ARCH STREET THEATRE.—The famous Ministrels, under the management of Morris Brothers, Pell, & Trowbridge, give their last concert this evening. Messrs. Wambold, Thayer, and Trowbridge sing some of their most pleasing songs. Messrs. Wilson, Weaver, Bowers, Carroll, Johnny Pell, the Morris Brothers, in fact, the entire troupe, appear in their best songs, acts, and dances.

AN EXQUISITE NEW PERFUME.—In our advertising columns will be found the announcement of a new preparation for scenting handkerchiefs, etc., entitled "Jeakens Extract," prepared from the blossoms of the celebrated tree of Japan. The sample of this new extract which we have received enables us to speak of it fairly with confidence. We believe that for strength and aromatic sweetness it is unequalled. That it is an excellent article, however, needs no further guarantee than the fact that it is copyrighted and prepared by Messrs. Phalon & Son, No. 51 Greene street, New York.

THOSE WHO ARE ABOUT FURNISHING or refitting their summer residences will do well to call on *M. S. Burton & Co., southwest corner of Second and Dock*, where they will find a complete stock of everything pertaining to housekeeping, among which may be mentioned the *Dr. Kane* and other refrigerators, porcelain-lined water coolers, ice pitchers, ice-cream freezers, wire covers, camp chairs, bathing tubs, &c., &c.

PERSONS AND FAMILIES repairing to the different places of summer resort, should not fail to take with them Bowen's Mexicaran Flea Wash as a safe, speedy, and certain cure for costiveness, habitual constipation, dyspepsia, sick and nervous headache, and bilious affections generally. They consist of pure Alexandria senna, combined with the best quality of aromatics, so skillfully mixed in the fig as to prevent detection in taste. Price 37½ cents per box. Manufactured by Geo. C. Bower, Sixth and Vine sts. tf

A NEW CARD ON ADVERTISEMENT has been adopted by Granville Stokes, the celebrated fashioner, No. 607 Chestnut street. For each garment sold, ready made or made to order, *cash*, *price* only is asked, and never deviated from, the purchaser always receiving a valuable and useful present therewith, the cost of which is *deducted from* the price of the article, and is intended as a new mode of advertising, which, for generosity, is receiving, as it should, the liberal and prompt patronage of the public. No *boxes* "gifts" are presented; the truth of which assertion is being largely attested by the thousands of recipients who, in turn, send their friends to swell the army of those who patronize the "Gift Temple of Fashion," No. 607 Chestnut street.

Particular attention is paid to the customer department, in which are engaged a corps of the most skillful tailors in the country. jel9-tf
