With the Screw Steamers MINERAL ROCK, and GEN. TAYLOR, making THREE BOATS leaving Cleveland EVERY WEEK through the season.

The "CITY OF CLEVELAND" and "ILLINOIS" have been fitted up expressly for the traveling public; being acknowledged in point of speed, accommodations, and appointments, UNSURPASSED. The "IRON CITY" comes out completely renovated; her Cabin being extended her full length, giving her first class Passenger accommodations; while her Freighting facilities—with the "MINERAL ROCK" and "GEN. TAYLOR"—are admirable.

For a Pleasure Trip, the Upper Lakes are becoming each succeeding season more popular; none affording the tourist, seeking either business, health or pleasure, so many attractions. Leaving Cleveland, the traveller passes over Lake Erie, through the beautiful rivers Detroit, St. Clair and St. Mary's; and over Lakes St. Clair, Huron and Superior; passing the Island of Mackinac, and the Pictured Rocks; visiting Marquette, Portage Lake, Copper Harbor, Eagle River, Ontonagon, La Point, Bayfield, and Superior City, with many other localities of interest; giving the scientific and enterprising sufficient opportunities for visiting the Copper and Iron Mines; the seeker of health the cool and bracing climate, and attractive scenery; and the sportsman and lover of the romantic, the most inviting facilities for fishing and exploring.

The Steamers make the round trip in eight days. Rooms for any of the trips can be secured by addressing

GAS FROM ROSIN OIL, OR OTHER FATTY FLUID MATERIAL.

THE HIGH ILLUMINATING PROPERTIES of Gas from Rosin and oleaginous substances have always made them a favorite material for the manufacture of Illuminating Gas. Many Gas Companies use Rosin with coal, in order to supply their customers with a superior Quality of Gas.

ROSIN OIL is entirely free from all dross and refuse substances, and yields at once, its Brilliant Illuminating Gas.

The greater original cost of the apparatus for the manufacture of coal gas together with the attention and expense constantly required, and the difficulty, if not impossibility, of entirely separating the unwholesome, deleterious and offensive gases, generally in coal, render the ROSIN OIL APPARATUS cheaper and more desirable in every way.

S. COATES, of 376 Broadway, New York, has devoted his entire attention to the manufacture and sale of Portable Gas Apparatus, and he respectfully calls the attention of the public to his present complete and efficient machine.

Perfect satisfaction to the purchaser guaranteed in every case. For further information address S. COATES, 376 Broadway, New York; or DAVID H. WILLIAMS, Pittsburgh, Pa. jy20dawly

To the Whip Trade.

WE WOULD inform our customers west, and others interested, that we have purchased the entire stock and good will of the firm of HAZLETON & MOORE, of York county, in this State, who from this date decline business in our favor, and have left their notes and accounts against parties West of the Mountains with us for collection. We will, as soon as possible, wait upon our customers and those of the late firm, for the purpose of collecting the amounts due, and receiving their orders for further supplies.

Our stock is now large and well assorted, comprising every variety of *Buggy Whips, Wagon Whips, Riding Switches and Lashes*, and to it we ask the attention of dealers. WELLS, RIDDLE & CO., No. 80 Fourth street. fe24:dawtf

Safety and Economy in Light.

WHY will you burn Campheno and fluid, when you can get a cheaper and better light. Pure Kerosene oil, made from the gas of Cannel Coal, produces the cheapest, most brilliant, steady, pleasant and safe portable light ever offered to the public, and no danger of explosion; more brilliant than gas, and quite as cheap; lamps of the most simple and easily managed construction. For sale by T. D. & G. HODKINSON, No. 13 St. Clair st., near the Bridge.

Medical.

THE FOLLOWING REMEDIES are offered to the public as the best, most perfect, which medical science can afford. AYER'S CATHARTIC PILLS have been prepared with the utmost skill which the medical profession of this age possesses, and their effects show they have virtues which surpass any combination of medicines hitherto known. Other preparations do more or less good; but this cures such dangerous complaints, so quick and so surely, as to prove an efficacy and a power to uproot disease beyond any thing which men have known before. By removing the obstructions of the internal organs and stimulating them into healthy action, they renovate the fountains of life and vigor,—health courses anew through the body, and the sick man is well again. They are adapted to disease, and disease only, for when taken by one in health they produce but little effect. This is the perfection of medicine. It is antagonistic to disease, and no more. Tender children may take them with impunity. If they are sick they will cure them, if they are well they will do them no harm.

Give them to some patient who has been prostrated with bilious complaint; see his bent-up, tottering form straighten with strength again; see his long lost appetite return; see his clammy features blossom into health. Give them to some sufferer whose foul blood has burst out in scrofula till his skin is covered with sores; who stands, or sits, or lies in anguish. He has been drenched inside and out with every potion which ingenuity could suggest. Give him these Pills, and mark the effect; see the scabs fall from his body; see the new, fair skin that has grown under them; see the late leper that is clean. Give them to him whose angry humors have planted rheumatism in his joints and bones; move him and he screeches with pain; he too has been soaked through every muscle of his body with liniments and salves; give him these Pills to purify his blood; they may not cure him, for, alas! there are cases which no mortal power can reach; but mark, he walks with crutches now, and now he walks alone; they have cured him. Give them to the lean, sour, haggard dyspeptic, whose gnawing stomach has long ago eaten every smile from his face and every muscle from his body. See his appetite return, and with it his health; see the new man. See her that was radiant with health and loveliness blasted and too early withering away; want of exercise or mental anguish, or some lurking disease, has deranged the internal organs of digestion, assimilation or secretion, till they do their office ill. Her blood is vitiated, her health is gone. Give her these Pills to stimulate the vital principal into renewed vigor, to cast out the obstructions, and infuse a new vitality into the blood. Now look again—the roses blossom on her cheek, and where lately sorrow sat joy bursts from every feature. See the sweet infant wasted with worms. Its wan, sickly features tell you without disguise, and painfully distinct, that they are eating its life away. Its pinched up nose and ears, and restless sleepings, tell the dreadful truth in language which every mother knows. Give it the Pills in large doses to sweep these vile parasites from the body. Now turn again and see the ruddy bloom of childhood. Is it nothing to do these things? Nay, are they not the marvel of this age? And yet they are done around you every day.

Have you the less serious symptoms of these distempers, they are the easier cured. Jaundice, Costiveness, Headache, Sideache, Heartburn, Foul Stomach, Nausea, Pain in the Bowels, Flatulency, Loss of Appetite, King's Evil, Neuralgia, Gout and kindred complaints all arise from the derangements which these Pills rapidly cure. Take them perseveringly, and under the council of a good Physician if you can; if not, take them judiciously by such advice as we give you, and the distressing, dangerous diseases they cure, which afflict so many millions of the human race, are cast out like the devils of old—they must burrow in the brutes and in the sea. Price 25 cents per box—5 boxes for $1.

Through a trial of many years and through every nation of civilized men, AYER'S CHERRY PECTORAL has been found to afford more relief and to cure more cases of pulmonary disease than any other remedy known to mankind. Cases of apparently settled consumption have been cured by it, and thousands of sufferers who were deemed beyond the reach of human aid have been restored to their friends and usefulness, to sound health and the enjoyments of life, by this all-powerful antidote to diseases of the lungs and throat. Here a cold had settled on the lungs. The dry, hacking cough, the glassy eye, and the pale thin features of him who was lately lusty and strong, whisper to all but him Consumption. He tries everything; but the disease is gnawing at his vitals, and shows its fatal symptoms more and more over all his frame. He is taking the Cherry Pectoral now; it has stopped his cough and made his breathing easy, his sleep is sound at night; his appetite returns, and with it his strength. The dart which pierced his sides is broken.—Scarcely any neighborhood can be found which has not some living trophy like this to shadow forth the virtues which have won for the Cherry Pectoral an imperishable renown. But its usefulness does not end here. Nay, it accomplishes more by prevention than cure. The countless colds and coughs which it cures are the seed which would have ripened into a dreadful harvest of incurable diseases. Influenza, Croup, Bronchitis, Hoarseness, Pleurisy, Whooping Cough, and all irritations of the throat and lungs are easily cured by the Cherry Pectoral, if taken in season.—Every family should have it by them, and they will find it an invaluable protection from the insidious prowler which carries off the parent sheep from many a flock, the darling lamb from many a home.

Authenticated evidence of these facts, with directions for the treatment of each complaint, may be found in Ayer's American Almanac, of which we publish three millions, and scatter them broadcast over the earth, in order that the sick everywhere may have before them the information it contains. Druggists and dealers in medicine generally have them for distribution gratis, and also for sale these remedies, prepared by DR. J. C. THE LIVER INVIGORATOR!

PREPARED BY DR. SANFORD,

Compounded Entirely from GUMS,

IS ONE OF THE BEST PURGATIVE AND LIVER MEDICINES now before the public, that acts as a Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The LIVER is one of the principal regulators of the human body; and when it performs its functions well, the powers of the system are fully developed. The stomach is almost entirely dependent on the healthy action of the Liver for the proper performance of its functions; when the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of one organ—the Liver—having ceased to do its duty. For the diseases of that organ, one of the proprietors has made it his study, in a practice of more than twenty years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with LIVER COMPLAINT, in any of its forms, has but to try a bottle, and conviction is certain.

These Gums remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, *Purifying the Blood*, giving tone and health to the whole machinery, removing the cause of the disease—effecting a radical cure.

BILIOUS ATTACKS are cured, and what is better, prevented, by the occasional use of the Liver Invigorator.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring, prevents *Nightmare*.

Only one dose taken at night, loosens the bowels gently, and cures *Costiveness*.

One dose taken after each meal will cure *Dyspepsia*.

One dose of two teaspoonfuls will always relieve *Sick Headache*.

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves *Cholic*, while

One dose often repeated is a sure cure for *Cholera Morbus*, and a preventive of *Cholera*.

Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

One bottle taken for *Jaundice* removes all sallowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite, & makes food digest well.

One dose often repeated cures *Chronic Diarrhœa* in its worst forms, while *Summer* and *Bowel Complaints* yield almost to the first dose.

One or two doses cures attacks caused by Worms in Children; there is no surer, safer, or speedier remedy in the world, as it never fails.

A few bottles cures *Dropsy*, by exciting the absorbents.

We take pleasure in recommending this medicine as a preventive for *Fever and Ague, Chill Fever*, and all *Fevers of a Bilious Type*. It operates with certainty, & thousands are willing to testify to its wonderful virtues.

All who use it are giving their unanimous testimony in its favor.

Mix Water in the mouth with the Invigorator, and swallow both together.

The Liver Invigorator

Is a Scientific Medical Discovery, and is daily working cures almost too great to believe. It cures as if by magic, even *the first dose giving benefit*, and seldom more than one bottle is required to cure any kind of Liver Complaint, from the worst Jaundice or Dyspepsia, to a common Headache, all of which are the result of a Diseased Liver.

PREPARED AND SOLD BY B. L. FAHNESTOCK & CO., WHOLESALE DRUGGISTS, And Proprietors of B. L. Fahnestock's Vermifuge. No. 60, corner of Wood and Fourth sts., Pittsburgh, Pa.

THESE PILLS have produced more documentary evidence in their favor from well known and highly respectable citizens of all denominations and callings than any other medicine of the day. Below will be found testimony that speaks for itself, coming as it does from a body of conscientious men that would not allow their names to be used in any other connection, or for any other purpose than that of benefit to their fellow man:

We, the subscribers, Ministers of the Gospel, and members of the Pittsburgh Annual Conference of the Methodist Episcopal Church, having each and all of us, during the past few years, had frequent opportunities of learning and trying the character of Dr. R. A. Wilson's Tonic, Cathartic and Anti-Dyspeptic Pills, are are prepared to, and now state with pleasure, in this communication, that we know them to be an excellent medicine, and, as such, recommend their use to our friends and acquaintances, not only as a specific for Sick-Headache and Dyspepsia, for which they are recommended, but as a safe family remedy among children, and for the prevention and removal of Billious attacks, etc.

My experience is not as extensive as the expression in the above certificates; but as far as my opportunity of testing the virtues of Dr. Wilson's Pills has occurred, I cheerfully endorse the sentiment of their superior value. WILLIAM REEVES.

[From the Rev. I. S. Hubbard, Ohio, Oct. 27, 1839.]

DR. WILSON:—I feel myself a thousand times obliged to you. I have for some years been afflicted with the dyspepsia, and from the good effects already produced by your Pills in my case, I am persuaded that the continued use of them will finally effect a thorough cure; I therefore, wish you to send me four boxes by the bearer of this, and oblige yours, etc. ISRAEL SHARP.

Extract of a letter from Col. Camp, an elderly gentleman of Virginia, who has raised a numerous family, of some medical reading, and much experience in the use of medicine.

I do most earnestly hope that you will adopt some plan to supply us with your most excellent Anti-Dyspeptic Pill. I have been in the habit of using it myself, and in my family, from the time you first brought them into use in our neighborhood, and upon all occasions have found them to answer the purpose for which they were administered. My wife has been very much afflicted with sick-headache, and, by using one-half of one of the pills, has uniformly found relief. I think it superfluous to enumerate the different complaints for which I have administered these pills. Suffice it to say that, so far as the numerous complaints set out in the wrapper have fallen under my notice, the pill has had the desired effect in removing the same; and so far as myself have been concerned, I can say that they leave the bowels in better order than the use of any other cathartic that I have ever used. I am, sir, your friend and well wisher, JAMES H. CAMP. se7;d&wlyF

Medical.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, OF ROXBURY, HAS discovered in one of our common pasture weeds, a remedy that cures every kind of Human from the worst Scrofula to a common Pimple.

He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.
One to three bottles will cure the worst kind of pimples of the face.
Two to three bottles will clear the system of boils.
Two bottles are warranted to cure the worst canker in the mouth and stomach.
Three to five bottles are warranted to cure the worst case of erysipelas.
One to two bottles are warranted to cure all humors of the eyes.
Two bottles are warranted to cure running of the ears and blotches among the hair.
Four to six bottles are warranted to cure corrupt and running ulcers.
One bottle will cure scaly eruption of the skin.
Two to three bottles are warranted to cure the most desperate cases of rheumatism.
Two to three bottles are warranted to cure the worst cases of ringworm.
Three to four bottles are warranted to cure salt rheum.
Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed growing in the pastures, and along old stone walls should cure every humor in the system; yet it is now a fixed fact. If you have a humor it has to start. There are no ifs nor ands, hums or ha's about the suiting some cases and not yours. I peddled over a thousand bottles of it in the vicinity of Boston. I know its effects in every case. It has already done some of the greatest cures ever done in Massachusetts. I gave it to children over a year old; to old people of sixty. I have seen poor, puny, wormy looking children whose flesh was soft and flabby, restored to a perfect state of health by one bottle.

To those who are subject to a sick headache, one bottle will always cure it. It gives great relief to catarrh and dizziness. Some who have been costive for years, have taken and been regulated by it. Where the body is sound it works quite easy, but where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed—they always disappear in from four days to a week. There is never a bad result from it. On the contrary, when that feeling is over you will feel yourself like a new person. I heard some of the most extravagant encomiums of it that man ever listened to. No change of diet is ever necessary; eat the best you can get. I have likewise an herb, which, when simmered in sweet oil, dissolves scrofulous swelling of the neck and under the ears. Price 50 cents. Price of the Medical Discovery $1 per bottle.

DIRECTIONS FOR USE.

Adult, one table spoonful per day. Children over eight years, dessert spoonful; children from five to eight years, tea spoonful. As no direction can be made applicable to all constitutions, take enough to operate on the bowels twice a day.

Mr. KENNEDY gives personal attendance in bad cases of scrofula.

JOY TO THE AFFLICTED!!!

It cures Nervous and Debilitated Sufferers, and removes all the Symptoms, among which will be found Indisposition to Exertion, Loss of Power, Loss of Memory, Difficulty of Breathing, General Weakness, Horror of Disease, Weak Nerves, Trembling, Dreadful Horror of Death, Night Sweats, Cold Feet, Wakefulness, Dimness of Vision, Languor, Universal Lassitude of the Muscular System, Often Enormous Appetite, with Dyspeptic Symptoms, Hot Hands, Flushing of the Body, Dryness of the Skin, Pallid Countenance and Eruptions on the Face, Pain in the Back, Heaviness of the Eyelids, Frequently Black Spots Flying before the Eyes, with Temporary Suffusion and Loss of Sight; Want of Attention, Great Mobility, Restlessness, with Horror of Society. Nothing is more desirable to such Patients than Solitude, and nothing they more Dread for fear of themselves; no Repose of Manner, no Earnestness, no Speculation, but a Hurried Transition from one question to another.

These symptoms, if allowed to go on—which this medicine invariably removes—soon follows LOSS OF POWER, FATUITY, AND EPILEPTIC FITS—in one of which the patient may expire. Who can say that these excesses are not frequently followed by those direful diseases—INSANITY AND CONSUMPTION? The records of the INSANE ASYLUMS, and the melancholy deaths by CONSUMPTION, bear ample witness to the truth of these assertions. In Lunatic Asylums the most melancholy exhibition appears.—The countenance is actually sodden and quite destitute—neither Mirth or Grief ever visits it. Should a sound of the voice occur, it is rarely articulate.

"With woful measures wan despair
Low sullen sounds his grief beguiled."

Debility is most terrible! and has brought thousands upon thousands to untimely graves, thus blasting the ambition of many noble youths. It can be cured by the use of this

Infallible Remedy.

PERUVIAN SYRUP! OR, Protected Solution of Protoxide of Iron,

HAVING SUCCESSFULly passed the ordeal to which new discoveries in the Materia Medica are subjected, must now be received as an established Medicine. Its efficacy in curing

DYSPEPSIA,

Affections of the Liver, Dropsy, Neuralgia, Bronchitis and Consumptive Tendencies, Disordered State of the Blood, Boils, Scurry and the Prostrative Effects of Lead or Mercury, General Debility, and all Diseases requiring a Tonic, or Alterative Medicine, is now beyond question.

The proofs of its efficacy are so numerous, so well authenticated, and of such peculiar character, that sufferers can not reasonably hesitate to receive the proffered aid.

The Peruvian Syrup does not profess to be a cure-all, but its range is extensive, because many diseases, apparently unlike, are intimately related, and proceeding from one cause, may be cured by one remedy.

The class of diseases for which the Syrup provides a cure is precisely that which has so often baffled the highest order of medical skill. The facts are tangible, the witnesses are accessible, and the safety and efficacy of the Syrup incontrovertible.

Those who may wish for an opinion from disinterested persons respecting the character of the Syrup, cannot fail to be satisfied with the following, among numerous testimonials in the hands of the agents. The signatures are those of gentlemen well known in the community of Boston, and of the highest respectability.

CARD.

The undersigned having experienced the beneficial effects of the "Peruvian Syrup," do not hesitate to recommend it to the attention of the public.

From our own experience, as well as from the testimony of others, whose intelligence and integrity are altogether unquestionable, we have no doubt of its efficacy in cases of Incipient Diseases of the Lungs and Bronchial Passages, Dyspepsia, Liver Complaint, Dropsy, Neuralgia, etc. Indeed its effects would be incredible, but from the high character of those who have witnessed them, and have volunteered their testimony, as we do ours, to its restorative power.

Rev. JOHN PIERPOINT, THOMAS C. AMORY, THOMAS A. DEXTER, PETER HARVEY, S. H. KENDALL, M. D., JAMES C. DUNN, SAMUEL MAY, Rev. T. WHITTEMORE.

NOTICE.

It is well known that the medicinal effect of Protoxide of Iron is lost by even a brief exposure to air, and that to MAINTAIN a solution of Protoxide of Iron, without farther oxidation, has been deemed impossible.

In the Peruvian Syrup this desirable point is attained by COMBINATION IN A WAY BEFORE UNKNOWN; and this solution may replace all the proto-carbonates, nitrates, and tartrates of the Materia Medica. A. A. HAYES, M. D., Assayer of the State of Mass., Boston, U. S. A.

DR. M'LANE'S CELEBRATED VERMIFUGE AND LIVER PILLS.

WE beg leave to call the attention of the Trade, and more especially the Physicians of the country, to two of the most popular remedies now before the public. We refer to

Dr. Chas. M'Lane's Celebrated Vermifuge and Liver Pills.

We do not recommend them as universal Cure-alls, but simply for what their name purports, viz.:

THE VERMIFUGE,

For expelling Worms from the human system. It has also been administered with the most satisfactory results to various Animals subject to Worms.

THE LIVER PILLS,

For the cure of LIVER COMPLAINTS, all BILIOUS DERANGEMENTS, SICK HEAD-ACHE, &c. In cases of FEVER AND AGUE, preparatory to or after taking Quinine, they almost invariably make a speedy and permanent cure.

As specifics for the above mentioned diseases, they are Unrivaled, and never known to fail when administered in accordance with the directions.

Their unprecedented popularity has induced the proprietors,

FLEMING BROTHERS, PITTSBURGH, PA.

to dispose of their Drug business, in which they have been successfully engaged for the last Twenty Years, and they will now give their undivided time and attention to their manufacture. And being determined that Dr. M'Lane's Celebrated Vermifuge and Liver Pills shall continue to occupy the high position they now hold among the great remedies of the day, they will continue to spare neither time nor expense in procuring the Best and Purest material, and compound them in the most thorough manner. Address all orders to

FLEMING BROS. Pittsburgh, Pa.

P.S. Dealers and Physicians ordering from others than Fleming Bros., will do well to write their orders distinctly, and take none but *Dr. M'Lane's, prepared by Fleming Bros. Pittsburgh, Pa.* To those wishing to give them a trial, we will forward per mail, post paid, to any part of the United States, one box of Pills for twelve three-cent postage stamps, or one vial of Vermifuge for fourteen three-cent stamps. All orders from Canada must be accompanied by twenty cents extra.
