recommends it, and considers it an invaluable medicine.

Richard E. West, of Richmond, was cured of Scrofula, and what Physicians called confirmed Consumption, by three bottles of Carter's Spanish Mixture.

Edward Burton, Commissioner of the Revenue, says he has seen the good effects of Carter's Spanish Mixture, in a number of Syphilitic cases, and says it is a perfect cure for that horrid disease.

Wm. G. Harwood, of Richmond, cured of Old Sores and Ulcers, which disabled him from walking. Took a few bottles of Carter's Spanish Mixture, and was enabled to walk, without a crutch, in a short time permanently cured.

MEDICAL.

SANDS' SARSAPARILLA IN QUART BOTTLES. For Purifying the Blood, and for the Cure *Of Scrofula, Rheumatism, Stubborn Ulcers, Dyspepsia, Salt Rheum, Fever Sores, Erysipelas, Pimples, Biles, Mercurial Diseases, Cutaneous Eruptions, Liver Complaint, Bronchitis, Consumption, Female Complaints, Loss of Appetite, General Debility, &c. &c.*

IN this preparation all the restorative properties of the root are concentrated in their utmost strength and efficacy; but while Sarsaparilla Root forms an important part of its combination, it is at the same time compounded with other vegetable remedies of great power and it is in the peculiar combination and scientific manner of its preparation, that its remarkable success in the cure of disease depends. It acts simultaneously upon the stomach, the circulation of the bowels; and thus three processes, which are ordinarily the result of three different kinds of medicine, are carried on at the same time, through its instrumentality of one remedial agent which stimulates while it disinfects and expels from the stomach and bowels all that is irritating, and at the same time restores their vigor and tone. Many other preparations imitate it in bearing the name of Sarsaparilla, and in that their resemblance ends, being often prepared from worthless and inert roots, and of course, possessing no healing or curative properties, and patients in making choice of which they will use should take no other but that one entitled to their confidence, from the long list of cures it has effected on living witnesses, whose testimonials and residence have been published, and who are still bearing daily testimony to its worth.

ASTONISHING CURE.

PATERSON, N. Y. Sept. 20th, 1851.

Messrs. A. B. & D. SANDS: Gentlemen—Having witnessed the most beneficial effects from the use of your Sarsaparilla, it gives me pleasure to send you the following statement in regard to my son. In the Spring of 1848, he took a severe cold, and after 8 weeks of severe suffering the disease settled in his left leg and foot, which soon swelled to the utmost. The swelling was lanced by his physician, and discharged most profusely, after that no less than eleven ulcers formed on the leg and foot at one time. We had five Physicians but none believed him, much, and the last winter found us so emaciated and low that he was unable to leave his bed, suffering the most excruciating pain. During this time the bone had become so much affected that piece after piece came out of which he literally lost more than twenty-five preserved in a bottle, varying from one-half to one and a half inches in length. We had given up all hopes of his recovery, but at this time we were induced to try your Sarsaparilla, and with its use his health and appetite began immediately to improve, and so rapid was the change that less than a dozen bottles effected a perfect cure. With gratitude, I remain truly yours,

DARIUS BALLARD.

We, the undersigned, neighbors of Mr. Ballard, cheerfully subscribe to the facts of the above statement.

HOOFLAND'S CELEBRATED GERMAN BITTERS, PREPARED BY

DR. C. M. JACKSON

No. 120 ARCH STREET, PHILADELPHIA.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.

These Bitters are worth the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affection of the digestive organs, they are, withal, safe, certain and pleasant.

READ AND BE CONVINCED.

The following account of the cure of the Rev. J. W. PARKER is extracted from the Christian Chronicle:

MONTROSE, Susquehanna Co., Pa., Feb. 7, 1852.

Dr. C. M. Jackson, Dear Sir:—I believe your German Bitters are what they are represented to be. For more than one year I have been troubled with Chronic Diarrhœa perhaps seven-eighths of the time, until about the middle of last September, when I became enfeebled, and finally prostrated by it. My stomach and the mucous membranes of my bowels became dreadfully diseased and inactive. In that condition, I called upon a physician who understood my case and checked the disease, so, in a measure, restored action to my bowels, but still my stomach and bowels were not right, my tongue continued to be much coated; the relax frequently clicked, my power; the digestive organs but partially performing their *regular functions*. I prepared myself with extreme nervousness and I sent for the Christian Chronicle, I noticed Dr. Hoofland's German Bitters advertised, and several certificates annexed, recommending your Bitters in cases similar to mine.—I sent to our agent, Mr. A. Turrell, at Montrose, and procured two bottles, and commenced according to the directions. After taking the first bottle I found that the coating was fast being removed from my tongue, and the bowels and the stomach becoming natural and regular. I have used five bottles, my nerves have been materially helped, and I have reason to hope that I am being perfectly restored; whereas the disease has been working so long, and I was brought so low, that in my weakness my system was despaired of, as was stated in a letter of Elder G. M. Spratt, and published in the Christian Chronicle of Dec. 2d.

Now, sir, I am aware that very few, at least, in this section, know anything about your Bitters. I wish they did, for I believe there are hundreds in this region who might be cured by the use of those Bitters.

Yours Respectfully, J. W. PARKER.

THE FOREST WINE.

THIS excellent Medical Wine and the Forest Pills are fast gaining the good will and increasing the favorite medicine of the people, and known as a most effectual remedy in the cure of *Dyspepsia, Habitual Costiveness, Liver Complaint, Asthma, Piles, Obstinate Head-ache, Bilious Disorders, Pimples, Blotches and unhealthy Color of the Skin, Jaundice, Ague and Fever, Salt Rheum, Erysipelas, Complaints incident to Females, Languishing Weakness, Night Sweats, Nervous Disorders, General Ill Health and impaired state of the Constitution.*

But a short time has elapsed since these great and good medicines have been made known to the public, yet thousands have experienced their good effects. Invalids given over by their physicians as incurable, have been restored to sound and vigorous health by their use. These medicines are unlike any other. Their combined properties directly on those organs of the stomach, liver and kidney which secrete the fluids, and separate the impurities from the blood. The Wine and Pills never weaken, but give strength and animation to both body and mind.

The great amount of good these medicines have done for the sick and afflicted have induced thousands to recommend them to their friends and the public. Individuals of the highest respectability testified to the wonderful efficacy of their extraordinary virtues.

DR. I. A. STANLEY, a celebrated physician, in a letter from Princeton, New Jersey, dated November 16, 1849, declares that in all his experience he had never seen anything to compare with the Forest Wine and Pills, at the same time relating several cases of extraordinary Debility and Scrofulous affections, which it cured in an incredible short time. Among the number who have witnessed the great results of the Forest Wine, and recommended it in numerous complaints, will be found the names of the celebrated Dr. T. Goodman, Dr. L. Cheesman, Dr. Chilton, Dr. Wm. Brown, Dr. Marvin, Dr. J. M. Morgan and others.

TESTIMONY

of Mr. Johnson Burke, a highly respectable citizen of Waverly Place, New York.

DR. G. W. HALSEY—Dear Sir: I esteem the Forest Wine as the King of Medicines. It has done for me in five weeks what three physicians failed to do in as many years. In 1845 I became the victim of the Heart Disease and Nervous Affections which have been growing on me ever since until I procured your Forest Wine and Pills, although I had wasted several hundred dollars for other medicines.—During the last two years I was obliged to keep my house nearly all the time, and gave up all hopes of recovery, my complaint was of that class under which nature sinks, verified I concluded to give it a trial, and before finishing the third bottle I felt like a different person, and was able to resume business again, entirely cured by taking five bottles. For the benefit of those afflicted with similar complaints you are at liberty to publish this.

Yours, &c., JOHNSON BURKE, Waverly Place, N. Y.

General Debility, Emaciation, Wasting of the Body, &c., &c.

Many persons are afflicted with some one of the above complaints without being able to trace it to any particular cause, and therefore delay the use of the proper remedy until the disease becomes constitutional. These disorders are often characterized by a sense of sinking, or entire exhaustion after exercise. Some experience sluggishness, lassitude and an irritable temper, or flushing of the countenance, palpitation of the heart, or like symptoms. The excellent effects which have ever attended the use of the Forest Wine and Pills, in every species of debility, is conclusive evidence of its happy results in this class of disorders. Many have resorted to these medicines as an *ultimatum*, and been speedily cured. For nervous disorders and debility, the Wine and Pills are taken according to the directions on the label.

TO THE LADIES.

True beauty and loveliness accompany the highest perfection of health, which again invariably follows the *Perfect state of the Blood*. What artificial appendages equal that vivid expression of countenance which emanates from health! What paints can compare with the crimson colored blood casting its brilliant roseate hue through the transparent texture of the skin! What charms are more captivating than those of nature, in her highest perfection? Let Dr. Halsey's Wine supply the place of all cosmetics.—The use of this excellent Wine in a short time creates pure, rich blood, which, coursing through the veins, penetrates the minutest fibres that verge toward the surface of the skin, causing all unhealthy pimples and blotches to disappear, imparting a vivid, rosy color to the skin, and brilliant expression in the eyes.

THIS IS NATURAL BEAUTY.

In corroboration of these facts, Dr. Halsey has many testimonials. The following is from a lady of the most respectable standing in society, sent to us by her brother, residing in Rutgers st.

NEW YORK, July 7th, 1849.

DR. G. W. HALSEY—My sister, from her youth, had been in very delicate health, complaining frequently of weakness of the chest, attended with a cough. About the age of 18 she began to get much worse. For six months previous to commencing with your medicines she had not been able to get out of the house. Her countenance was greatly emaciated, yellow and sickly. Her face and neck was covered with disagreeable pimples, eyes very much sunken, and her cough increasing. In fine, she bore every appearance of soon becoming an unhappy victim to consumption. At this time I procured for her some of your Forest Wine and Pills, which she commenced using according to the directions. She gradually improved and was followed up the use of them. Her first symptoms of recovery were a better appetite, her face became smooth and her cheeks rosy. Her cough left her altogether. She is now strong and vigorous, and presents the finest example of health I ever witnessed.

JOHN R. MAXWELL.

Dr. Halsey's Gum-Coated Forest Pills,

Manufactured on the same principal as the Forest Wine, to which is an important adjunct. They are coated with pure Gum Arabic, an important invention, for which Dr. Halsey has received the only patent ever granted on Pills by the Government of the United States.

Dr. Halsey's Forest Wine and Gum-Coated Forest Pills, unite in accomplishing the same great end, *THE PURIFICATION OF THE BLOOD, THE RENOVATION AND RESTORATION OF THE STOMACH AND OTHER ORGANS.* The life principle of man is the blood, no soon are those organs of the stomach which secrete the blood, caused of morbid matter and restored to healthy action by the use of the Forest Pills, and pure rich blood made to flow in the veins, by the use of the Forest Wine, than disease begins to vanish, and strength and energy of body return. This is the principle on which is founded these great medicines, and by which nearly all diseases are cured.

☞ The Forest Wine is put up in large quart bottles, with Dr. Halsey's name blown in the glass. One dollar per bottle, or six bottles for $5. Gum-Coated Forest Pills, 25 cents per box. General Depot, 161 Duane street, corner of Hudson, New York.

Sold wholesale and retail by GEORGE H. KEYSER, corner of Wood street and Virgin alley, Pittsburgh, and by JAMES T. SAMPLE, north west corner of Federal street and the Diamond, Allegheny. apl4-d&wlm&S
