EMIGRATION TO AUSTRALIA.—A letter received at New York, by Mr. Cameron, of the Australia packet line, from Messrs. Belt & Sons, of Australia, proposes a scheme for the promotion of emigrants from the United States to Australia. It is designed especially to attract the free colored population of the United States to Australia. Messrs Belt & Sons propose that H. W. Cameron, Esq., be the exclusive agent in the United States for the Sydney house. The terms contemplate the accommodation of poor persons who are healthy but have not the money to pay their passage. They are to enter into an agreement to work out their passage money when they reach Sydney, the Council of the colony having passed a law designed to enforce such contracts strictly.
