GAS FROM ROSIN OIL
OR OTHER
FATTY FLUID MATERIAL.
THE HIGH ILLUMINATING PROPERTIES of Gas from Rosin and oleaginous substances have always made them a favorite material for the manufacture of Illuminating Gas. Many Gas Companies use Rosin with coal, in order to supply their customers with a Superior Quality of Gas.
ROSIN OIL is entirely free from all dross and refuse substances and yields once, its Brilliant Illuminating Gas.
The greater original cost of the apparatus for the manufacture of coal gas together with the attention and expense constantly required, and the difficulty, if not impossibility, of entirely separating the unwholesome, deleterious and offensive gases, generated in coal, render the ROSIN OIL APPARATUS cheaper and more desirable in every way.
A. OGDEN, of 376 Broadway, New York, has devoted his entire attention to the manufacture and sale of Portable Gas Apparatus, and he respectfully calls the attention of the public to his present complete and efficient machine.
Perfect satisfaction to the purchaser guaranteed in every case. For further information address

THE GREATEST
MEDICAL
DISCOVERY
OF THE AGE.
MR. KENNEDY, OF ROXBURY, HAS discovered in one of our common pasture weeds, a remedy that cures every kind of Human from the worst Scrofula to a common Pimple.
He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humed.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.
Two bottles are warranted to cure a scurvy sore mouth.
One to three bottles will cure the worst kind of pimples of the face.
Two to three bottles will scour the system of boils.
Two bottles are warranted to cure the worst canker in the mouth and stomach.
Three to five bottles are warranted to cure the worst case of erysipelas.
One to two bottles are warranted to cure all humors of the eyes.
Two bottles are warranted to cure running of the ears and blotches among the hair.
Four to six bottles are warranted to cure corrupt and running ulcers.
One bottle will cure scaly eruption of the skin.
Two to three bottles are warranted to cure the most desperate cases of rheumatism.
Two to three bottles are warranted to cure the worst cases of ringworm.
Three to four bottles are warranted to cure salt rheum.
Five to eight bottles will cure the worst case of scrofula.
A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.
Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed growing in the pastures, and along old stone walls should cure every humor in the system; yet it is now a fixed fact. If you have a humor it has to start. There are no ifs nor ands, buns or buts about the suiting some cases and not yours. I peddled over a thousand bottles of it in the vicinity of Boston. I know its effects in every case. It has a ready done some of the greatest cures ever done in Massachusetts. I gave it to children over a year old; to old people of sixty. I have seen poor, puny, worny looking children whose flesh was soft and flabby, restored to a perfect state of health by one bottle.
To those who are subject to a sick headache, one bottle will always cure it. It gives great relief to catarrh and dizziness. Some who have been costive for years, have taken and been regulated by it. Where, the body is sound it works quite easy, but where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed—they always disappear in from four days to a week. There is never a bad result from it. On the contrary, when that feeling is over you will feel yourself like a new person. I heard some of the most extravagant encomiums of it that man ever listened to. No change of diet is ever necessary; eat the best you can get. I have likewise an herb, which, when simmered in a weak oil, dissolves scrofulous swelling of the neck and under the ears. Price 50 cents. Price of the Medical Discovery $1 per bottle.
DIRECTIONS FOR USE.
Adult, one table spoonful per day. Children over eight years, dessert spoonful; children from five to eight years, tea spoonful. In no direction can be made applicable to all constitutions, take enough to operate on the bowels twice a day.
Mr. KENNEDY gives personal attendance to bad cases of scrofula.
