Weekly Review of the Philadelphia Markets.

PHILADELPHIA, January 27, 1860.

The Produce market has been devoid of activity this week, and the demand for the leading articles quite limited. Cotton Bark is in demand, but the market is bare. Breadstuffs continue dull, and for Flour, Meal, Wheat, and Corn, prices are rather weak. Cotton is in good request, and prices are also firm. Coffee, Sugar, and Molasses are also firm, and the stocks light. Fish are better. In Fruit there is more doing. Hides continue dull. Iron—Very little doing. Naval Stores are quiet. Oils are held firmly. Provisions are also firm, but the transactions are limited. Rice is a shade better. Cloverseed—The demand has fallen off, and prices are lower. Tallow, Teas, and Tobacco are dull. Whiskey is unsettled and lower, and for Wool the demand continues very small. The Dry Goods trade is rather more active; buyers from the West and Southwest are coming in quite freely; they take hold rather lighter than usual, however, owing to the difficulty in making collections at home; there is nochange in goods of any kind, and prices generally are well maintained. Boots, Shoes, and Hardware are also beginning to move off more freely.

The Breadstuffs market is without any marked change, and the operations of the past week have been limited again. Of Flour the sales reach only about 6,000 bbls, in lots, at $5.50a5.75 for superfine, the latter for Brandywine, $5.75a6 for extras, $6.25 a6.62½ for family Flour, and $7a7.50 per bbl for fancy brands, according to quality, closing, however, quiet at these figures. The sales to the trade have also been only moderate within the above range of quotations, as to brand and quality. Rye Flour and Corn Meal continue to meet with a limited inquiry at $4.25 for the former and $3.75 per bbl for the latter.

The following is the inspection of Flour and Meal, for the week ending January 26, 1860:

Half barrels of superfine	34
Barrels of superfine	12,633
" Extra	273
" middlings	221
" Rye	140
" Corn Meal	1,255
Total	15,144

Wheat continues dull, but the offerings are light, and prices without quotable change. Sales of 12,000 bus. fair and prime Southern and Penna. Red are reported at $1.33a1.36, and White at $1.40a1.50 per bus. Rye is scarce. Penna. is in good arrival at $85c, and Delaware at 90. Corn is dull, and has slightly declined. Sales of 15,000 bus. Yellow at 75a76c, mostly in the cars, closing dull at these rates, and White at 70a72c. Oats have been in limited demand, and 10,000 bus. fair and prime Penna. sold at 44a46c, and Delaware at 42a43c. Barley is steady, and some New York sold at 80c. Barley Malt is in better request, and selling in lots at 90a100c per bus. Cash and time.

PROVISIONS.—The market is firm in consequence of the advance in the West. Supplies are beginning to come forward more freely, but the stocks are very light, and the demand for all kinds limited. Sales of 400 bbls Mess Pork are reported, part at $18, cash and on time, and part on private terms. City-packed Mess Beef sells in lots for ship's stores at $13a15 per bbl. Western Mess Beef is dull at $10.50 per bbl. No sale of Prime. Rifled Hogs come in slowly, and sell at from $6.75a7 per 100 lbs. Bacon—There is very little inquiry, but prices are unchanged. Hams are steady, and sell at 10½a12c. as inquiry; sides at 9½a10c, and Shoulders at 7½a8c per lb, short time. Green Meats are beginning to come in more freely, but there is very little doing; sales of Sides, in salt, at 8½c, and Shoulders at 7c per lb, on time, which is an improvement. Lard—The stock is light and prices firm, but without much inquiry; sales of 100 tierces and bbls at 10½a11c, and 500 kegs at 11½c per lb, on time. Butter is dull; there is a limited demand for Roll, with small sales at 14a16c. Cheese is worth 10a11c, and Eggs 12c per dozen.

A small lot sold at $23, 6 months. In Scotch Pig nothing doing; we quote at $24.50a 25 per ton, cash. Boiler Plates and Boiler Iron remain without quotable change. Lead—There is but little stock of Pig here, and sales of 500 pigs Galena are reported at $5.90, cash. Copper—English sheathing is held at 28c, and Yellow Metal at 22c per lb, 6 months, which is better.

COTTON.—The demand is limited, but the market is firm, with sales of 2,000 bags Rio at 11a12c, and 300 bags Laguayra at 12½a13c per pound, on time.

COTTON.—There is a better feeling in the market, and some holders are asking a further advance. The stock, particularly of grades above good middlings, being very much reduced, the demand is mostly confined to this description. Sales of 600 bales uplands at 11¼a11c for samples, and 11½ 12½c per lb, cash, for middling and middling fair qualities, including some Gulfs at 12½a13c, on time. SPALDING'S PREPARED GLUE!

SAVE THE PIECES!

ECONOMY! DESPATCH!

"A STITCH IN TIME SAVES NINE."

As accidents will happen, even in well-regulated families, it is very desirable to have some cheap and convenient way for repairing Furniture, Toys, Crockery, &c.

SPALDING'S PREPARED GLUE meets all such emergencies, and no household can afford to be without it. It is always ready, and up to the sticking point. There is no longer any necessity for mixing chaste splintered veneers, headless dolls, and broken cradles. It is just the article for china, shell, and other ornamental work, so popular with ladies of refinement and taste.

This admirable preparation is used cold, being chemically held in solution, and possessing all the valuable qualities of the best glues. Mechanics find it may be used in the place of ordinary mucilage, being vastly more adhesive.

"USEFUL IN EVERY HOUSE."

CAUTION!—ASTHOLOGY!—LOOK OUT—GOOD NEWS FOR ALL—The never failing Mrs. VAN HORN is the best she succeeds, when all others have failed. All who are in trouble, all who have been unfortunate, deceived by false promises, try to her for advice and comfort. *In love affairs she never fails.* She has the secret of winning the affections of the opposite sex. It is this fact which induces illiterate pretenders to try to imitate her, and copy her advertisement. She shows you the likeness of your future wife, husband, or absent friend. It is well known to the public at large that she is the first and only person who can show the likeness in reality, and can give entire satisfaction on all the concerns of life, which can be tested and proved by thousands, both married and single, who daily and eagerly visit her. BURNETT'S COCOAINE.

The following testimonial is conclusive of its efficacy in the case of

DANDRUFF

BOSTON, Oct. 30, 1859.

MESSRS. JOSEPH BURNETT & Co.:

GENTLEMEN: I have used your COCOAINE about six weeks, and offer it as my decided testimony that I deem it my duty to state it to you.

My hair commenced to come out years has been DANDRUFF, with itching and irritation of the scalp. After dressing my hair, my coat-collar would be covered with the white scales, (dandruff,) looking like a shower of snow.

My barber tried various applications without effect. His abuse of your COCOAINE, and his obstinate refusal to use it, provoked me to present my trial.

I have used less than a bottle. The dandruff, and the irritation which caused it, have entirely disappeared, and my hair was never before in so good condition.

Your obedient servant, A. A. FULLER.

BURNETT'S COCOAINE.

A single application renders the hair (no matter how stiff and dry before) soft and pliable as silk. It is conceded by all who have used it to be *the best and cheapest Hair Dressing in the World.*

Prepared by JOSEPH BURNETT & Co., BOSTON, and for sale by all dealers generally, at 50 cents a bottle. d24-3m
