FIRE LAST EVENING.—Shortly after 7 o'clock last evening an alarm of fire was rung by the partial destruction of the roof of Messrs. Brewer, Brown & Bolger's store, on Second and Cherry streets. It appears that a lot of rubbish, fire-crackers, and other small combustibles, left over from the Fourth, which were thrown into the yard, ignited by the sparks from a fire-work, and the wind blowing very strongly, the roof was soon on fire. We know of no other damage, and consequently do not go to a little celebration on the glorious Fourth, which, we understand, was recorded in some quarters, that a gun in this city had burst at several times. The powder was lying around loose, and as a matter of course, caught fire from a spark. In a moment the flames communicated with the pyrotechnics in the window, an explosion took place, and almost the entire front of the building was blown out. His wife and child, although within behind the counter, escaped serious injury. Mr. Stewart was badly burned about his wrists and arms. The flames were extinguished with a few buckets of water. Some enthusiastic individual went to the nearest station house, communicated the intelligence that a fire was raging near Girard College, the State House bell sounded the alarm, and in a short time the entire fire department of that district were on their way to the supposed scene of conflagration. The Northern Liberty steam engine came into collision with a car at Coates street and Girard avenue, and broke its axle, which prevented further progress. Mr. Stewart is insured in the Mechanics' Insurance Company.

DOINGS IN THE QUARTER SESSIONS.—Yesterday, before Judge Allison, Patrick Murphy was charged with committing an assault and battery upon Michael Toomey. The prosecutor, with a friend, visited Mr. Murphy's tavern, where the friend called for the drinks, which were not paid for. Thereupon Mr. Murphy ordered Mr. Toomey to leave. This he refused to do, and said Mr. M. could not put him out. Mr. M. then struck the prosecutor. Hence the charge of assault and battery. Verdict not guilty, the prosecutor to pay the costs.

John Shuster was acquitted of a charge of assault and battery.

Samuel Thomas was charged with entering the premises of Mr. Reynolds, Twentieth street. The testimony proved that the defendant, having stolen some property, ran and hid himself in the loft of Mr. Reynold's premises. This relieved the defendant from the charge of entering the house with a felonious intent, and the jury acquitted him.

Mary Ann Johnson was acquitted of a charge of assault and battery, the prosecutor not appearing.

John Duffy was charged with committing an assault and battery upon Edward and Patrick Crossen, and the Crossens were charged with committing an assault and battery upon Mr. Duffy. The parties reside in the neighborhood of Seventh and Baker streets, and the charge originated in consequence of a fight which occurred between the parties, who had an old quarrel. On trial.

TENTH ANNUAL EXHIBITION OF THE PENNSYLVANIA STATE AGRICULTURAL SOCIETY.—The Committee of Arrangements of this society announce that the next State fair will be held on the Wyoming Battle Ground, near Wilkesbarre, on the 25th, 26th, 27th, and 28th of September next. The grounds are beautifully located, and contains extensively "shady groves." A large number of horses will be one of the features of the exhibition. Arrangements have been made with the different railroad companies for the transportation of animals and articles intended for exhibition free of cost, both ways, and the companies will issue excursion tickets for passengers at reduced rates.

ANOTHER MAN INJURED ON SHIPBOARD.—Yesterday afternoon, John Casey, 42 years old, received a compound fracture of the left leg, while assisting to place an iron car-wheel on board the ship Shamrock, at Shippen-street wharf. He was taken to the hospital last evening. His injuries are so severe that his leg will have to be taken off to save his life.

DIED OF HIS INJURIES.—Patrick Murphy, who was admitted into the hospital on Monday evening, suffering from internal injuries received from falling down the hold of the steamship Virginia, died the same evening at a late hour. The coroner viewed the body yesterday, after which it was handed over to his friends for interment.

FINANCIAL AND COMMERCIAL.

The Money Market.

PHILADELPHIA, July 3, 1860.

The influence of the national holiday seemed to affect the stock market to-day, not only in the attendance of the members, but in the diminution of those in attendance to active labor. North Pennsylvania Railroad shares advanced ½; Reading lost ¼; Schuylkill Navigation preferred was firm, and Camden and Amboy shares ¼ better.

The money market continues very easy, and the payments of the third and fourth were met without producing a more perceptible movement in the market.

The County Fire Insurance Company have declared a dividend of four per cent. on the capital stock for the last six months.

The statement of the U. S. Mint in this city, for the month of June, shows the total deposits to have been $720,253. Gold, from all sources, $54,380; silver, $64,833; Copper cents received in exchange for coinage of new issue, $3,880. The gold coinage for the month was $21,800 in eagles; $16,870 in half eagles; $9,620 in quarter eagles; $17,125 in dollars, and $6,275.47 in five dollars; making a total of gold coinage of $63,715.47. The silver coinage was $2,000 in half dollars; $30,800 in half dollars; $27,500 in quarter dollars; $2,500 in dimes; $11,730 in half dimes, and $2,200 in three-cent pieces; making the total silver coinage $87,130. Cents, $24,000. The whole number of pieces coined during the month was 3,877,257, of the value of $154,878.47.

THE SUMMER RESORTS.

MANSION HOUSE, MOUNT CARBON, SCHUYLKILL COUNTY, PA.

Families accommodated with good rooms at reduced prices.

This old-established House, located in the gap between Sharp and Second mountains, immediately on the line of the Philadelphia and Reading Railroad, within half a mile of Pottsville, formerly kept by Jonathan Stead, of the Old Mansion House, Philadelphia, has since his decease, been under the charge of his daughter.

The House is prepared, at all seasons of the year, for the reception of guests, and has been recently put in order. The large garden and park adjoining, presents great inducements as a summer resort, to persons wishing to spend a short time away from the dust and turmoil of the cities, where they can breathe fresh mountain air, and enjoy the wild and beautiful scenery of the coal region.

Communication passenger tickets, for the use of families, are sold at a reduction of twenty five per cent., and an accommodation train will leave Pottsville daily during the summer months, to enable those who may desire it to spend the business portion of the day in the city, and return the same evening, on which the charges will be thirty-three per cent. below the usual rates.

For terms, apply to MARY HEAD,

Mansion House, Mount Carbon,
