JOSEPH WHITE'S

Carriage Repository.

JOSEPH WHITE NOW CARRYING on business in his spacious premises, Nos. 232 and 234 Liberty street, (now lately enlarged,) between Pittsburgh and Lawrenceville, near the Two Mile Run, respectfully invites the public to inspect his stock of CARRIAGES, BUGGIES, &c. And he particularly informs gentlemen *purchasers*, that one price only is made. Fourteen years' experience in the business, enables him to place before his patrons the same choice collection of Carriages, which so many years past it has been his particular department to select from the various and most talented Eastern Manufacturers. The success of his new system is complete; the economy of his arrangements will supply the best and most fashionable manufacturers at moderate prices.

Unencumbered by those heavy expenses, which the *mania* for decorating Houses of Business has heaped upon the price of Goods, (owing to large rents,) Joseph White will sell on ready money only, at much less than the usual profits.

As no odor proceeds from the preparation, the glove can be worn immediately after it is cleaned. With a piece of flannel, apply a small portion of the preparation very lightly, and the dirt will instantly disappear. It is the article used by the Kid-Glove Manufacturers of France to impart that purity of finish and softness for which their gloves are so justly celebrated. It cleans kid slippers and white and colored kid glove elegantly. It is also an excellent article for the kid and for beautifying the complexion, removing tan, pimples, &c. far exceeds in excellence any of the thousand and one preparations usually sold for that purpose. The cost, at the trifling expense of 25 cents, will convince any one that the article is all that it is claimed to be. Try a bottle of it for 25 cents, and you will never wish to be without it. It can be obtained of all Druggists and Dealers in Fancy Goods in Pittsburgh, and as wholesale, of the sole proprietors, CLARK & CO., 335 BROADWAY, NEW YORK. A liberal discount to the trade.
