NUNNS AND CLARK'S PIANOS.
SPLENDID FRESH STOCK!

HENRY KLEBER,

Sole Agent for Pittsburgh and Western Pennsylvania, for NUNNS & CLARK'S unrivalled GRAND and SQUARE

PIANOS;

RESPECTFULLY informs the public of Pittsburgh and vicinity that a splendid fresh stock of *Nunns & Clark's superior* Pianos is now being prepared for him, and has partly been received. The immense and vastly increasing popularity of Nunns and Clark's Pianos has caused the firm to add another wing to their enormous establishment, a description of which may be found in a late number of the *Waverly Magazine*, viz:—"It is undoubtedly the largest, and, if we are not mistaken, the oldest house devoted to that branch of business in the United States. It was established upwards of thirty years ago by an ingenious and enterprising Piano-Forte build r who acquired a *practical* and *thorough knowledge* of the "art, trade and mystery" of manufacturing the beautiful instruments for which this house has so long been famous. If patronage is the highest compliment that can be paid to an establishment, and imitation is the sincerest flattery, then the firm of *Nunns & Clark* have much to be proud of, for they have never been able to go ahead of their orders sufficiently to make up Pianos for exhibition and speculation."

The above remarks from the pen of a *Boston* editor on a *New York* establishment are peculiarly forcible and significant.

Opinion of Mons. LAZARE, the celebrated Pianist.

Having in most of my concerts made use of and carefully examined the Pianos made by Nunns & Clark, New York, I freely give this testimonial of their superiority with regard to volume and power of *tone* and their promptness and elasticity of touch—qualities so important in forming the hands and improving the style of playing of musical students. MARTIN LAZARE, Professor of the Piano at the Royal Conservative of Paris.

Opinion of Madame DE VRIES.

The accompaniments to my songs having been played in nearly all my concerts on the Pianos made by *Nunns & Clark*, I consider them admirably adapted to *blend and swell* with the voice—a great and important consideration with vocalists. ROSA DE VRIES.

Opinion of MAURICE STRAKOSH, the celebrated Pianist and Composer.

I have for several years past been using one of *Nunns & Clark's* Pianos in my own family, and consider them preferable to any other, both for private and concert purposes. They have a peculiar delicacy of tone and touch added to great volume and power. MAURICE STRAKOSH.

Opinion of resident Professors.

Having thoroughly tested the capacities and qualities of *Nunns & Clark's* Pianos, we feel constrained to pronounce them *superior* in every respect. Their tone is irreproachable for volume, brilliancy and equality, and their touch delightful for promptness and elasticity—altogether well calculated to improve the style and touch of learners.

VICTOR DE HAAS,
HENRY ROHBOCK,
C. ANTON,
N. SEIDLE,
JEAN MANNS, and others.

H. Kleber gives a *full and satisfactory warrant* with every Piano, and will positively sell them at *New York factory prices, without addition for freight, risk, etc.*, and the money refunded if the Piano proves defective.

AYER'S PILLS.
FOR ALL THE PURPOSES OF A
FAMILY PHYSIC.

THERE has long existed a public demand for an effective purgative pill which could be relied on as sure and perfectly safe in its operation. This has been prepared to meet that demand, and an extensive trial of its virtues has conclusively shown with what success it accomplishes the purpose designed. It is easy to make a physical pill, but not easy to make the best of all pills—one which should have none of the objections, but all the advantages, of every other. This has been attempted here, and with what success we would respectfully submit to the public decision. It has been unfortunate for the patient hitherto that almost every purgative medicine is acrimonious and irritating to the bowels. This is not. Many of them produce so much griping pain and revulsion in the system as to more than counterbalance the good to be derived from them. These pills produce no irritation or pain, unless it arise from a previously existing obstruction or derangement in the bowels. Being purely vegetable, no harm can arise from their use in any quantity; but it is better that any medicine should be taken judiciously. Minute directions for their use in the several diseases to which they are applicable are given on the box. Among the complaints which have been speedily cured by them, we may mention Liver Complaint in its various forms of Jaundice, Indigestion, Languor and Loss of Appetite, Listlessness, Irritability, Bilious Headache, Bilious Fever, Fever and Ague, Pain in the Side and Loins; for in truth, all these are but the consequence of diseased action in the liver. As an aperient, they afford prompt and sure relief in Costiveness, Piles, Colic, Dysentery, Humors, Scrofula and Scurvy, Colds with soreness of the body, Ulcers and impurity of the blood; in short, any and every case where a purgative is required.

They have also produced some singularly successful cures in Rheumatism, Gout, Dropsy, Gravel, Erysipelas, Palpitation of the Heart, Pains in the Back, Stomach and Side. They should be freely taken in the spring of the year, to purify the blood and prepare the system for the change of seasons. An occasional dose stimulates the stomach and bowels into healthy action, and restores the appetite and vigor. They purify the blood, and, by their stimulant action on the circulatory system, renovate the strength of the body, and restore the wasted or diseased energies of the whole organism. Hence an occasional dose is advantageous, even though no serious derangement exists; but unnecessary dosing should never be carried too far, as every purgative medicine reduces the strength, when taken to excess. The thousand cases in which a physic is required cannot be enumerated here, but they suggest themselves to the reason of everybody; and it is confidently believed this pill will answer a better purpose than any thing which has hitherto been available to mankind. When their virtues are once known, the public will no longer doubt what remedy to employ when in need of a cathartic medicine.

Prepared by JAMES C. AYER, Assayer and Practical Chemist, Lowell, Mass. Price 25 cts. per box. Five boxes for $1. Sold by Druggists and Dealers in Medicine throughout this section. fe5-d&wd&wS

IT HAS POWER TO CURE—"I had not used it twice before I felt its beneficial effects."
Mr. R. E. Sellers—Sir—Suffering from a cold and cough, for which I tried many receipts, without obtaining relief, I was presented with a bottle of "R. E. Sellers' Cough Mixture." I think it a duty which I owe both you and the public in general, to positively assert that I had not used it twice before I felt its beneficial effects, and (under the Divine blessing) had no occasion to finish the bottle. I testify also, as to having witnessed its magic properties on friends of mine, one in particular, who had a trying attack on her lungs, accompanied with a distressing cough.—Verily the only true Esculapius (where coughs and colds affect the sufferer) has descended amongst us in "R. E. Sellers' Cough Mixture." M. FITZGERALD,

MEDICAL.

TO THE PUBLIC.
MOST IMPORTANT ANNOUNCEMENT;
RETIREMENT OF PROF. JAMES McCLINTOCK, M. D.
From the Philadelphia Medical College.
A NEW ERA IN THE HISTORY OF MEDICINE
Popular Medicine for the first time sanctioned by the
HIGHEST AUTHORITY IN THE PROFESSION!

THE undersigned have the pleasure of informing the public that they have made arrangements with the eminent Professor JAMES McCLINTOCK, M. D., of Philadelphia, known for more than a quarter of century past as one of the greatest Practitioners and Teachers of Medicine and Surgery in this country or in Europe for the purchase of his recipes, and the preparation of a series of FAMILY MEDICINES therefrom, which will be put up in a *cheap* and *popular form*, adapted for general use, and suited to the most prevalent diseases. These remedies embrace some of the most valuable discoveries and combinations *ever known* for the cure of disease. They are the fruits of the most profound investigation, the widest research, and the almost unequaled experience of one of the first physicians of the age. Each remedy is especially adapted to some *particular form of disease*, in accordance with the *highest principles of modern medical science*. Each of these remedies have been tried, improved, and finally perfected, in the course of a long, active and highly successful practice, not only in Philadelphia, but throughout many distant sections of the country to which his great reputation has called him. Their nature and effect are known and approved of by hundreds of regular physicians who have been his students and seen their beneficial results in Dr. McClintock's own hands, while they were under his tuition, in the Colleges of Philadelphia, Castleton, Pittsfield, and elsewhere.

READ THE FOLLOWING CERTIFICATE:

This is to certify that I have placed in the hands of Messrs. A. Cushman & Co., New York, the recipes of my "Family Medicine," with my full authority to prepare and offer them for popular use. They are such as I have been in the habit of recommending and prescribing for many years, and their composition is well known to hundreds of regular physicians, who have been my students, and who are many of them now practising with distinguished success in all parts of the country. My inducements for this step are numerous; one of the most urgent is, that the demand for my remedies has become so large, through private report of their success, as to make their preparation too great a draft upon my time; another is, the repeated solicitations of my friends and patients, in the belief that many of my remedies would be greatly useful if offered to the public in a cheap form; and finally, in securing the co-operation of Mr. Alexander Cushman, who is a thoroughly educated Chemist and practical Apothecary of many years experience, whereby I am enabled to assure the public that they will be prepared in the BEST, PUREST and most perfect form, regardless of expense.

JAMES McCLINTOCK, M. D., Late Professor of Anatomy and Surgery in the Philadelphia College of Medicine and Acting Professor of Midwifery; one of the Consulting Physicians of the Philadelphia Hospital, Blockley; late member of the National Medical Association; member of the Philadelphia Medical Society; member of the Medico-Chirurgical College of Philadelphia; formerly President and Professor of Anatomy and Surgery in Castleton Medical College, Vermont; and also, late Professor of Anatomy and Physiology in Berkshire Medical Institution, Pittsfield, Mass. &c. &c. &c.

We need scarcely remind the intelligent public of the *great necessity* which exists for the introduction of a class of *good and reliable popular medicines* which may be confidently adopted in family use and *depended on at all times* in the absence of a physician, as being the legitimate productions of *Science, Study and Experience*. No argument is needed to prove the immense superiority of such a class of remedies over the dangerous compounds that are daily puffed into notice by ignorant and reckless men, solely for the purpose of enriching themselves at the expense of the lives and health of their fellow beings. We trust confidently in the good sense of the community to support us in his effort to extirpate the great public evil of *Quackery* by giving a careful perusal to the following list, which embraces the first twelve remedies of the series, and which comprises some of the most valuable specifics ever discovered for the several complaints enumerated. If you or any of your friends are sufferers, use no time in procuring the aid of the *first medical authority of the day*, by obtaining and giving a trial to such of these medicines as are adapted to the case. We call especial attention to the first one the list as being most generally demanded, at this season namely, the

I......PECTORAL SYRUP.

THIS invaluable Syrup, which is entirely vegetable in its composition, has been employed with wonderful success for many years in the cure of diseases of the AIR PASSAGES AND LUNGS. The most common diseases of these organs are, *Irritation and Inflammation* of the Mucous Membrane which lines the air tubes of the throat, windpipe and lungs. For any of these forms of disease, whether showing themselves as *Cough, Tickling of the Throat, Sense of Rawness in the Throat, Spitting of Blood, Difficulty of Breathing, Hoarseness or Loss of Voice, and Hectic Fever*, its use will be attended with the happiest results. It is recommended as one of the best and safest medicines for all forms of *Bronchitis and Consumption*.

No Laudanum or preparation of Opium, in any shape, in this Syrup. PRICE [in Pint Bottles] $1.

II......COLD AND COUGH MIXTURE.

For recent coughs, colds and irritation of the throat or lungs. It is especially valuable for children; no family, in our changeable climate, should be without this efficient remedy, which, if taken on the first symptoms of cold, would prevent many an attack of Bronchitis, and a fatal issue in Consumption.

No Laudanum or preparation of Opium, in any shape, in this Mixture. PRICE, per bottle, 25 cents.

III......ASTHMA AND WHOOPING COUGH REMEDY. These terribly distressing diseases are relieved to an unhoped for degree by this purely vegetable medicine, which has been brought to perfection slowly in the course of many years' experience. Trial is all that is needed to prove its efficacy to those who have never employed it. PRICE, per Bottle, 50 cents.

IV......DIARRHEA CORDIAL AND CHOLERA PREVENTIVE.

A CERTAIN cure for Diarrhea; and, if used in time, for Dysentery, Cholera Morbus and Asiatic Cholera. This prescription has NEVER FAILED to cure Diarrhea, and in Dysentery it is equally successful. In the early stages of Asiatic Cholera it will be found invaluable. For Colic of Infants and Cholera Infantum it is a sovereign remedy. Full directions for use accompany each bottle. PRICE, per Bottle, 25 and 50 cents.

V......TONIC ALTERATIVE SYRUP.

FOR THE CURE, 1. Of *Cutaneous or Skin Diseases*, viz: Tetter, Salt Rheum, Itch, Ringworm, &c. 2. Of *Scrofulous Diseases*, Scrofula or King's Evil, White Swelling, Goitre or Swelled Neck, Tumors, Low Ulcers, &c. 3. *Rheumatic Diseases*—Chronic Rheumatism, Gout, &c. 4. *Mercurial or Syphilitic Diseases* of all classes, Primary, Secondary or Tertiary. These diseases all arise from a taint in the system requiring an alteration of the Secretions and a general purification of the blood. For this purpose the TONIC ALTERATIVE SYRUP, which combines the virtues of certain vegetable remedies used for this purpose, will be found wonderfully effective. PRICE [in Pint Bottles] $1.

VI......DYSPEPTIC ELIXIR.

DYSPEPSIA, or disordered digestion, may be called the National Disease of America. Its symptoms are headache; giddiness; nervousness; low spirits; dimness of vision, with motes or specks before the eyes; itching of the nostrils; fullness of the stomach after eating; a gnawing or sinking at the stomach; fullness and ringing in the ear; disagreeable taste in the mouth; constriction or weight about the chest, difficulty of breathing, or an uneasy feeling about the heart; palpitation; or uneasy feeling in lying down or ascending stairs; palpitation; heartburn; pain or fullness of the abdomen, and costiveness. Some of these symptoms always appear in Dyspepsia; and sometimes the same patient has many of them at the same time, or at different times. In attacking these Protean symptoms in their seat and source, viz: deranged condition of the digestive functions, the DYSPEPTIC ELIXIR combines all the valuable ingredients for which the Vegetable Kingdom affords. Taken in connection with the Vegetable Purgative Pills in cases where there is much costiveness, or with the Anti-Billious Pills, where the functions of the liver are irregularly discharged, it will be found a most effectual remedy. PRICE [in Pint bottles] $1.

VII......RHEUMATIC MIXTURE.

It affords immediate relief from colic, and pain in the stomach and abdomen. As a counter irritant, it is invaluable in all cases where an external stimulant is needed. PRICE, per Bottle, 50 cents.

IX......ANODYNE MIXTURE.

A most convenient and valuable remedy, to be used both internally and externally, for the relief of PAINS, WHETHER ACUTE OR CHRONIC, as in Neuralgia, Pains in the Chest, Stitch in the side, Pains in the Face, Neuralgic Pains wherever found, Pains in the Stomach, Bowels, Liver or Kidneys in sudden attacks of Colic, Bilious Colic, and Fits of Stone or Gravel, it will give immediate relief. PRICE, per Bottle, Fifty Cents.

X......TONIC MIXTURE, OR FEVER AND AGUE SPECIFIC.

A sure and safe vegetable remedy for Fever and Ague, or Intermittent Fever in any of its forms, and for all diseases recurring periodically. This remedy has been tried to the fullest extent, and has been found a SPECIFIC so far as any medicine can be entitled to that name. In convalescence from acute diseases, where tonics are required, and in all cases of impaired digestion and want of nervous power, it will be found singularly efficacious. PRICE, per Bottle, $1.

XI......VEGETABLE PURGATIVE PILLS.

For the relief of COSTIVENESS, and all its painful results such as Headache, Dizziness, Sick Stomach, Pains, and all the symptoms commonly included under the "Dyspeptic Elixir," in all cases where purgation is needed, these Pills are offered as a safe and mild, but efficient cathartic. No invalid, or traveller should be without them. PRICE, per Box, 25 Cents.

XII......ANTI-BILIOUS PILLS.

For Liver Complaints, and all forms of disease arising from derangement of the liver, with symptoms such as yellowness of the Eyes and Skin, Dizziness, Headache, with ringing in the ears, yellow, furred tongue, pain in the right shoulder, sense of fullness or pain in the right side, deficient action of the kidneys, disordered stomach or bowels, deficient action of the kidneys, slimy colored stools, etc. These Pills, if taken in the incipient stages of Billious and Yellow, or other Fevers, will generally ward off the attack. PRICE, per Box, 25 Cents.

The undersigned, in accepting the proprietorship of Dr. James McClintock's Family Medicines, would respectfully state to the public, that in his profession as Dispensing Chemist, for nearly fifteen years past, during which time he has been actively connected with the best pharmaceutical establishments in this country, he has had constant occasion to see and prepare the prescriptions of the most eminent physicians, among whom he would name Dr. Mott, Dr. Parker, Dr. Francis, Dr. Cheeseman, Dr. Reese, Dr. Whittaker, Dr. Schmidt, Dr. Hosack, Dr. Kissam, Drs. Pratt and Young, Dr. Beals, Dr. Green, and many others in the city of New York.

The experience thus acquired enables him to discriminate with confidence between *legitimate medicines, combined scientifically*, so as to secure a harmonious chemical action in union with their highest therapeutical effects, and the inaccurate mixtures of quackery and ignorance; wherein, for want of proper knowledge in combining them, the best ingredients may neutralize and destroy each other, or result in a substance highly injurious, and contrary to its intended design. It is with pleasure, therefore, that he testifies that the prescriptions of Dr. James McClintock are not only composed of the most valuable medical agents known to, and habitually employed by, our best practitioners in the treatment of the several diseases for which they are intended, but they are combined in such accurate proportions, in relation to their chemical and medicinal effects, as to secure the attainment of the utmost increase of their power and efficiency.

In conclusion, he will only add for himself, that he can refer with confidence to his past career, as his guarantee to the public that these *great remedies* in his hands will be *faithfully prepared* in strict accordance with the prescriptions of their distinguished originator.

MEDICAL.

HOLLAND BITTERS

BOERHAVE'S ELECTRO-CHEMICAL AROMA,
OR
GENUINE HOLLAND BITTERS.

FROM LOUIS A. D'ISRAEL'S, Chemist and Pharmaceutist, of Amsterdam, the only Manufacturer. A purely Vegetable Compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our Father Land scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

IT IS A SURE REMEDY FOR

Fever and Ague, Dyspepsia, Sick Headache, Headache Sour and Foul Stomach, Offensive Breath, Billiousness, unpleasant taste in the mouth after eating or sleeping, indigestion, costiveness, nausea, vertigo, extreme languor and exhaustion, loss of appetite, despondency, drowsiness, impaired sight and memory, pain and sense of fulness in the head, and all diseases arising from a disordered state of THE LIVER OR STOMACH.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirits, and, in fact, infusing new health and vigor into the system.

A TRULY VALUABLE MEDICINE.

In all cases of Diarrhea, Dysentery, Cholic, Cholera Morbus, and the many unpleasant effects attending a change of water or climate.

Certificate of Mr. B. O. Woods, late Justice of the Peace, near Birmingham.

Mr. Benjamin Page, Jr.—*Dear Sir:* I would say that I have been afflicted with a disease of the stomach, palpitation of the heart, and nervous headache for nearly fifteen years, and have spent some hundreds of dollars in order to effect a cure, but to no purpose. After having used three bottles of your "Electro-Chemical Aroma, or Holland Bitters," I am myself entirely restored. I can eat and sleep well, and attend to my business with pleasure, and would therefore recommend it to all those who are similarly afflicted. (Signed) B. O. WOODS.

PITTSBURGH, Aug. 24, 1853.

Mr. Benj. Page, Jr.—*Dear Sir:* My sincerest thanks are due to the friend recommending your Holland Bitters.—Having suffered for some time with headache, loss of appetite, mental depression, and in fact general disorder of the system, I now feel, after using but one bottle, conscious of recovering health.

(Signed) NICOLUS ECHOS.

Benj. Page, Jr., Esq.—*Dear Sir:* I have been relieved of the most distressing form of Dyspepsia, by the use of Boerhave's Holland Bitters, (purchased of you) after suffering for 3 years with headache, nausea, and general debility, attending indigestion. I now feel perfectly restored.

Yours, respectfully, JOHN RUTHERFORD,
No. 90 Wylie st., Pittsburgh.

Buy BOERHAVE'S "Holland Bitters" and take no other. Should it fail, in any instance, to effect as much and even more than the advertisement claims for it, your money will be refunded. BENJAMIN PAGE, Jr.,
