Medical.

R. R. R.

A FALSE THEORY EXPOSED.—THE TRUE SCIENCE REVEALED.

Mankind have long been enlightened in darkness as regards the mysteries of medicine, and of deriving a truthful solution of its power over disease, and its proper use in the treatment of the sick.

Medicine, as practiced by the regular faculty, is a delusion and a bundle of improbabilities and uncertainties. There is nothing in its theories on which the physician can rely as certain or fixed; the results obtained from its prescriptions are doubtful, and in most cases uncertain.

It is a solemn and startling fact, that three-fourths of those who have departed this life* died victims, *not to disease, but to the injudicious application of this subtle and uncertain theory, as practiced by the regular faculty.*

We have proved the utter failure of all the regular practice of medicine, and the great undeniable truthfulness of the R. R. R. over all other agents; for, in a thousand cases, where the regular physicians have given up their patients as incurable, and had in many cases even set the time to only a few short hours, that their victims had to live, Radway's Ready Relief, Regulators or Resolvent, as the case may have been, has restored those dying patients to new life and health.

In the treatment of the sick by the R. R. R. remedies, there is nothing left to chance or uncertainties, for those remedies are so prepared as to possess fixed and positive curative powers, founded on principles as immutable in their power over disease, as the laws of gravitation over the earth. It is therefore, impossible for these remedies to fail in removing from the human system the difficulty for which they may be prescribed, or restoring the whole human system to its normal condition of health.

This is readily seen in the miraculous efficacy of RADWAY'S READY RELIEF—for the moment that remedy is applied to the part or parts of the body tortured with pain, or afflicted with infirmities, all pain and uneasiness ceases, and the crippled, lame and wounded limb becomes invigorated with renewed strength. So also with the Resolvent—the most repulsive Sores, Ulcers, Humors, and the most obstinate of chronic diseases quickly become extinct after a few doses is taken. OLD J. GRIFFIN, Pittsburgh.

In cases of Dyspepsia, Constipation of the Bowels, Derangement of the Liver, Congestions, Palpitation of the Heart, Radway's Regulators, in the form of Pills, can be relied upon as a positive and certain corrector and regulator of these difficulties. In cases of temporary Constipation the Regulators will generally
