FRIDAY MORNING, JUNE 15.

ALLEGED INTERCEPTION OF ROYAL CORRESPONDENCE.—The London Weekly Dispatch of May 27th, gives the following significant explanation of certain occurrences, which will no doubt serve the purposes of Louis Napoleon when the pear has become ripe on the banks of the Rhine.

The Prussian journals are now engaged in a discussion as to the Prince of Regent to the Prince Consort of England have been brought to the knowledge of the French Government; and an interview has taken place between the Prince de la Tour d'Auvergne, the French Ambassador at Berlin, and M. von Schleinitz, the Prussian Minister of Foreign Affairs, on the subject. The journals speak of thefts of despatches having been discovered, and one states that the contents of the despatch in question can only have become known through an indiscreet communication in Ministerial circles on the English side of the Channel. A Dusseldorf paper has the following account of the interview between M. Schleinitz and the French Ambassador, which it states it has received from a good source:—

"At the latter end of the preceding month the French Ambassador at the Court of Berlin, the Prince de la Tour d'Auvergne, called on the Minister of Foreign Affairs, Baron von Schleinitz, and after some civilities, spoke of the value which the Emperor placed upon the friendship of Prussia. Exclusively to avoid any unpleasantness on the subject, the Prince requested M. Schleinitz to give him any information he possessed as to the authenticity of a document, the copy of which he presented. It purported to be a letter sent from the Prince Regent to the Prince Consort of England, in which family matters were spoken of, and then some remarks on the Emperor Napoleon III. happened to be mentioned. M. Schleinitz replied that he could give no information respecting the document, since he was not acquainted with the private correspondence of that high personage. His Excellency, however, urged that he must receive explanations on the matter. His Imperial master had always entertained the best wishes towards Prussia, and had believed that his sentiments were reciprocated by that country, and yet Prussian assurances and the expressions contained in the letter he produced were opposed to that belief.

Baron Schleinitz thereupon answered that he was Minister in a constitutional State, and that the Ministry of his country were responsible for all official political negotiations and correspondence with foreign countries, and, that, if any inquiry on the matter should take place, he would not withhold the information sought, in case reasons of the State did not forbid such a communication to be made. Respecting the correspondence which the Prince Regent personally had with his august friends and relations, the Minister of a constitutional country had not the right to control the private communications of the Prince Regent, especially since they had no official character. The Prince then signified to M. Schleinitz that, in case he continued to decline to grant the explanation, no other way remained to convince the Emperor of the genuineness of the sentiments of the Prussian Cabinet than a personal interview between the Emperor Napoleon III and Prince Regent."

DR MOTT'S
CHALYBEATE RESTORATIVE
PILLS OF IRON.

AN APERIENT AND STOMACHIC Preparation of IRON purified of Oxygen and Carbon by combustion in Hydrogen. Sanctioned by the highest Medical Authorities, both in Europe and the United States, and prescribed in their practice.
The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions indicate its necessity in almost every conceivable case. Innocuous in all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz:
**Debility, Nervous Affections, Emaciation, Dyspepsia, Constipation, Diarrhoea, Dysentery, Incipient Consumption, Scrofulous Tuberculosis, Salt Rheum, Mismenstruation, Whites, Chlorosis, Liver Complaints, Chronic Headaches, Rheumatism, Intermittent Fevers, Pimples on the Face, &c.**
In cases of General Debility, whether the result of acute disease or of the continued diminution of nervous and muscular energy from chronic complaints, one trial of this restorative has proved successful to an extent which no description nor written attestation would render credible.—Invalids so long bed-ridden as to have become forgotten in their own neighborhoods, have suddenly re-appeared in the busy world as if just returned from protracted travel in a distant land. Some very signal instances of this kind are attested of female sufferers, emaciated victims of apparent marasmus, sanguineous exhaustion, critical changes, and that complication of nervous and dyspeptic aversion to air and exercise for which the physician has no name.
In Nervous Affections of all kinds, and for reasons familiar to medical men, the operation of this preparation of iron must necessarily be salutary, for, unlike the old oxides, it is vigorously tonic, without being exciting and overheating; and gently, regularly aperient, even in the most obstinate cases of costiveness, without ever being a gastric purgative, or inflicting a disagreeable sensation.
It is this latter property, among others, which makes it so remarkably effectual and permanent a remedy for *Piles*, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them.
In Dyspepsia, innumerable as are its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases, including the attendant *Costiveness*.
In unchecked Diarrhoea, even when advanced to Dysentery, confirmed, emaciating, and apparently malignant, the effects have been equally decisive and astonishing.
In the local pains, loss of flesh and strength, debilitating cough, and remittent hectic, which generally indicate Incipient Consumption, this remedy has allayed the alarm of friends and physicians, in several very gratifying and interesting instances.
In Scrofulous Tuberculosis, this medicated iron has had far more than the good effect of the most cautiously balanced preparations of iodine, without any of their well known liabilities.
The attention of families cannot be too confidently invited to this remedy and restorative, in the cases peculiarly affecting them.
In Rheumatism, both chronic and inflammatory—in the latter, however, more decidedly—it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and muscles.
In Intermittent Fevers it must necessarily be a great remedy and energetic restorative, and its progress in the new settlements of the West, will probably be one of high renown and usefulness.
No remedy has ever been discovered in the whole history of medicine, which exerts such prompt, happy, and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use.
Put up in neat flat metal boxes containing 50 pills; price 50 cents per box; for sale by Druggists and dealers. Will be sent free to any address on receipt of price. All letters, orders, etc., should be addressed to

The entire disease is often arrested at once, and in all cases the violence of the attack is moderated, the disease shortened, and rendered less dangerous.
Coughs and Colds, which are of such frequent occurrence, and which so often lay the foundation of diseased lungs, bronchitis and consumption, may all be at once cured by the Fever and Cough Pills.

Often the cure of a single chronic difficulty, such as Dyspepsia, Piles or Catarrh, Headache or Female Weakness, has more than paid for the case ten times over.

McLEAN'S
STRENGTHENING
Cordial
AND
BLOOD
PURIFIER.
Before Taking. — After Taking.

THE greatest Remedy in the world. This cordial is distilled from a berry known only to myself and chemically combined with some of the most valuable medicinal roots, herbs and barks known to the mind of man, viz: *Blood Root, Black Root, Wild Cherry Bark, Yellow Dock, Dandelion, Sarsaparilla, Elder Flowers*, with others, producing the most infallible remedy for the restoration of health ever known. It is nature's own remedy, curing disease by natural laws. When taken, its influence is felt coursing through every vein of the body, purifying and accelerating the circulation of the blood. It neutralizes any bilious matter in the stomach, and strengthens the whole organization.
*M'LEAN'S STRENGTHENING CORDIAL*
Will effectually cure
Liver Complaint, Dyspepsia, Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and all Diseases arising from a Disordered Liver or Stomach, Dyspepsia,
Heartburn, Inward Piles, Acidity or Sickness of the Stomach, Fullness of Blood to the Head, Dull Pain or Swimming in the Head, Palpitation of the Heart, Dullness or Weight in the Stomach, Sour Eructations, Choking or Suffocating Feeling when lying down, Dryness or Yellowness of the Skin and Eyes, Night Sweats, Inward Fevers, Pain in the small of the Back, Chest or Side, Sudden Flushes of Heat, Depression of Spirits, Frightful Dreams, Languor, Despondency or any Nervous Disease, Sores or Blotches on the Skin, and Fever and Ague (or Chills and Fever.) It will also cure diseases of the Bladder and Womb, such as Seminal Weakness, Incontinence of Urine, Strangury, Inflammation or Weakness of the Womb or Bladder, Whites, etc.
THERE IS NO MISTAKE ABOUT IT.
This Cordial will never fail to cure any of the above diseases, if taken as per directions on each bottle, in German, English and French.
OVER A MILLION BOTTLES
Have been sold during the last six months, and in no instance has it failed in giving entire satisfaction. Who, then will suffer from weakness or debility, when McLean's Strengthening Cordial will cure you?
TO THE LADIES:
Do you wish to be healthy and strong? Then go at once and get some of McLean's Cordial. It will strengthen and invigorate your whole system, causing a healthy and pure circulation of blood to flow through every vein, and the rich, rosy bloom of health to mount to your cheek again. Every bottle is warranted to give satisfaction.
FOR CHILDREN.
We say to parents, if your children are sickly, puny, or afflicted with complaints prevalent among children, give them a small quantity of McLean's Cordial, and it will make them healthy, fat, and robust. Delay not a moment, try it, and you will be convinced.
IT IS DELICIOUS TO TAKE.
CAUTION.—Beware of druggists or dealers who may try to palm upon you some Bitter or Sarsaparilla trash, which they can buy cheap, by saying it is just as good. Avoid such men! Ask for McLean's Strengthening Cordial, and take nothing else. It is the only remedy that will purify the blood thoroughly, and at the same time strengthen the system.
One tablespoonful taken every morning fasting, is a certain preventive for Cholera, Chills and Fever, Yellow Fever, or any prevalent disease. It is put up in large bottles.

THE
PERUVIAN SYRUP,
OR PROTECTED
Solution of Protoxide of Iron
COMBINED.
THIS PREPARATION DIFFERS FROM all others, being an unchangeable protoxide of Iron, attained by a combination never before known.
For Indigestion, Torpid Liver, Dropsies, *Boils*, all forms of disease caused by impoverishment of the blood, general debility, and especially the diseases peculiar to females, it has been found extremely efficacious.
Pamphlets, giving a full description of the remedy and the certificates of its efficacy, may be obtained of the agents.
[Certificate of Dr. Hayes.]
It is well known that the medicinal effect of Protoxide of Iron is lost even by a brief exposure to air, and that to maintain a solution of Protoxide of Iron without further oxidation, has been deemed impossible.
In the Peruvian Syrup, this desirable point has been attained by *combination in a way before unknown*; and this solution may replace all the pro carbonates, citrates and tartrates of the Materia Medica.
It is also eminently adapted to take the place of any Protoxide of Iron, which physicians have used to scurvy or scorbutic affections, and to meet such cases the Syrup should be found in the medicine chest of every ship.
A. A. HAYES, M. D.,
Assayist to the State of Massachusetts.
16 Boylston street.
A CARD.
The undersigned having experienced the beneficial effects of the "Peruvian Syrup" do not hesitate to recommend it to the attention of the public.
From our own experience, as well as from the testimony of others, whose intelligence and integrity are altogether unquestionable, we have no doubt of its efficacy in cases of Incipient Diseases of the Lungs and Bronchial Passages, Dyspepsia, Liver Complaint, Dropsy, Neuralgia, etc. Indeed its effects would be incredible but from the high character of those who witnessed them, and have volunteered their testimony, as we do ours, to its restorative power.

MOTHERS
Thousands are daily speaking in the praise of *DR. EATON'S*
INFANTILE CORDIAL,
and why? because it *never fails to afford instantaneous relief* when given in time. It acts as if by magic, and *one trial alone* will convince you that what we say is true. It contains
NO PARAGORIC OR OPIATE
of any kind, and therefore relieves by *removing the sufferings* of your child, instead of by *deadening its sensibilities*. For this reason, it commends itself as the *only reliable* preparation now known for CHILDREN TEETHING, DIARRHOEA, DYSENTERY, GRIPING IN THE BOWELS, ACIDITY OF THE STOMACH, WIND, COLD IN THE HEAD, and CROUP, also, for *softening the gums, reducing inflammation, regulating the Bowels, and relieving pain*, it has no equal—being an *anti-spasmodic* it is used with *unfailing success* in all cases of CONVULSION OR OTHER FITS. *As you value the life and health of your children, and wish to save them from those sad and blighting consequences which are certain to result from the use of narcotics of which other remedies for Infantile Complaints are composed, take none but* DR. EATON'S INFANTILE CORDIAL, this you can rely upon. It is perfectly harmless, and cannot injure the most delicate infant. Price, 25 cents. Full directions accompany each bottle. Prepared only by

BLOOD FOOD
*Healthy* human blood upon being
ANALYZED
always presents us with the same essential elements, and gives of course the TRUE STANDARD. Analyze the Blood of a Person suffering from Consumption, Liver Complaint, Dyspepsia, Scrofula, &c., and we find in *every instance* certain *deficiencies* in the red globules of Blood. *Supply* these deficiencies, and you are made well. The BLOOD FOOD is founded upon this Theory—hence its astonishing success.—There are
FIVE PREPARATIONS
adapted to the deficiencies of the Blood in different diseases. For COUGHS, COLDS, BRONCHITIS, or any affection whatever of the THROAT or LUNGS including CONSUMPTION, use No. 1, which is also the No. for DEPRESSION OF SPIRITS, LOSS OF APPETITE, and for all CHRONIC COMPLAINTS arising from OVER-USE, GENERAL DEBILITY, and NERVOUS PROSTRATION. No. 2 for LIVER COMPLAINTS. No. 3 for DYSPEPSIA. *Being already prepared for absorption* it is TAKEN BY DROPS and carried immediately into the circulation, so that what you *gain* you *retain*. The No. 4 is for FEMALE IRREGULARITIES, HYSTERIA, WEAKNESSES, &c. See special directions for this. For SALT RHEUM, ERUPTIONS, SCROFULOUS, KIDNEY and BLADDER COMPLAINTS, take No. 5. In all cases the directions must be strictly followed.—Price of the BLOOD FOOD $1 per bottle.
