PITTSBURGH GAZETTE

SANATORY SUBSTANCES.—As the warm weather is now at hand, it will no doubt be very useful information to many persons to be told what are the best substances for removing offensive odors from sinks, &c. Copperas, or sulphate of iron, is a very excellent substance for slushing drains and sinks. By dissolving half a pound of it in a pail of hot water, and throwing it into a sink once per week, it will keep down all offensive odor; and from the situations of many houses in all our cities it would greatly tend to health and pleasure for the inhabitants of each to do this. The chloride of lime, or the chloride of zinc, will answer just as well, but these are expensive substances, (sulphate of iron.) Lime is also very useful, and is no doubt a cheap deodizer, but is not a very good one; copperas, therefore, is preferable to all these substances. But there is another substance which is far superior to either copperas, the chloride of lime, or zinc, as a deodizer both as it respects its qualities and its economy; we mean charcoal powder—made of ground wood charcoal. Charcoal powder possesses the quality of absorbing ammoniacal, sulphuretted hydrogen, and carbonic acid gases in a superior degree to any other substance. Placed in the vicinity, or spread among animal or vegetable matters, it absorbs all the offensive and hurtful gases, and keeps the air sweet and wholesome.

We really hope that charcoal powder will soon come into extensive use as a deodorizer and disinfectant. It appears to us that it can be ground in mills in the timber regions where wood is cheap, transported to our cities, and sold at a very moderate price. We are convinced that a plentiful use of fresh ground wood charcoal for sinks, damp floors, and the drains of cellars, would greatly tend to prevent disease in many places, by the absorption of miasma.—*Scientific American.*

To the Musical World.
Great Improvement in the Covering of Violin Strings.
(*Cordes de Violon de Paganini.*)
MANUFACTURED ONLY BY JAMES DODD.
IN introducing his new Cordes de Violon to the notice of Professors, Amateurs and the Public at large, J. DODD has great pleasure in announcing that the peculiar method of preparing these Strings was communicated to him by Signor Sivori, the only pupil of the late Signor Paganini, during his visit to this country, and is identical with that adopted on the Continent, where these Cordes have been hitherto manufactured for these great Violinists. They are beautiful in appearance, covered with real silver and possess a softness and brilliancy of Tone unequalled by any of the strings in present use; qualities, which he feels confident must insure the approbation of the Musical World. He has also manufactured Violoncello Strings on the same principle, with plated wire, which he can likewise confidently recommend.
Testimonials from the following, some of the most distinguished Professors, have been rec'd among many others:
Camillo Sivori, H. Vieuxtemps, Alfredo Piatti, O. Emilian, A. Simon, Chas. Oberthur, Sr. Rousselot, G. Guynemer, I. H. B. Dando, Robt. Lidley, F. Saiuton, S. I. Pigott.
For sale by CHARLOTTE BLUME, No. 118 Wood st., 2d door above 5th st.
Also, Genuine Padua and Naples (Italian) Violin Strings.

Spring Stock of Hamburg Pianos.
CHARLOTTE BLUME,
NO. 118 WOOD STREET,
PITTSBURGH, SOLE AGENT.
THE HAMBURG PIANOS are undoubtedly superior to all others in elasticity of touch and power of tone. They have not only received the highest marks of approbation from the best *European Pianists*, such as Liszt, Thalberg, and others who have them constantly in their use, but also from our resident Professors.
The following is an extract from a letter of Professor Henry Rohbock. After describing the particular styles, two of which he has ordered from the Factory, and the one Square Piano, he speaks as follows of their excellent qualities:
"My little daughter, who plays very well, must, with me, have a good instrument, and yours are the only ones which can satisfy me.
"Instruments are offered me on the most accommodating terms, but I do not like them, they have not the elastic touch and the tone of yours."
I remain yours respectfully,
HENRY ROHBOCK, Pittsburgh, Pa.

MEDICAL.

AYER'S PILLS

ARE CURING THE SICK TO AN EXTENT NEVER BEFORE KNOWN OF ANY MEDICINE.

Invalids, Read and Judge for Yourselves.

JULES HAUEL, Esq., the well-known perfumer, of Chestnut st., Philadelphia, whose choice products are found at almost every toilet, says:
"I am happy to say of your CATHARTIC PILLS, that I have found them a better family medicine for common use than any other within my knowledge. Many of my friends have realized marked benefits from them and coincide with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only effectual but safe and pleasant to be taken, qualities which must make them valued by the public, when they are known."
The venerable Chancellor WARDLAW, writes from Baltimore, 15th April, 1854:
"DR. J. C. AYER—Sir: I have taken your Pills with great benefit, for the listlessness, languor, loss of appetite, and Bilious Headache, which has of late years overtaken me in the spring. A few doses of your Pills cured me. I have used your Cherry Pectoral many years in my family for coughs and colds with unfailing success. You make medicines which cure, and I feel it a pleasure to commend you for the good you have done and are doing."
JOHN F. BEATTY, Esq., Sec'y of the Penna. Railroad Co., says:
Pa. R. R. Office, Phila., Dec. 13, 1853.
"Sir: I take pleasure in adding my testimony to the efficacy of your medicines, having derived very material benefit from the use of both your Pectoral and Cathartic Pills. I am never without them in my family, nor shall I ever consent to be, while my means will procure them."
The widely renowned S. S. STEVENS, M. D., of Wentworth, N. H., writes:
"Having used your CATHARTIC PILLS in my practice, I certify from experience, that they are an invaluable purgative. In cases of disordered functions of the liver, causing headache, indigestion, costiveness, and the great variety of diseases that follow, they are a surer remedy than any other. In all cases where a purgative remedy is required, I confidently recommend these Pills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe, qualities which make them an invaluable article for public use. I have for many years known your *Cherry Pectoral* as the best Cough medicine in the world, and these Pills are in no wise inferior to that admirable preparation for the treatment of diseases."
Acton, Me., Nov. 25, 1855.
"DR. J. C. AYER—Dear Sir:—I have been afflicted from my birth with Scrofula in its worst form, and now, after twenty years' trial, and an untold of amount of suffering, have been completely cured in a few weeks by your Pills. With what feelings of rejoicing I write, can only be imagined when you realize what I have suffered, and how long.
"Never until now have I been free from this loathsome disease in some shape. At times it attacked my eyes, and made me almost blind, besides the unendurable pain; at others it settled in the scalp of my head, and destroyed my hair, and has kept me partly bald all my days; sometimes it came out in my face, and kept it for months a raw sore.
"About nine weeks ago I commenced taking your Cathartic Pills, and now am entirely free from the complaint. My eyes are well, my skin is fair, and my hair has commenced a healthy growth; all of which makes me feel already a new person.
"Hoping this statement may be the means of conveying information that shall do good to others, I am, with every sentiment of gratitude, Yours, &c.
MARIA RICKER."
"I have known the above named Maria Ricker from her childhood, and her statement is strictly true.
ANDREW J. MESERVE,
Overseer of the Portsmouth Manufacturing Co."
Capt. JOEL PRATT, of the ship Marion writes from Boston, 20th April, 1854:
"Your Pills have cured me from a billious attack which arose from derangement of the liver, which had become very serious. I had failed of any relief by my Physician, and from every remedy I could try, but a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best effects. They were promptly cured. I recommended them to a friend for costiveness, which had troubled him for months; he told me in a few days they had cured him. You make the best medicine in the world, and I am free to say so."
Read this from the distinguished Solicitor of the Supreme Court, whose brilliant abilities have made him well known, not only in this but the neighboring States.
"New Orleans, 5th April, 1854.
"Sir: I have great satisfaction in assuring you that myself and family have been very much benefited by your medicines. My wife was cured two years since, of a severe and dangerous cough, by your CHERRY PECTORAL, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Influenza and Croup by it. It is an invaluable remedy for these complaints. Your CATHARTIC PILLS have entirely cured me from a dyspepsia and costiveness, which has grown upon me for some years,—indeed this cure is much more important, from the fact that I had failed to get relief from the best physicians which this section of the country affords, and from any of the numerous remedies I had taken.
"You seem to us, Doctor, like a providential blessing to our family, and you may well suppose we are not unmindful of it. Yours, respectfully,
LEAVITT THAXTER."
"Senate Chamber, Ohio, April 5th, 1854.
"DR. J. C. AYER—Honored Sir: I have made a thorough trial of the Cathartic Pills, left me by your agent, and have been cured by them of the dreadful Rheumatism under which he found me suffering. The first dose relieved me, and a few subsequent doses have entirely removed the disease. I feel in better health now than for some years before, which I attribute entirely to the effects of your Cathartic Pills. Yours with great respect,
LUCIUS B. METCALF."
The above are all from persons who are publicly known where they reside, and who would not make these statements without a thorough conviction that they were true.

ANOTHER Pittsburgher testifying to the wonderfully curative powers of Boerhave's Holland Bitters.
PITTSBURGH, Dec. 6th, 1854.
Messrs. Benj. Page, Jr., & Co.—Gentlemen—For a year past I have been afflicted very seriously with dyspepsia, so much so, that my stomach refused to retain anything. I have tried almost every remedy, and the regimen of several physicians, but without alleviation, until I began the use of Boerhave's Holland Bitters, and have now found relief almost amounting to a cure. I found it efficacious in removing the extreme debility occasioned by this disease, and generally as a tonic it has few equals and no superior.
Respectfully, JACOB WEIRS, 3d st., below Market.
CAUTION.—Be careful to ask for Boerhave's Holland Bitters. The great popularity of this medicine has induced many imitations, which the public should guard against purchasing as the genuine Boerhave's Holland Bitters.

DR. HOOFLAND'S
CELEBRATED GERMAN BITTERS,
PREPARED BY
Dr. C. M. Jackson,
No. 120 Arch Street, Philadelphia.
TESTIMONY FROM PENNSYLVANIA.
J. P. WITZ, Martinsburg, Pa., May 23d, 1854, says—"With much pleasure I testify to the virtues of your German Bitters. Some time since I was severely afflicted with a disease of the liver, for which I used numerous remedies, but with no beneficial effect, until I was induced to try your Bitters, which I am now happy to state have entirely cured me."
J. M. HUNSBERG, Doylestown, Pa., June 20, 1853, says: "My wife has been afflicted with a nervous debility since Sept., 1851, since which time I have been unable to find any remedy, and no effect was produced until one day I called at the store of Dr. Harvey, of this town, for some tincture of iron, and described to him the affliction of my wife. He then handed me a lot of papers to read, among which I found one describing your German Bitters. I immediately procured a few bottles from him and she seemed to state that the use of the Bitters has done her more good than all the medicine she had heretofore taken. I wish you to send me half dozen bottles."
HAYS & MCCONNELL, McConnellsville, Pa., July 14, 1853, say: "We are almost out of Hoofland's German Bitters, it is selling well and gives general satisfaction."
JOHN SWARTZ, Duncannon, Pa., June 29, 1853, says: "I have been selling quite a large quantity of your German Bitters, and find it a most valuable medicine."
