"PUNCH" ON BONNETS.—The last number of Punch contains a pictorial guess at the distance at which ladies' bonnets will be worn from their heads at the next remove. The tendency has been further and still further rearward, and the next change, Punch thinks, will carry them off the head entirely; so he represents the next fashion by two young ladies in full dress and bareheaded, sailing along the street, with a footman walking some ten feet behind, *carrying their bonnets on a waiter.*

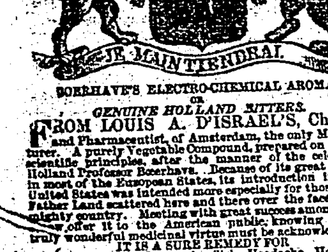
# HOLLAND BITTERS



BOERHAVE'S ELECTRO-CHEMICAL AROMA, or GENUINE HOLLAND BITTERS.

FROM LOUIS A. D'ISRAELI'S, Chemist and Pharmaceutist, of Amsterdam, the only Manufacturer. A purely Vegetable Compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our Father Land scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

IT IS A SURE REMEDY FOR

Fever and Ague, Dyspepsia, Sick Headache, Headache, Sour and Foul Stomach, Offensive Breath, Billiousness, unpleasant taste in the mouth after eating, sleeping, indigestion, costiveness, nausea, vertigo, extreme languor and exhaustion, loss of appetite, despondency, dyspepsia, impaired sight and memory, pain and sense of fulness in the head, and all diseases arising from a disordered state of THE LIVER OR STOMACH.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirits, and, in fact, infusing new health and vigor into the system.

A TRULY VALUABLE MEDICINE.

In all cases of Diarrhea, Dysentery, Cholic, Cholera Morbus, and the many unpleasant effects attending a change of water or climate

I can eat and sleep well, and attend to my business with pleasure, and would therefore recommend it to all those who are similarly afflicted. D. H. WOODS.

## MEDICAL.

**TO THE PUBLIC.**

MOST IMPORTANT ANNOUNCEMENT; RETIREMENT OF PROF. JAMES McCLINTOCK, M. D.

*From the Philadelphia Medical College.*

*A NEW ERA IN THE HISTORY OF MEDICINE!* Popular Medicine for the first time sanctioned by the HIGHEST AUTHORITY IN THE PROFESSION!

THE undersigned have the pleasure of informing the public that they have made arrangements with the eminent Professor JAMES McCLINTOCK M. D., of Philadelphia, known for more than a quarter of century past as one of the greatest Practitioners and Teachers of Medicine and Surgery in this country or in Europe, for the purchase of his recipes, and the preparation of series of FAMILY MEDICINES therefrom, which will be put up in a *cheap* and *popular* form, adapted for general use, and suited to the most prevalent diseases. These remedies embrace some of the most valuable discoveries and combinations *ever known* for the cure of *disease*. They are the fruits of the most profound investigation, the widest research, and the almost unequaled experience of one of the first physicians of the age. Each remedy is specially adapted to some *particular form of disease*, in accordance with the *highest principles of modern medical science*. Each of these remedies have been tried, improved, and finally perfected, in the course of a long, active and highly successful practice, not only in Philadelphia, but throughout many distant sections of the country to which his great reputation has called him. Their nature and effect are known and approved of by hundreds of regular physicians who have been his students and seen their beneficial results in Dr. McClintock's own hands, while they were under his tuition, in the Colleges of Philadelphia, Castleton, Pittsfield, and elsewhere.

READ THE FOLLOWING CERTIFICATE:

This is to certify that I have placed in the hands of Messrs. A. Cushman & Co., New York, the recipes of my "Family Medicines," with my full authority to prepare and offer them for popular use. They are such as I have been in the habit of recommending and prescribing for many years, and their composition is well known to hundreds of regular physicians, who have been my students, and who are many of them now practising with distinguished success in all parts of the country. My inducements for this step are numerous; one of the most urgent is, that the demand for my remedies has become so large, through private report of their success, as to make their preparation too great a drain upon my time; another is, the repeated solicitations of many of my friends and patients; in the belief that the general introduction of my remedies would be in many respects a public benefit; and finally, in securing the cooperation of Mr. Alexander Cushman, who is a thoroughly educated Chemist and practical Apothecary of many years experience, whereby I am enabled to assure the public that they will be prepared in the EXACT, PUREST and most perfect form, regardless of expense.

JAMES McCLINTOCK, M. D., Late Professor of Anatomy and Surgery in the Philadelphia College of Medicine and Acting Professor of Midwifery; one of the Consulting Physicians of the Philadelphia Hospital, Blockley; late member of the National Medical Association; member of the Philadelphia Medical Society; member of the Medico-Chirurgical College of Philadelphia; formerly President and Professor of Anatomy and Surgery in Castleton Medical College, Vermont; and also, late Professor of Anatomy and Physiology in Berkshire Medical Institution, Pittsfield, Mass., &c., &c., &c.

We need scarcely remind the intelligent public of the *great necessity* which exists for the introduction of a class of *good and reliable popular medicines* which may be confidently adopted into family use and *depended on at all times* in the absence of a physician, as being the legitimate productions of *Science, Study and Experience*. Nor argument is needed to prove the immense superiority of such a class of remedies over the dangerous compounds that are daily puffed into notice by ignorant and reckless men, solely for the purpose of enriching themselves at the expense of the lives and health of their fellow beings. We trust confidently in the good sense of the community to support us in this effort to extirpate the great public evil of *Quackery*, by giving a careful perusal to the following list, which embrace the first twelve remedies of the series, and which comprises some of the most valuable specifics ever discovered for the several complaints enumerated. If you or any of your friends are sufferers, use no time in procuring the aid of the *first medical authority of the day*, by obtaining and giving a trial to such of these medicines as are adapted to the case. We call especial attention to the first on the list as being most generally demanded, at this season namely, the

I.....PECTORAL SYRUP.

PRICE, [Pint Bottles] $1.

VI.....DYSPEPTIC ELIXIR.

Some of these symptoms always appear in Dyspepsia, and sometimes the same patient has many of them at the same time, or at different times. For attacking these Protean symptoms in their great central source, viz: the disordered condition of the digestive organs, the DYSPEPTIC ELIXIR combines all the valuable ingredients which the Vegetable Kingdom affords. Taken in connection with the Vegetable Purgative Pills in cases where there is much costiveness, or with the Anti-Billious Pills, where the functions of the liver are irregularly performed, it will be found a most effectual remedy. These Pills, if taken in the incipient stages of Billious and Yellow, or other Fevers, will generally ward off the attack. PRICE, per Box, 25 Cents.

The undersigned, in accepting the proprietorship of Dr. James McClintock's Family Medicines, would respectfully state to the public, that in his profession as Dispensing Chemist, for nearly fifteen years past, during which time he has been actively connected with the best pharmaceutical establishments in this country, he has had constant occasion to see and prepare the prescriptions of the most eminent physicians, among whom he would name Dr. Mott Dr. Parker, Dr. Francis, Dr. Cheeseman, Dr. Reese, Dr Whittaker, Dr. Schmidt, Dr. Hosack, Dr. Kissam, Drs. Pratt and Young, Dr. Beals, Dr. Green, and many others in the city of New York.

The experience thus acquired enables him to discriminate with confidence between *legitimate medicines, combined scientifically*, so as to secure a harmonious chemical action in union with their highest therapeutical effects, and the inaccurate mixtures of quackery and ignorance, wherein, for want of proper knowledge in combining them, the best ingredients may neutralize and destroy each other, or result in a substance highly injurious and contrary to its intended design. It is with pleasure, therefore, that he testifies that the prescriptions of Dr. James McClintock are not only composed of the most valuable medical agents known to, and habitually employed by, our best practitioners in the treatment of the several diseases for which they are intended, but they are combined in such accurate proportions, in relation to their chemical and medicinal effects, as to secure the attainment of the utmost increase of their power and efficiency.

In conclusion, he will only add for himself, that he can refer with confidence to his past career, as his guarantee to the public that these *great remedies* in his hands will be *faithfully prepared* in strict accordance with the prescriptions of their distinguished originator.

**SANDS' SARSAPARILLA**
IN QUART BOTTLES,
**For Purifying the Blood, and for the Cure**
*Of Scrofula, Rheumatism, Stubborn Ulcers, Dyspepsia, Salt Rheum, Fever Sores, Erysipelas, Pimples, Biles, Mercurial Diseases, Cutaneous Eruptions, Liver Complaint, Bronchitis, Consumption, Female Complaints, Loss of Appetite, General Debility, &c. &c.*

IN this preparation all the restorative properties of the root are concentrated in their utmost strength and efficacy; but while Sarsaparilla Root forms an important part of its combination, it is at the same time compounded with other vegetable remedies of great power and it is in the peculiar combination and scientific manner of its preparation, that its remarkable success in the cure of disease depends. It acts simultaneously upon the stomach, the circulation of the bowels, and thus three processes, which are ordinarily the result of three different kinds of medicine, are carried on at the same time, through the instrumentality of this ONE remedial agent which stimulates while it disinfects and expels from the stomach and bowels all that is irritating, and at the same time restores their vigor and tone. Many other preparations imitate it in bearing the name of Sarsaparilla, and in that their resemblance ends, being often prepared from worthless and inert roots, and, of course, possessing no healing or curative properties, and patients in making choice of which they will use should take no other but that concentrated to their confidence, from the long list of cures it has effected on living witnesses, whose testimonials and residence have been published, and who are still bearing daily testimony to its worth.

ASTONISHING CURE.
PATTERSON, N. Y. Sept. 20th, 1851.

Messrs. A. B. & D. SANDS: Gentlemen—Having witnessed the most beneficial effects from the use of your Sarsaparilla, it gives me pleasure to send you the following statement in regard to my son. In the Spring of 1848, he took a severe cold, and after 8 weeks of severe suffering the disease settled in his left leg and foot, which soon swelled to the utmost. The swellings was lanced by his physician, and discharged most profusely; after that no less than eleven ulcers formed on the leg and foot at one time. We had five Physicians but none relieved him much; and the last winter found him so emaciated and low that he was unable to leave his bed, suffering the most excruciating pain. During this time the bone had become so much affected that piece after piece came out, of which he has nothing of ... more than twenty-five preserved in a bottle, varying from one-half to one and a half inches in length. We had given up all hopes of his recovery, but at this time we were induced to try your Sarsaparilla, and with its use his health and appetite began immediately to improve, and so rapid was the change that less than a dozen bottles effected a perfect cure. With gratitude, I remain truly yours,
DARIUS BALLARD.

We, the undersigned, neighbors of Mr. Ballard, cheerfully subscribe to the facts of the above statement.

**THE FOREST WINE.**

THIS excellent Medical Wine and the Forest Pills are fast gaining the good will and becoming the favorite medicine of the people, and known as a most effectual remedy in the cure of *Dyspepsia, Habitual Costiveness, Liver Complaint, Asthma, Piles, Obstinate Headache, Bilious Disorders, Pimples, Blotches and unhealthy Color of the Skin, Jaundice, Ague and Fever, Salt Rheum, Erysipelas, Languishing Weakness, Night Sweats, Nervous Disorders, General Ill Health and an impaired state of the Constitution.*

But a short time has elapsed since these great and good medicines have been made known to the public, yet those who have experienced their good effect, invalids given over by their physicians as incurable, have been restored to soundand vigorous health by their use. These medicines are unlike any other. Their two-fold properties are directly on those organs of the stomach, liver and kidneys which secrete the fluids, and separate the impurities from the blood. The Wine and Pills ever work, but always strength and animation to both body and mind.

The great amount of good these medicines have done for the sick and afflicted have induced thousands to commend them to their friends and the public. Individuals of the highest integrity have voluntarily certified to the world in favor of their extraordinary virtues.

Dr. L. A. STANLEY, a celebrated physician, in a letter from Princeton, New Jersey, dated November 15, 1849, declares that in all his experience he had never seen any thing so prompt and efficacious as the Forest Wine and Pills, ... Dyspepsia, Habitual Costiveness, Liver complaints, and Scrofulous affections, ... Forest Wine, and the Pills ... Dr. M. T. Goodman, Dr. L. Cheeseman, Dr. Chilton, Dr. Wm. Brown, Dr. Marvin, Dr. J. M. Morgan and others.

TESTIMONY.

Of Mr. Johnson Burke, a highly respectable citizen of Waverly Place, New York:

DR. G. W. HALSEY—Dear Sir: I esteem the Forest Wine as the King of Medicines. It has done for me in five weeks what three physicians failed to do in as many years. In 1845 I became the victim of the Heart Disease and Nervous Affections which have been growing on me ever since until I procured your Forest Wine and Pills, although I had paid several hundred dollars for medical attendance. During the last two years I was obliged to keep my house nearly all the time, and gave up business in consequence of my ill health. I had lost nearly all hopes of recovery, my complaint was of that class under which "nature sinks and life becomes a burthen." Seeing your Forest Wine advertised I concluded to give it a trial, and before finishing the third bottle I felt like a different person, and was able to resume business again, entirely cured by taking five bottles. For the benefit of those afflicted with similar complaints you are at liberty to publish this.
Yours, &c., JOHNSON BURKE, Waverly Place, N. Y.

*General Debility, Emaciation, Wasting of the Body, &c., &c.*

Many persons are afflicted with some one of the above complaints without being able to trace it to any particular cause, and therefore delay the use of the proper remedy until the disease becomes constitutional. These disorders are often characterized by a sense of sinking, or sluggish exhaustion after exercise. Some experience sluggishness, lassitude and irritation, at times paleness or flushing of the countenance, palpitation of the heart, or like symptoms.

The excellent effects which have ever attended the use of the Forest Wine and Pills, in every species of debility, is conclusive evidence of their happy results in this class of disorders. Many have resorted to these medicines as an ultimatum, and been speedily cured. For nervous disorders and debility, the Wine and Pills are taken according to the directions on the label.

*TO THE LADIES.*

True beauty and loveliness accompany the highest perfection of health, which again invariably follows the *pure state of the Blood*. What artificial appendages equal that vivid expression of countenance which emanates from health? What paints can compare with the crimson colored blood casting its brilliant roseate hue through the transparent texture of the skin? What charms are more captivating than those of nature, in her highest perfection! Let Dr. Halsey's Wine supply the place of all cosmetics. The use of this excellent Wine in a short time creates pure, rich blood, which, coursing through the veins, penetrates the minutest fibres that verge toward the surface of the skin, causing all unhealthy pimples and blotches to disappear, imparting a vivid, rosy color to the skin, and brilliant expression to the eye.

*THIS IS NATURAL BEAUTY.*

In corroboration of these facts, Dr. Halsey has many testimonials. The following is from a lady of the most respectable standing in society, sent to us by her brother, residing in Rutgers st.:

NEW YORK, July 7th, 1849.

DR. G. W. HALSEY—My sister, from her youth, had been in very delicate health, complaining frequently of weakness of the chest, attended with a cough. About the age of 18 she began to get much worse. For six months previous to commencing with your medicines she had not been able to get out of the house. Her countenance was greatly emaciated, yellow and sickly. Her face and neck was covered with disagreeable pimples, her eyes were sunken, and her cough distressing. In fine, she bore every appearance of an unhappy victim to consumption. At this time I procured for her some of your Forest Wine and Pills, which she commenced using according to the directions. She gradually improved as she followed up the directions. Her first symptoms of recovery were an uncommonly good appetite, her face finally became smooth, and her cheeks rosy. Her cough left her altogether. She is now strong and vigorous, and presents the finest example of health I ever witnessed.
JOHN S. MAXWELL.

**Dr. Halsey's Gum-Coated Forest Pills,**

Manufactured on the same principal as the Forest Wine, to which it is an important adjunct. They are coated with pure Gum Arabic, an important invention, for which Dr. Halsey has received the only patent ever granted on Pills by the Government of the United States.

Dr. Halsey's Forest Wine and Gum-Coated Forest Pills, unite in accomplishing the same great end, *THE PURIFICATION OF THE BLOOD, THE RENOVATION AND RESTORATION OF THE STOMACH AND BOWELS.*

The life principle of man is the blood, no soon are those organs of the stomach which secrete the blood, ... morbid matter and restored to healthy action by the ... of the Forest Pills, and pure rich blood made to flow in the veins, by the use of the Forest Wine, than disease begins to vanish, and strength and energy of body return. This is the principle on which is founded these great medicines, and by which nearly all diseases are cured.

☞ The Forest Wine is put up in large quart bottles, with Dr. Halsey's name blown in the glass. One dollar per bottle, or six bottles for $5. Gum-Coated Forest Pills, 25 cents per box. General Depot, 161 Duane street, corner of Hudson, New York.

Sold wholesale and retail by GEORGE H. KEYSER, corner of Wood street and Virgin alley, Pittsburgh, and by JAMES T. SAMPLE, north-west corner of Federal street and the Diamond, Allegheny. apl4-d&wly

**Multiplication and Extension of Iron Manufacture.**

We have within the last few months seen frequent allusions to a new plan, by which mineral, coal, and iron ore are converted at once into *wrought iron*, without passing through the more tedious and expensive steps into and from the pig metal state, as now generally practiced in the United States.

This new process appears to be gaining favor rapidly in various parts of our country. It was first heard of at Newark, New Jersey, then at Cincinnati, then at Cleveland, next in Wisconsin, now in our immediate vicinity, Pittsburgh and "Beaver City."

We have seen the process and witnessed the results. We have seen the mineral coal and the crude ore, after being crushed or pulverized and mixed in suitable proportions, put into a hopper, like a grain at a country mill, and through two hot tubes or cylinders, come to the ... sand, and with almost ... heat, and ... of its particles, and the spontaneous welding or aggregation of its particles, under the manipulation of a puddler, grow into a compact mass, and like a rolling snowball, increase with every turn to the size of the largest pumpkin.

We have seen this iron pumpkin, or ball of red hot metal, brought immediately under a forge hammer, and in less than five minutes it was converted into a beautiful bloom. We have seen the same bloom pass through the rolls, and come forth as boiler iron, as rolled iron, nail rods, &c., and it was *all very good.*

An appropriate furnace and puddling oven for this purpose can be erected for less than $1000, and any man having an acre of coal land, with good iron ore in its vicinity, and a thousand dollars in his pocket, can, in less time than it would require to erect a saw mill or grist mill, have a running concern on his own premises, at the foot of his own coal bank, which shall turn out daily two tons of first rate blooms at a cost of $20 the ton, though worth at his own door $70 the ton—thus giving him a profit of $100 a day on a capital of $1000. The "Beaver Manufacturing Company" are ready to furnish the ground, the coal, the iron ore, water power and ... and every facility for ... under their charter, with others who have some capital, skill and industry.

Let those who wish to know more of this matter, inquire of the undersigned, who knows all about it.

This route, from Cleveland to Chicago, is much the preferable one. The passenger enjoys a good night's rest, on a first class steamboat; and, taking the cars at Detroit in the morning, finds himself in Chicago after a nine hours' ride, though a pleasant country, and over the best arranged railroad in the West. By any other route he must endure the fatigue of night riding upon the cars, and the storms of the Upper Lakes.

☞ Persons wishing to secure passage, or make contracts for freight, will apply to E. A. PIERCE, Agent, Cleveland, (Office, corner of River and St. Clair street, Central Exchange,) or to JOHN A. CAUGHEY,
Agent C. and P. RR. Co., Monongahela House,
ap6 Pittsburgh.

**Ohio and Indiana Railroad.**

TRAINS leave Crestline daily, Sundays excepted, at 6.50 A. M., on the arrival of the night train from Pittsburgh, and by way of the Mad River Railroad, arrive at Dayton at 1.20 P. M., at Cincinnati at 4.20 P. M., and Indianapolis at 10.50 P. M.

This is the only line connecting directly at Crestline with the night train from Pittsburgh.

Tickets to any of the above points, apply at the O. & P. R. R. Office, Monongahela House, Pittsburgh, or at the Station House, Allegheny City.

## MEDICAL.

CARTER'S SPANISH MIXTURE—THE GREAT PURIFIER OF THE BLOOD—NOT A PARTICLE OF MERCURY IN IT.—An infallible remedy for Scrofula, King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the face, Blotches, Biles, Chronic Sore Eyes, Ring-Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Disorders, Lumbago, Spinal Complaints, and all diseases arising from an injudicious use of Mercury, or Imprudence in Life, or Impurity of the Blood.

This valuable medicine, which has become celebrated for the number of extraordinary cures effected through its agency, has induced the proprietors, at the urgent request of their friends, to offer it to the public, which they do with the utmost confidence in its virtues and wonderful curative properties. The following certificates, selected from a large number, are, however, stronger testimony than the mere word of the proprietors; and are all gentlemen well known in their localities, and of the highest respectability, many of them residing in the city of Richmond, Va.

P. BOYDEN, Esq., of the Exchange Hotel, Richmond, known everywhere, says he has seen the medicine called CARTER'S SPANISH MIXTURE, administered in over a hundred cases, in nearly all the diseases for which it is recommended, with the most astonishing good results. He says it is the most extraordinary medicine that he has ever seen.

AGUE AND FEVER—GREAT CURE.—I hereby certify that for three years I had Ague and Fever of the most violent description. I had several physicians, took large quantities of Quinine, Mercury, and I believe all the Tonics advertised, but all without any permanent relief. At last I tried Carter's Spanish Mixture, two bottles of which effectually cured me, and I am happy to say, I have had neither Chills or Fever since. I consider it the best Tonic in the world, and the only medicine that ever reached my case.
JOHN LONGDON.

Beaver Dam, near Richmond, Va.

C. B. LUCK, Esq., is now in the city of Richmond, and for many years in the Post Office, has such confidence in the astonishing efficacy of Carter's Spanish Mixture, that he has bought upwards of 50 bottles, which he has given away to the afflicted. Mr. Luck says he has never known it to fail, when taken according to directions.

Dr. MINGE, a practising Physician, and formerly of the City Hotel, in the city of Richmond, says he has witnessed in a number of instances, the effects of Carter's Spanish Mixture, which were most truly surprising. He says in a case of Consumption, dependent on the Liver, the good effects were wonderful indeed.

SAM'L M. DRINKER, of the firm of Drinker & Morris, Richmond, was cured of Liver Complaint, of 8 years standing, by the use of two bottles of Carter's Spanish Mixture.

GREAT CURE OF SCROFULA.—The editors of the Richmond Republican had a servant employed in their press room, cured of violent Scrofula, combined with Rheumatism, which entirely disabled him from work. Two bottles of Carter's Spanish Mixture made a perfect cure of him, and the editors in a public notice, say they "cheerfully recommend it to all who are afflicted with any disease of the blood."

STILL ANOTHER CURE OF SCROFULA.—I had a very valuable boy cured of Scrofula by Carter's Spanish Mixture. I consider it truly a valuable medicine.—JAMES M. TAYLOR, Conductor on the R. F. & P. R. R. Co., Richmond, Va.

SALT RHEUM OF 20 YEARS STANDING CURED.—Mr. John Thompson, residing in the city of Richmond, was cured by three bottles of Carter's Spanish Mixture, of Salt Rheum, which he had nearly twenty years, and which all the physicians of the city could not cure. Mr. Thompson is a well known merchant in the city of Richmond, Va., and his cure is most remarkable.

Wm. A. MATTHEWS, of Richmond, had a servant cured of Syphilis, in the worst form, by Carter's Spanish Mixture. He says he cheerfully recommends it, and considers it an invaluable medicine.

RICHARD E. WEST, of Richmond, was cured of Scrofula, and what Physicians called confirmed Consumption, by three bottles of Carter's Spanish Mixture.

EDWARD BURTON, Commissioner of the Revenue, says he has seen the good effects of Carter's Spanish Mixture, in a number of Syphilitic cases, and says it is a perfect cure for that horrid disease.

WM. G. HARWOOD, of Richmond, cured of Old Sores and Ulcers, which disabled him from walking. Took a few bottles of Carter's Spanish Mixture, and was enabled to walk, without a crutch, in a short time permanently cured.

Principal Depots at M. Ward, Close & Co., No. 83 Maiden Lane, New York; T. W. Dyott and Sons, No. 132 North 2d street, Philadelphia; Bennett & Beers, No. 125 Main street, Richmond, Va.

**GOOD MEDICINES.**

IT is estimated that Ayer's Cherry Pectoral and Cathartic Pills have done more to promote the public health, than any other one cause. There can be no question that the Cherry Pectoral has by its thousand on thousand cures of Colds, Coughs, Asthma, Croup, Influenza, Bronchitis, &c., very much reduced the proportion of deaths from consumptive diseases in this country. The Pills are as good as the Pectoral and will cure more complaints.

Everybody needs more or less purging. Purge the blood from its impurities. Purge the bowels, Liver and the whole visceral system from obstructions. Purge out the diseases which fasten on the body, to work its decay. But for disease, we should die only of old age. Take antidotes early and thrust it from the system, before it is yet too strong to yield.

Ayer's Pills do thrust out disease, not only while it is weak, but when it has taken a strong hold. Read the astounding statements of those who have been cured by them from dreadful Scrofula, Dropsy, Ulcers, Skin Diseases, Rheumatism, Neuralgia, Dyspepsia, Internal Pain, Bilious Complaints, Heartburn, Head-Ache, Gout, and many less dangerous but still threatening ailments, such as Pimples on the Face, Worms, Nervous Irritability, Loss of Appetite, Irregularities, Dizziness in the Head, Colds, Fevers, Dysentery, and indeed every variety of complaint for which a Purgative Remedy is required.

These are no random statements, but are authenticated by your own neighbors and your own Physicians.

Try them once, and you will never be without them.

Price 25 cts. per Box—5 Boxes for $1.

Prepared by Dr. J. C. AYER, Chemist, Lowell, Mass., and sold by all respectable Druggists everywhere. jy7-d&w1mS
